PRINCIPAL’S REPORT from Miss Holt

WOW!! What else can I say? An outstanding night was had at the opening of our annual College Production last night, with a beautiful performance by so many of our talented students of “Thursday’s Child”. Over the past months I have been watching hours and hours of rehearsals by our dedicated performers and musicians, and it has all come together in a truly outstanding display of team work, dedication and talent! I cannot thank enough all those involved, students, staff and parents alike, for their contributions in both preparing for this production and ensuring its smooth operation both last night and over the next three shows. I encourage ALL members of our school community and those within our wider people to take the time to come and see this amazing show of creativity and of our young people and the awesome work of our school as a whole. This is truly yet another moment for our whole school community to be proud of! Well done, and thank you, again, to everyone who has been involved in this musical, it is a HUGE credit to you all! Dates and times of the next three shows can be found inside the newsletter.

As we are only three weeks away from the end of Term 3, I wish to remind parents of some very important dates and events that will be coming up.

Parent/Student/Teacher Interviews
Wednesday 21st September from 12.00 noon to 7.00pm.

Students are required to attend interviews with their parents on this day, therefore, the normal school day will not be occurring. Interview times have increased to 10 minutes each throughout the day and the evening, allowing for a detailed discussion regarding your child’s learning and their progress this year. Students ‘Interim Reports’ will be coming home the week prior to the scheduled interview, and we expect that parents will make interview times to see ALL teachers, whether an interview has been requested or not. Parents will receive further information soon about how to make bookings for interviews. Student/Teacher/Parent interviews are a great way to keep informed and updated about your child’s or children’s progress and we look forward to seeing ALL of our parents at some stage throughout the day and evening.

Information Evening and Subject/Course Selection for students who will be in Years 9 and 10 in 2012
Wednesday 12th October, at 7pm

College Council has approved a number of changes to the way our school will be teaching subjects across Year 7 through to 10 in 2012 and beyond. The College will be holding an Information Evening to explain these changes to both parents and students who are currently in Year 8 and Year 9. This is a very important night and ALL students and parents are expected to attend as we will also be asking students to make their subject selections for 2012 and to begin to also plan their course for the years beyond that. Teachers will be present to assist and counsel students with course selections to ensure that the right subjects are being chosen to support and extend student learning. We also want to ensure that students are selecting the right course for their desired pathway and interests through to their senior years. A detailed letter with all information in relation to this will be sent home with students in the near future.

Uniform - What is appropriate and acceptable and what is not!

Yesterday following our Whole School Assembly, myself and several other teachers spoke at length with all the girls who attend our College. Our discussion was based around what is an appropriate length for their school skirts and dresses, given our respectful “community” environment. Whilst I am not enforcing or asking students to kneel on the floor to measure their skirt/dress length as many of us did a long time ago, I am “requesting” that they and our parents take pride and respect in the fact that we all belong to one community organisation where we must consider the impact of our looks on others. For example, I do not enjoy seeing or wish to see our young men with their school pants or shorts “fashionably” (apparently) hanging below their bottoms with their underwear showing, and I will address this issue ASAP with all male students. Likewise, it is clearly not acceptable that our female students wear their school skirt or dress as a “mini”. Whilst our College can try as hard as possible to address this issue, at the end of the day much of this comes back to parent support. I am asking parents to therefore consider the appropriateness of the length of their daughter’s skirt or dress, or their son presented within our community with his underwear hanging out. How our young
people choose to dress outside of school hours is their responsibility and their parents responsibility. However, during school times, the expectation is that College Uniform will be worn, and worn with dignity, pride and respect for others. I will begin phoning parents should I feel this matter is not sorted in the coming weeks.

Also - SHOES!!!! For our female students, fashion boots with laces untied are NOT school uniform. The very clear message that was also given to our students this week is that these style of boots can be laced correctly under school pants, but are not appropriate or acceptable with a skirt or dress. On this note, as the weather begins to improve, parents are reminded that ballet flats and canvas slip-on’s or canvas sneaker style are also NOT acceptable.

If we all work together on this issue we will soon see great improvement in the presentation of our students which ultimately reflects pride in our great school.

2011 College Magazine
2011 College Magazine- Parents are reminded that if they wish to receive a copy of the 2011 School Magazine, payment of $15.00 must be made before the end of term. If you have already made this payment it will show on your family statement.

2011 Parent Opinion Survey
2011 Parent Opinion Survey – If you have received a Parent Opinion Survey please return the completed form to the office by Monday as it is extremely important to the Future Planning needs of our school.

Holiday opportunities - Years 10, 11 & 12
In the next school holidays many universities will hold events that will give you the chance to see their facilities and get more information about their programs. If you missed OPEN DAYS this is another chance. We will publish notice of these events as they become available.

Hospitality Skills program - University of Ballarat
In the September holidays and again, early in the Christmas holidays, the University of Ballarat are running a four day Hospitality Skills program. Students will learn the fundamental skills in hospitality - basic food and beverage service, coffee making, responsible service of alcohol and food hygiene. They will complete and be assessed in two units (RSA and Food Hygiene), and get hands on experience in coffee making, bar service and waiting on tables.

Students who want to get a job in the hospitality industry, either as a career or just part-time while they study, are encouraged to contact us. By completing this short course, they would certainly gain solid knowledge and skills to give them a head start in gaining employment in the industry.

Year 9 students – work experience 2012
Work Experience in 2012 is 25-29 June. Some Work Experience placements need to be arranged this year. See us next week if you are interested in any of the following placements: Police, zoos, National Gallery, Melbourne Aquarium or laboratories.

Year 12 fine art, design, photography and digital media
Brighton Bay Art Design & Photography program is accepting applications for interviews for 2012 intake. Students apply directly on line @ www.brightonbay.net and an interview time and date will be forwarded.

The Brighton Bay Program is a Victorian Government funded program offering a pathway between secondary and tertiary education in the fields of fine art, design, photography and digital media.

As part of the Brighton Bay Program, students are eligible for the Certificate IV in Design and/or Certificate IV in Visual Arts and Contemporary Craft.

Students will have completed a VCE or an equivalent qualification prior to enrolling at Brighton Bay in a VCAL Senior Extension. This is a great ‘safety net’ course for those wanting to get into a related university course.

But the child that is born on the seventh day
Is fair and wise and leads the way

DSC 2011 PRODUCTION

“Thursday’s Child” by Greg Snape
A Children’s Rights Musical For UNICEF

Synopsis:

Thursday’s Child is a 115 minute (Two Acts) musical theatre production for performance by young people based on the contents of the UN Convention on the Rights of the Child. It follows a group of children who undertake a journey in search of home and happiness, through a land at war with itself. Their journey leads them to encounter situations, which illustrate the worse aspects of life for a child in a vibrant, dramatic, and sometimes, humorous way before the final climactic Courtroom denouement leads to a happy ending for their quest.

Background

The idea behind Thursday’s Child is to get people, especially young people, thinking and talking about vital children's issues and the UN Convention on the Rights of the Child, by watching, and participating in, performances of the musical. Originally commissioned in September 1996 by the UK Committee for UNICEF, the United Nations Children’s Fund, Thursday’s Child was published to mark the tenth anniversary of the UN Convention on the Rights of the Child in 1999.

Inspired by this year’s production, “Thursday’s Child”, our school is supporting the UNICEF day for change project.
Last Thursday we held the DSC Science Show to celebrate science week at lunchtime in A10. Everyone in our school was invited but we also asked our feeder primary schools if they would like to bring some students along. We had quite a crowd and several of our students did an excellent job at presenting a series of spectacular experiments to the audience. The primary students seemed very impressed and asked lots of questions and assisted the presenters. Congratulations to Liam Oliver, Makaeyla Watson, Tim Bull, Jazmin Sabo, Tamekha Develyn and Matilda Woodroffe on their scientific showmanship and thanks to my Year 10 class for helping me prepare for the show. Many thanks also to Ms Kikidopoulos and Robin our Lab Technician for all they did. Robin and the dry ice was a real hit!

Reminder for students to bring their reading material for Silent Reading

Each Wednesday a welcome silence descends on the school for twenty minutes after recess when everybody reads. Students are asked to bring their own reading material which may consist of a book, magazine or newspaper. The aim is to promote reading as a pleasurable and independent activity.

Parents may help the programme succeed by reminding students each Wednesday to take something suitable to read.

Mt. Prospect Junior Tennis
The football season is almost over and finally
the sun is beginning to shine. So it is time to
find the tennis racquets and get out for a hit!
On Wednesday 7th September at 7:30pm
there is a meeting at the clubrooms to
organise teams and how the competition will
run for the 2011/2012 season.
Please come along to this meeting to put
forward your ideas and suggestions. If you
are unable to attend this meeting but have
some ideas please feel free to email these to
Sue Prendergast at: sprendergast@sbdunnstown.catholic.edu.au
or text: 0408 457 266.
It is important that you have contacted your
club delegate so that your child is part of a club
before this meeting; contacts can be
advised by contacting Sue.
In the meantime, dust off your racquets, find
a few tennis balls and get the kids out to start
hitting; it is not long until the
15th October, when the season begins!
