PRINCIPAL’S REPORT
from Miss Holt

It is hard to believe we are only 2 weeks away until the end of Term 2. Where does the time go?

As per usual, there has been much happening across the College over the previous 2 weeks, including sporting adventures, excursions and alike. Our Year 9 students were very privileged yesterday to visit the Tutankhamun Exhibition at the Melbourne Museum and a very big thank you to Ms Kirby and Ms Anderson for their organisation of this excursion, and especially, a very big thank you to Tanya Bull, Carmel Bolton and Carol Camilleri as parent helpers who also attended the excursion. The College was required to send 9 supervising adults as a requirement of the Museum. This obviously has a major impact on what occurs back here within the school as a normal school day proceeds. Therefore, the support received by our parents is more than greatly appreciated - thank you 😊

This week has also seen the first round of VCE Exams! I would like to thank our numerous VCE teachers who have offered many hours of extra support, tutoring, and revision out of normal school hours to ensure our students achieve their greatest potential! I know our students have worked very hard to ensure they achieve to their highest potential. I would also like to thank the many staff, of which there were more than 20, who attended a professional Learning session in Myrniong last Thursday evening for more than a three hour session after their normal work day. The greater school community is often unaware just how many extra hours our teachers apply to their jobs outside of their normal teaching day. Our teachers heard Professor David Hopkins speak about school Improvement and the elements that are required in a school for this to occur. I am very pleased that we at Daylesford Secondary College are currently addressing many of the identified factors, and we are currently working as a whole school

Term Dates for 2011

Term 2 27th April - 1st July
Term 3 18th July - 23rd Sept.
Term 4 10th October - 22nd Dec.

Casual Dress Day Friday July 1st
Last Day of Term

There will be a Casual Dress Day on the last day of term – Friday July 1st. As usual, this is our SRC fundraiser to support selected charities and purchase items identified by the students for our school. Unusually, this term, coincides with a Year 8 activity on medieval times. If you would like to dress up in a medieval theme, that would be great. Please bring a gold coin donation. If you do not wish to donate, please wear school uniform.
towards creating a better environment to promote greater student achievement.

SOCIAL NETWORK SITES
All parents should have this week received a letter in the mail regarding the appropriate use of social networking sites and, in particular, the use of Facebook. The College is addressing the issue of inappropriate use of sites such as Facebook. Cyber Bullying will not be tolerated as per any other bullying that may occur within our school. The College requires the support of parents in this matter to ensure students are using these sites in appropriate ways. We also ask parents to support us in ensuring our students are not putting themselves at risk by commenting on or adding to Facebook pages without considering the consequences of what they may “post”. To ensure our messages regarding the safe and appropriate use of social networking sites are clearly communicated to parents and students, I have included a copy of the letter sent home in our online version of the newsletter.

MY LIFE MY COMMUNITY (MLMC)
Parents will be aware that MLMC is one of our subject areas provided at Year 9 that focuses on teaching and promoting personal learning and interpersonal development. Students are encouraged to become independent learners, and be self motivated in a project that connects them with our community. Year 9 is the beginning of their pathway towards Year 10 Careers and Managed Individual Pathways and MLMC aims to give students an opportunity to work on projects that interest them. The College has recognised that MLMC is ready for a review in terms of its current structure and value to student learning. We are making some slight alterations to this program for Semester 2 and we will also be evaluating this program for 2012 and beyond. For Semester 2, students will elect to work within one of the following focus areas:

<table>

SUBJECT LEVIES
In order to provide our students with the essential resources for learning within their subject areas, the College relies a great deal on the payment of educational subject levies by parents. Thank you to the many parents who have attended to this payment already, this is very much appreciated. Accounts will be sent home shortly to notify parents of any outstanding educational fees. We would greatly appreciate that any outstanding amounts are attended to in the near future. Please do not hesitate to contact myself should you require any assistance or support in this matter.

UNIFORM
Parent support is again requested by the College on the matter of ensuring our students are wearing full College uniform, and are also wearing it in a presentable manner with pride.

- Jackets are NOT to have a hood and must be plain black.
- School shoes must be solid and fully enclosed.
- Leggings are not appropriate to be worn as pants.
- Hoodies are NOT to be worn under College jumpers. Hoodies will be confiscated during the day should students wear them to school either under their school jumper or as a jumper.

I mentioned in last week’s newsletter that samples will be arriving for a new style, warm jacket uniform item that students will be able to wear both indoors and outdoors, either over their College jumpers or as their College jumper. These are fabulous items that look smart, are easy to care for, and come at a cost of around $50.00. Our College logo will also be on the jackets. One of these items is currently available to view at the General Office, however, further different sample styles are on their way.

The sample jackets, of which the final style will need to be agreed upon, will arrive at the College during the first two weeks of Term 3. Once a decision is made around the final style, parents will be able to place an order in that two week period, and the new items will arrive approximately 14 days from the placement of our order. Parents are welcome to come in and view the one style that is currently in our office.

VCAL Update
1. Students will be Screen Printing a ‘Burn Out’ T-Shirt in conjunction with Big Tree T-Shirts and the Hepburn Shire Council during the last week of this term
2. An Emergency Awareness Day is being planned for either the end of Term 3 or start of Term 4 involving all Emergency Services, Hepburn Shire Council and Daylesford S.C. All groups will be working together to increase awareness of emergency management, linking young people with the community and further developing their Leadership Skills

SENIOR SCHOOL INFORMATION EVENINGS FOR 2011 CLASSES
1. 2011 Year 9 students into Year 10 for 2012, information evening will be held on Wednesday 3rd August. Week 3 of Term 3
2. 2011 Year 10 students into Year 11 for 2012 and 2011 Year 11 students into Year 12 for 2012, information evening will be held on Thursday 12th August. Week 4 of Term 3

2011 SENIOR BALL
The 2011 Senior Ball is to be held on Thursday July 21. Week 1 of Term 3 tickets are now on sale for $50.00 at the General Office.

NAB Schools First Awards
1. On the 27th May we submitted an application for the NAB Schools First Student Awards. I would like to thank Lewis Ingham and James Leigh for submitting this application and wish them well. I would also like to thank Susan Verbyla for all of her help and assistance with the boy’s application. If successful they could win $5,000 for the school VET Music Program.
2. We also hope to submit an application for the NAB Schools First Seed Funding Awards which may give DSC a chance at winning $25,000 (14 awards given within Victoria)
3. In addition to this I hope to submit an application for the NAB Schools First Impact awards based on the work we have done in partnership with the Hepburn Shire Council and Emergency Services with the Bushfire Regenerate VCAL program over the last 18 months. A chance at $50,000 if successful.

Year 9 Museum Excursion
The Tutankhamun excursion was held on Thursday 16th July for all Year 9 students giving them an opportunity to view a dazzling array of possessions unearthed from the boy king’s tomb.

Year 12 Jumpers
Year 12 jumpers should arrive next week. Unfortunately the delay in students receiving their jumpers earlier was caused by a number of issues such as students not submitting the required deposit on time or not submitting their jumper size or nickname within the required time frame. An additional delay for the delivery of this year’s jumpers was also as a result of setup requirements as we are purchasing from a new provider this year.

The final payment for this year’s jumper is $30.00, bringing the total cost to $60.00 with the deposit. Can students please pay the $30.00 balance as soon as possible!
Shoes:
School shoes are to be all black or all brown; the entire foot is to be enclosed by the shoe, including the upper section of the foot; the shoe is to have a stout sole and leather uppers; and, the shoe is to have low heels. Under no circumstances can open toed footwear such as thongs and ballet shoes be worn to school.

Tights:  Plain black

Socks:  Grey or white.

Pants:
Plain black or grey tailored dress pants.  Grey or black long legged tailored dress school shorts.  Under no circumstances are leggings to be worn.

Dress / skirt:
School dress or winter skirt in school fabric.

Shirts:
White polo (optional – green and yellow stripes on collar and logo) or green polo with green and yellow stripes on white collar with logo.  White shirt with collar or white skivvy.

Tops/Jumpers:
School windcheater or jumper with logo.  (Green for Years 7 – 9, black for Years 10 – 12 students).

Jacket and scarf:
A plain black jacket (length to waist) may be worn over the top of the school jumper or windcheater.  Jackets must not have a hood.  Plain black scarf.

Hats:
Hats or caps may not be worn inside but should be worn for sun protection in the yard.

Forum on Cybersafety
This is an issue at present affecting the school community. We are planning a parent’s Cybersafety Forum, later in the year, to complement the college’s cybersafety messages for students.

Homework
Access to School Intranet from Home
Did you know students can download their Science homework via the Internet from home? They can also access other subject files & files they saved at school. They can also check their school email account. All they need to do is click Student Quick Links at www.daylesfordsc.vic.edu.au then DSC Webmail or External Student Share. They can also do this at the local libraries.

Good Luck
To all students completing exams over the next 2 weeks and the Year 10 students launching themselves into a week of work experience.

Next Meeting
If you have time help plan the activities of this group, please come to our next meeting on Monday 20th June - 9:15am in the college’s conference room.

Information Relating to Silent Reading

Each Wednesday a welcome silence descends on the school for twenty minutes after recess when everybody reads. Students are asked to bring their own reading material which may consist of a book, magazine or newspaper. The aim is to promote reading as a pleasurable and independent activity.

Parents may help the programme succeed by reminding students each Wednesday to take something suitable to read.

DAYLESFORD CHALLENGES
ELITE VOLLEYBALL
COMPETITION

A Daylesford U 15 Boys team of McKenzie Cavarra, Zac Griffiths, Nat Schembri, Will Hughes, Rhys Sartori, Charlie Cooper, Jovan Milosh and Warren Cartledge took on the might of the top schools and Associations in the Western Region Championships in Melbourne.

The boys competition comprised 8 teams which was split into 2 pools of 4 teams with Daylesford winning against Eltham, Maribyrnong and drawing against St Bernards. This resulted in Daylesford finishing second in their group and taking on the powerful Mazendon team which comprised 3 Victorian State players. The players put up a great fight but were overcome by the firepower of their opposition. The final result was Daylesford ending up 3rd overall, which was a fantastic effort given the quality of all the teams.

All players should be very proud of their outstanding performance both on and off the court.

Several parents and families attended and were very impressed by the professionalism of all the players.

This experience will set all players for the challenge when they play in the next round of VSSSA schools competition in November.

All these champions play in the Daylesford Volleyball Competition on Monday nights at 6.30pm.

New players are welcome, so come along and have some fun with your fellow students.

WELL DONE TEAM
It is an Honour to coach you.

Ballarat Roller Derby League present
“Winter Plunderland”

Ballarat Roller Derby League's "Rat Pack" is set to submit Dragon City Derby Dolls' "Chiko Rollers" to a nail-biting challenge....Winter Plunderland! Filled with Ballarat's finest roller derby skaters, the Rat Pack defeated the Chiko Rollers at their last bout in May, so Bendigo's team is seeking revenge. This event will also showcase BRDL's newly acquired co-ed status, with a demo co-ed bout following the main bout. Winter Plunderland is an all ages event. Roll on down and get ready to see some smashing goodness!!

WHEN: Saturday 18th June from 6pm
WHERE: Ken Kay Badminton Stadium, Dowling St, Wendouree
TICKETS: available at Red Brick Gallery, Skipton St, online at brdl.com.au and at the door.

Media Release: ARC Health Club to Close

The Health Club managed by the Ballarat YMCA at the Daylesford ARC in Smith Street will cease operation at 8.30pm on Thursday 30 June 2011.

Ballarat YMCA's Chief Executive Officer, Mr Malcolm Healey, said it was not financially viable to continue running the Health Club in its current location - converted squash courts in the grounds of Daylesford Secondary College.

“We have explored several alternatives for the Health Club’s continuation, but unfortunately we have not been able to achieve a positive outcome,” Mr Healey said.

“Over the next 12 months we will continue to support the Hepburn Shire to investigate alternative sites that better address community access and patrons’ comfort.”

According to Mr Healey, the site’s location and limited day-time access, as well as issues of amenity, had restricted the Health Club’s ability to attract sustainable membership.

“Patrons with term memberships or visit passes will have the balance of their payments refunded as at 30 June 2011,” he said. “Operation of the ARC stadium will be unaffected, so members and the community will still be able to access a wide range of sporting and recreational activities, including basketball, volleyball and roller derby.”
Mr Healey said the six casual YMCA staff affected by the closure would be supported to find alternative employment.

"On behalf of the Ballarat YMCA and the Daylesford ARC team, I would like to thank those members of the community who have supported the Health Club since it opened in April 2009," he said. "I hope that the community will continue to support the Daylesford ARC through the other activities it offers."

Health Club Members who have any questions regarding the refund process should contact the Daylesford ARC on 5348 1777.

Dear Parents/Guardians

I write to alert parents to the fact that the College is aware that certain toxic Facebook pages are filled with content in the form of gossip that is damaging and inappropriate in relation to students in the local area, many of whom attend our school. Whilst some of these Facebook pages have thankfully been removed, we are aware of new pages that seem to be appearing daily. The College will be maintaining open communication with the local police regarding these pages and we will be monitoring students who are accessing and/or posting on these pages as best we can. **I encourage all parents to communicate with their children as to whether or not they are aware of this and/or have been affected in some way.**

Parents may have read the Ballarat Courier on Wednesday where a great deal of discussion was had regarding the seriousness of these sites and the fact that toxic and inappropriate sites and pages are also affecting schools throughout the Grampians Region. This is also the case across Victoria, where much comment has also been made through the Bendigo Advertiser.

I refer parents to the Cybersmart website below. The College has clear policy regarding “Expected Behaviour Guidelines”, Zero Tolerance to bullying (including cyber-bullying), and the appropriate use of Information and Communication Technology by students.

http://www.cybersmart.gov.au

I ask parents/guardians to please remember that student use of these sites and pages is out of our control when it is occurring late at night and weekends. This is why we ask parents to be vigilant in this matter. One very simple answer to this issue is for students to not access these sites, or for parents to monitor their child’s use frequently.

**It is a timely reminder for students to consider the following:**

1. Sharing email addresses with passwords is simply not OK
2. Passwords (to any sites) need to be changed regularly and kept confidential
3. Resist the temptation to ask these types of inappropriate Facebook sites to ‘add’ you as a friend. Others may be watching, including the police.
4. If you come across a site that is defamatory, send a block notice immediately to Facebook
5. Creators of sexually explicit Facebook pages and similar websites can face criminal charges, including stalking.
6. People can be charged for several offences after posting inappropriate information on these sites.
7. All information written on these sites are considered “Public Information”.

The College is doing everything possible to oversee the use of these sites and to ensure the wellbeing and safety of our students. Should parents become aware of inappropriate material regarding either our College or their son/daughter, we ask you to contact the police and please notify us of its existence. If you feel there is a threat to your child’s safety, the police can help. In a life threatening situation and time critical situation, call “000”.

If we all work together on this issue, hopefully we can overcome this destructive, disrespectful and totally unnecessary behaviour of some people. I thank you for your support and understanding in this matter.

Kindest regards,

Tiffany Holt
Acting Principal
