Daylesford Secondary College №. 7115

Uniform Policy

RATIONALE

Daylesford Secondary College expects that students wear the approved College uniform. This is consistent with Department of Education guidelines relating to uniform. The College takes the matter of uniform seriously, so do our students and parents.

- It benefits the College because the wearing of uniform fosters school spirit, a sense of belonging and commitment to the College. When students are in the wider community, they are easily identifiable which can further promote the College and enhance College spirit.
- It imparts a sense of responsibility to the students and enhances our motto of ‘AIM HIGH’ and reputation for excellence with regard to behaviour, presentation and achievement.
- It promotes equality amongst students by discouraging competition and short-term fashion trends. Uniform discourages peer acceptability being based upon the clothing worn by students.
- It is economical because uniforms are of very good quality, last longer and are cheaper than most casual clothes that students may want to wear. The peer pressures to keep up with the frequent fashion changes associated with casual dress, and the subsequent costs, are controlled.
- It enables students to fully participate in all College curricular and co-curricular activities without being impeded by dress or footwear.
- It safeguards our students, as an intruder or outsider may be more easily spotted and can be dealt with appropriately.

AIMS

- To provide clear directions regarding the wearing of our school uniform
- To foster a sense of pride in oneself and our school
- To foster a sense school identity and belonging
- To positively promote the school’s image to the wider community
- To provide low cost, durable and practical items of clothing for students and families

IMPLEMENTATION

1. Uniform should be worn:

1.1 Travelling to, from school, and during the school day.
1.2 It should be worn on all College Excursions and at all official College events (unless stipulated otherwise).
1.3 Specified Sports uniform is to be worn on Inter-School Sporting Excursions, which should include the College Physical Education Polo Top.
1.4 Parents will be notified of any “special” occasion where college uniform is not required to be worn.
1.5 Specific items of uniform may be required for “Special Occasions” such as the College Tie or Sports Cap.
2. Uniform does not need to be worn:

2.1 On overnight camps and tours, college production and rehearsals out of College hours, DSC intra-school sports days (House Athletics & Swimming) or specified SRC fund raising “free dress” days.

3. Students Need To Note The Following Procedures And Consequences Regarding Uniform:

School council requires the Principal be responsible for implementation of this Uniform Policy in a manner consistent with the College Values and Behaviour Expectations guidelines. As such, the College has developed a very structured set of procedures, ranging from replacement items, detentions, and possible conferences with parents, for dealing with students who fail to wear correct College uniform.

3.1 All students at DSC are expected to be in full, neat and clean school uniform at all times, as per the information stated in points 1 and 2.

3.2 Any student who is out of uniform must bring a note from home with a clear and satisfactory explanation as to why, and which clearly states when the student will be back in uniform.

3.3 Students who arrive to school without uniform must attend the morning registration desk and will be required (where possible) to change into full uniform using the replacement item(s) available from the uniform store.

3.4 Students who fail to bring a note and/or attend morning registration desk will be issued with a lunchtime detention as a first consequence.

3.5 As per our College Behaviour Expectations, student refusal to follow these processes or any reasonable teacher request will be treated as a serious matter and the designated consequences for this action will follow.

3.6 Students who attend school out of uniform with or without parent permission will be recorded on STRIMS.

4. Wearing Hats

4.1 The College has a DSC sports cap as part of its uniform. This is not a compulsory piece of uniform; however, where a student wishes to wear a cap to school it may only be the approved DSC sports cap (black peaked basketball-style cap, no logo, the initials DSC monogramed on the front is acceptable). The cap must be worn with the peak pointed to the front and must not be worn inside the building. This cap should also be worn to Interschool sporting activities as specified in item 1.5 above. A broad-brim plain black hat will also be accepted as uniform.

5. Extra Clothes For Warmth

5.1 Non-uniform jackets are not permitted to be worn. Students wearing non-uniform jackets are deemed out of uniform. Additional clothing can be worn underneath uniform but must not be visible. The college recommends a plain white T-shirt or long sleeve thermal type top underneath College shirts but the sleeves should not be visible under the shirt.

6. Wearing of our Uniform

6.1 Uniform items should be keep neat and clean at all times.

*DEECD Policy stipulates that: Jewellery, hat cords, chinstraps and drawstrings present risks of injury or strangulation, particularly when worn in the head and neck area.*

As such, the following applies at Daylesford Secondary College:

7.1 The College believes that there has to be a balance established in allowing people to express their individuality in any environment and asking them to conform to group behaviour. We also believe young people should be encouraged to understand that individuality need not just be expressed by physical appearance. School badges are permitted on items of clothing. Studs or sleepers are allowed in ears; however, large earrings are not permitted for safety reasons. This includes any stud type item that is pointy in nature.

7.2 The College does not accept responsibility for loss of jewellery or infections caused by jewellery. Jewellery must be removed for Sport, Physical Education, and in some practical classes, such as Woodwork and Metalwork.

7.3 **PIERCINGS** - The College understands that students express their individuality via piercings, and in particular facial piercings. Where a student has a facial piercing the following conditions apply:

7.3.1- Studs are the only form of piercing item that may be worn in either the nose, lips or eyebrows. Sleepers, rings or hoops of any kind are not permitted as facial piercings. A **clear ball must be worn on these studs**. Points, darts, arrows etc. are NOT permitted as piercing items. Nose rings and tongue piercings must not be visible at any time.

### Picture Guide to Assist in the Purchase of Acceptable School Shoes

Safety and comfort are important for school shoes. Shoes need to protect the feet from drops, spills and slips.

School shoes are to be all black; the entire foot is to be enclosed by the shoe, including the upper section of the foot; the shoe is to have a stout sole and leather/leather-like uppers; and the shoe is to have low heels.

Students in practical based subjects need to wear shoes that protect their feet against drops, spills and slips. Due to O H & S requirements students who are not wearing shoes with sufficient protection will be excluded from some practical activities. If in doubt please contact the college—5348 2367.
