**YEAR 12 JUMPERS FOR 2011**

**Attention all Year 11 Students**

To enable the purchase of Year 12 Tops at a subsidised rate we need to set up a fund raising committee (some students have already expressed interest in this). Students who would like to be involved in this committee need to meet with Mr. White at his office on Monday 13th September.

Mr. White would like to finalise the design and order next year’s Year 12 tops by week 4 of term 4 to have them available for students at the start of 2011.

**SCHOOL UNIFORM**

I would like to remind students that they are not to wear hooded tops at school. Even though they do keep students warm during the colder months of the year they are not part of the agreed school uniform policy. Junior students are to wear the green school jumper and if need be a plain black jacket can be worn over the green school jumper. Jackets are not to be worn inside.

**SCHOOL UNIFORM**

To save paper the 2011 Year 8 & 9 handbooks will not be distributed this year in hard copy. They will soon be available on the college website for your perusal.

**Let’s aim for great attendance in 2010!**

Missing school is an easy way for your child to be disadvantaged. It’s of utmost importance for your child to be at school every day of term, unless they have a really significant reason for being at home. Let’s aim to improve the individual attendance of every child at Daylesford Secondary College for 2010. ‘It’s Not OK To Be Away!’ (P.S don’t forget to inform the College if your child is absent. We have a duty of care to know where your child is if they are supposed to be at school.)

Synopsis
“Welcome to Sweet Valley High, a perfect world of perfect teens. It’s an all-American school full of every clique imaginable – jocks, cheerleaders, eggheads, emos, homies and even redneck yokels.

Meet Zak Teflon and Vanessa Huggins, two spotless little angels who are planning to unleash their extraordinary talents upon the high school musical. But when a redheaded exchange student named Rufus arrives on campus, things suddenly become terribly undisneyfied. With an upcoming visit from the American President, can egghead Scarlett save the day and recapture the Disney spirit? It’s a musical phenomenon filled with romance, magic and plain-awful singing! Agriculture at Melbourne Uni

Did you know that Bachelor of Agriculture graduates are in high demand by agribusiness employers with 2.75 jobs available per graduate? This degree explores the science and economics of agricultural production systems and the interaction of these in the context of critical social and environmental issues like increasing demand, restrained resources and climate change.

Year 12 News

Worried about your ATAR?

If you want to go to university but think you may not get a high ATAR there are a number of courses of action or alternate pathways you can consider, including the following:

- Complete the Diploma of Tertiary Studies at Monash Uni in either arts, business and commerce, education, IT, nursing, science, or visual and media arts. See: pages 305, 316, 324, 328, 335, 343, 347 of the VTAC Guide.
- Consider Foundation Studies at Victoria University if you want to follow a career in health, science or engineering.
- Complete a course at Monash College. See: pages 296-298 of Guide.
- Complete a course at MIBT (Deakin Uni link). See: pages 289-292 of Guide.
- Consider studying a related degree with a lower ATAR. If you do well you MAY be able to transfer to your desired degree later.
- Start with a TAFE course in a related field. Two years at TAFE often equals one year at university (sometimes more). This is very important if you are considering Nursing, Primary Teaching or Sport/Fitness as careers – You may want to consider applying for TAFE related qualifications as ‘safety net’ courses. See Marg Cattanach or Mrs Barlow before the end of term for advice regarding direct application courses.
- Consider a country/rural campus. ATAR’s are often lower at these campuses due to lower demand.
- Complete ‘Year 13’ at a school offering this option (particularly in design and related courses, eg Northland, Brighton Bay, Swinburne Senior)

Scholarships for Children of Veterans

- Children of veterans intending to apply for tertiary studies in 2011 need to be aware that financial assistance for up to 65 students is available through the Australian Veterans’ Children Assistance Trust. (The scholarships are means tested). See: www.avcat.org.au.

Parent teacher interviews booking instructions

An extended version of this document including pictures is available at school website.

1. Go to the school website - www.daylesfordsc.vic.edu.au and from there click on the link on the right of the page to go to the parent teacher booking system.

2. Enter your email address – check to make sure you enter it correctly, then click next.

3. Enter your full name and contact number in the next screen. Again check these details before you proceed.

4. Enter your child’s name and year level in the next screen.

5. If you have more than one child that you wish to book interviews for, select the add child button now.

7. Select all the teachers you need to book interviews for that child by clicking on (and ticking) the box next to the staff members name (it tells you at the top which child you are booking for). Once you have done this scroll down to the bottom of the screen and click next.

8. To book an interview slot just click on any greed slot. It will turn from green to red and put your child’s name in it to say that it is booked. If you make a mistake just click on the slot again to unbook it. Any slot marked unavailable means that someone else has already booked that time.

9. If all the slots for the teacher you want are booked, scroll down to the bottom of the page and click on the link for the teacher. It will send them an email, requesting that they contact you via phone.

10. Once you have booked all the slots that you want to for your child then scroll back up to the top of the page and hit save.

11. If you have any more children to book interviews for, do that now using the book interviews link.

12. If you book interviews for another child the system will automatically grey out when you have booking so that you can’t double book yourself.

13. You can now email yourself a schedule by hitting the email schedule button. It is also a good idea to print a hardcopy of your schedule so that you can bring it with you on the night using the print schedule button.

14. Once you are done you can logoff using the button on the left of the screen.

If something comes up and you need to change your interview times you can log back in via the same method as above. As long as you use the same email address it will remember your interviews and you can change them. You can make changes/book interviews up until 12:00pm on the day of the interviews.
