Japanese students visit DSC

Helen Robinson – Promotions Coordinator
**PRINCIPAL’S REPORT**

**JAPANESE EXCHANGE STUDENTS**

Seventeen Japanese exchange students and a tutor attended our College and lived with host families in recent weeks. This has been a highly successful initiative and provided our College community with so many memorable experiences. The Japanese students, without exception, have been extremely respectful and courteous and gained a better understanding of the Australian way of life and the English language. I would like to acknowledge the effort and commitment of Manuela Felicetti and Nikki Carnie in organising the student exchange. I would also like to thank all of the host families for opening up their households and embracing the full potential of the student exchange program. A special mention needs to be made of Peter Fernon who essentially worked as their teacher and helped the students to learn so many things including singing Waltzing Matilda and doing the Hokey-Pokey! To everyone involved in the Japanese visit – arigato.

**ULTRANET**

The pupil free day on Monday 09 August provided our staff with the opportunity to start receiving professional development on the Ultranet. In lieu of being able to get onto the Ultranet, staff immersed themselves in literacy planning, wikis and blogs. The Ultranet has been designed to unlock the full potential of computer based learning and will be used to help facilitate partnerships between parents, students and teachers. More information can be accessed at the following website: http://www.education.vic.gov.au/about/directions/ultranet/benefits/parents.htm. (Please note, the dates provided on the DEECD website for the rollout of the Ultranet for parents and students are likely to change)

**CONCERT BAND FAMILY NIGHT**

Our Concert Band played a short concert of their repertoire in the DSC Theatre on Thursday 5 August. The evening was well attended and the audience thoroughly enjoyed the high quality performances. So many people commented on how far the Concert Band has progressed in recent years and I would like to thank everyone who has helped our Concert Band over the years.

**10 TIPS FOR KEEPING ON TRACK**

**Take attendance seriously**
When you attend school regularly and get to class on time you are able to do better and will be happier at school.

**Attend regularly**
Have you ever gone into a class and been embarrassed or feel unsettled because you can’t figure out what’s going on? Maybe it is because you missed something important the day before and now it feels like you have lost the plot? Once this cycle starts, it’s hard to stop.

**Keep the school and teachers in the loop if you are away**
If you are away let the school and teachers know. When the teachers are aware of your situation then they can work with you to set up a plan and they will be more understanding when you get back to school.

**Catch up with class teachers**
If you have missed some classes make sure you see your teachers to find out how to catch up. They will usually be very understanding and may even have some short cuts to make it easier. Teachers are sometimes busy and may not be able to help straight away, just keep trying.

**Understand your out-of-school programs—VET, VCAL, work placement, work experience, apprenticeships, traineeships**
Don’t fall into the trap of getting a bit slack just because out of school programs seem new and different. These are part of your normal program and have attendance requirements just like school classes.

**Be smart**
Learn to use a diary to note important days like assessment days and excursions. Don’t schedule shopping trips, doctor and dentist appointments during the school day.

**Develop social skills and a friend’s network**
School is a great place to make friends. As part of this process you will develop important social and team-work skills.

**Become work ready**
Understand that school helps you become work ready. School attendance habits prepare you for work attendance habits.

**Access further education and training**
Understand that schools help you prepare for further education and training. School work habits prepare you for further education and training.

**Special provision**
Remember that if you have explained your absences it will be easier to have consideration for disadvantage approved.

**Who can you talk to if there is an attendance problem?**
You can talk to your Section Teacher, Year Level Coordinator, Student Welfare Coordinator, M.I.P.s Coordinator or Assistant Principal. You can be referred to a guidance officer or a social worker if attendance is a problem for any reason. Talk to the person with whom you feel most comfortable.

**JUNIOR SCHOOL NEWS**

**INTERIM REPORTS & PARENT TEACHER INTERVIEWS**

Interim reports are fast approaching. These provide parents with a snap shot as to how students are progressing. Parent/teacher interviews follow the interim reports and give parents the opportunity to discuss their child’s progress.
YEAR 7 HEARING SCREENING
On Wednesday 11th August the Wimmera Hearing Society Inc. provided the opportunity for all Year 7 students to undertake a five minute hearing-screening test. Results of the screening are mailed home to parents/guardians and are also given to the college. Early detection of hearing loss will enable us to put programs and strategies in place to support students. Thank you to Donna O’Mara for organising the screening.

GETTING DIRTY PROGRAM
The Gettin Dirty program is commencing on Monday 16 August with a team building day and then on Wednesday's for the following four weeks. The project this term is an art project at Daylesford Skate Park.

AUSTRALIAN MATHEMATICS COMPETITION
On Thursday 5th August 30 highly motivated students from all year levels participated in the Maths Competition. This competition was a series of challenging problems which were attempted over a two periods. I would like to congratulate these students for extending themselves and we all wait eagerly for the results.

Mathematics Challenge
The participants of the Maths Challenge should see Ms Arndt for their results. These results will be announced at the next whole school assembly.

EUREKA SCIENCE SPOT
The Big Science Competition (30 multiple choice questions) will be held again on Wednesday 1st September and places are filling fast. If your name is not already down on the science noticeboard and you would like to take part, let your science teacher know as soon as possible. The subsidised cost will be $3 per student.

If any of you are expecting Mars to “look as big as a full moon” later this month you will be disappointed. The email being sent around is a hoax. Mars did come the closest to the Earth for many years to come in 2003 – teachers may remember a green Mr Brooker to celebrate the event! This set me thinking why anyone would initiate such a hoax-a conspiracy, a joke, increased sales for telescopes? The science department will award a magnificent prize for what we judge to be the best reason. Submissions must be in 50 words or less or be in cartoon form. Closing date Friday 27th August and a Mars bar for every entrant.

For more information on any of these look on the science notice board or see Ms Woodrofe.

IMPORTANT EVENT FOR THE CONCERT BAND

TERM 4 – M.S.O. CONCERT AT THE IWAKI AUDITORIUM IN SOUTHBank ON TUESDAY, 16TH NOVEMBER AT 6.30PM.

Presents
“High School Spoof-ical”
By Tim Bain & Adrian Szondy

Synopsis

“Welcome to Sweet Valley High, a perfect world of perfect teens. It’s an all-American school full of every clique imaginable – jocks, cheerleaders, eggheads, emos, homies and even redneck yokels.

Meet Zak Teflon and Vanessa Huggins, two spotless little angels who are planning to unleash their extraordinary talents upon the high school musical. But when a redheaded exchange student named Rufus arrives on campus, things suddenly become terribly undisneyfied. With an upcoming visit from the American President, can egghead Scarlett save the day and recapture the Disney spirit? It’s a musical phenomenon filled with romance, magic and plain-awful singing! It’s High School Spoofical!”

Produced with the permission of Maverick Musicals, 89 Bergann Road, Maleny, Qld. 4552, AUSTRALIA

Dates:
Thursday, 2nd September
Friday, 3rd September
Thursday, 9th September
Friday, 10th September

Time: 7.30 pm

Venue: Community Complex Theatre

Tickets
Adults: $15.00
Concession: $10.00
Family: $35.00

Tickets Will Be Available at the General Office

It’s only five weeks till our next fabulous production. As usual it’s a major undertaking – over 100 students and several staff are involved. And as usual we would welcome any donations of make-up you might have lying around. This year we would also enjoy any donations of accessories – we think this production needs a lot of bling! Any donations can be left at the office. Many thanks.

STRUGGLING WITH YOUR MATHS?

The Maths teachers at DSC recognise that some students struggle to complete their class work or homework. Please contact a teacher if you need help. There are some copies of “Maths Fix” still available from the general office. This is a handbook prepared by a teacher to assist parents and students with the basics. A visit to www.mathsmate.com also may be helpful. We would also like to inform you that the following teachers are available to assist students after school: Ms Arndt and Mrs Olver on Wednesdays Mrs Barlow, Mr Pethica, Mr Geddes and Mr Nettleton on Thursdays

Music Lesson's Available

Daylesford Secondary College offers private lessons on site for students interested in learning the drum kit, guitar, bass guitar and singing. Permission forms are available outside the General Office. All lessons are $25.00 per lesson to be paid in advance.

- Wed 18 Aug – 7 pm Information evening for Year 12 students and parents: Applying for university and TAFE courses. Students are strongly encouraged to attend.

NEW COURSES FOR 2011 – Some university and TAFE courses are approved for next year after the printing of the 2011 VTAC Guide has occurred (eg Veterinary Bioscience at Monash Gippsland). These courses will be listed on the VTAC website, so look out for them. The site will also tell you how to apply.

WOMEN IN ENGINEERING: $5,000 SCHOLARSHIPS – RMIT School of Aerospace, Mechanical and Manufacturing Engineering has five scholarships for female students. You need an ATAR of 95 and above and you need to start engineering studies in 2011. Applications open in December; info about scholarships: see www.rmit.edu.au/aeromecheng.

ENGINEERING AND MATHEMATICAL SCIENCES SCHOLARSHIPS – La Trobe Uni’s Ambassador Scholarship Program gives $2,000 pa for commencing students seeking to major in a discipline in the School of Engineering and Mathematical Sciences. Eligible applicants will be in the top 15% of students (ATAR) and be willing to occasionally speak to groups of new and prospective students. Info/application forms: www.latrobe.edu.au/scitecheng/scholarships.

New Bachelor of Business at Monash (Peninsula) – Commencing in 2011, this degree aims to develop critical and creative graduates, able to produce innovative solutions to problems, apply research skills to business challenges and communicate effectively (includes an industry work integrated learning placement). Two majors are offered: business strategy and tourism; students can complete another major in another Monash faculty. The degree will use Problem Based Learning (PBL). PBL emphasizes self directed learning; problems require students to apply prior knowledge to the solution of new problems. Info: www.buseco.monash.edu.

The Music Faculty at Monash is holding an Information Session for interested school students. Hear from staff about study options and entry requirements, and get your questions answered. When: 7.30-9.00pm, Tues 17 Aug; Where: Music Auditorium, Building 68, Clayton; Parking: Free (blue zone); Info: Emily Williams, ph 9905 3231.

Music and Performing Arts at VCAM
Getting a place in a training institution like the Faculty of the VCA and Music (Melbourne Uni) is competitive. Music courses require a musicianship test and dance a physiotherapy examination to ensure that performers can withstand the rigors of instruction/development involved in their career (plus VCE/IB requirements). Auditions are part of the selection process, but a broad understanding of the arts industry is also required. Prof Kristy Edmonds, Head of VCAM School of Performing Arts says “we are looking for students with a high degree of motivation, discipline and artistic imagination. In the case of performing artists, the audition panel will be particularly interested in how the candidate is able to respond to direction and creatively interpret material. Dancers require a high degree of technical proficiency, across ballet and
contemporary movement vocabularies. For Theatre, the actor needs to be authentically convincing as a performer, with an understanding of the meaning and purpose of the text they are delivering. With Production candidates, a working knowledge of the passion for the performing arts disciplines and a clear intent in their own aspirations is a must. For information about courses in art, dance, theatre, film and TV, music and production at VCAM visit www.vcam.unimelb.edu.au. Note: Timely applications for Dance close on 31 August (see page 511 of 2011 VTAC Guide).

Medicine at the University of Newcastle
Many applicants for medicine apply both locally and interstate to improve their chances of obtaining a place. The Joint Medical Program (JMP) is an expansion of the University of Newcastle B. Medicine program in partnership with the Uni. of New England, Hunter New England Health and Northern Sydney Central Coast Health. Details of the application process are at the web address below. Application forms and information booklet will be available in mid-August at http://www.newcastle.edu.au/jmp/enrolments/applicationprocess.html.
