PRINCIPAL’S REPORT
from Miss Holt

Some fabulous things have been occurring around the College since we returned for Term 2.

There have been a variety of excursions, a performance for Year 7 and 8 students “The Golden Heart”, The College Cross Country Carnival, Concert Band Day Workshop with Mr Monte Mumford, the Apprenticeship Expo in Ballarat, VCE Multi-Media, Biology and Drama excursions, and of course the Year 7 and 9 NAPLAN testing. Busy times, but yet a magnificent example of our College’s fabulous extra-curricula programs. College Council also met this week. I was unfortunately unable to attend this meeting and will therefore update parents in our next newsletter.

Items of importance for all parents to please note:
The College is working extra hard to ensure our school is a positive and engaging learning environment for all. Our basic principle is that no students should be disrupted in their learning. It is for this reason I continue to remind parents of the basic within our school that assist us all in providing for a caring and orderly learning environment.

ZERO TOLERANCE:
All parents should have received in the mail this week a letter regarding the schools current approach of Zero Tolerance to students who may be found smoking or who may have been deemed to have bullied another student. I thank parents for their support in addressing this issue amongst a minority of our students.

Parent Email Addresses:
Parents should also have received a letter to confirm their most current email addresses. The College is aiming to communicate with parents via email as much as possible, and to do so we require up to date email addresses. There are often messages we wish to get out to parents in between newsletters, and to ensure these messages make it home, email is a very effective means to communicate these. Could parents please complete the section on the form that was sent home and return this to school as soon as possible. I remind parents that should their contact details change at anytime, could they notify the College with their new details as soon as possible.

Leaving College Grounds:
I remind parents that students are not permitted to leave College grounds at any time during the school day unless they have parent permission to do so and they follow the correct procedure of signing out via the General Office. However, students are not permitted to leave the College for the purpose of purchasing lunch, even with a parent note. The College provides an excellent canteen
that serves a large selection of fresh, nutritious, value for money food. Students who wish to purchase their lunch should do so via the College canteen.

**Jackets and Uniform:**
As students begin to wear jackets to school due to the very cold weather, I remind both students and parents that jackets should be plain black and preferably without a hood. Classrooms are well heated, therefore, jackets should only be worn before and after school, and at recess and lunch times. Students will be asked to remove their jackets when inside a classroom. Hoodies made from fleece material are NOT considered a winter jacket. Students are also not permitted to wear a “hoodie” underneath their College school jumper. Black school shoes should be worn at all times, and leggings are not considered appropriate as school pants. Black fleecy “tracksuit” style pants are also not acceptable. I remind parents of these requirements as I understand that parents may be planning on buying new items for their children as the weather gets colder, and I wish to ensure you purchase items that are approved by the College Council Uniform Policy.

I have written frequently about the culture of our school. In this addition of the newsletter I wish to share with you a real quote from a parent that was shared with me at a recent meeting. The parent made the following comments:

I wish for my Children -

- To be highly effective communicators through literacy and numeracy
- To develop the attitude and personal skills that enable them to seek out and embrace new challenges
- To develop a level of curiosity and scepticism that encourages them to avidly inquire and thereby develop knowledge
- To develop an understanding of the world around them that engenders confidence in themselves
- To respect generations past, present and future
- To value what they have, and be able to distinguish which of those is truly important
- To actively partake in, and contribute to, their community
- To always have reason to love, laugh and smile
- To treasure solitude that enables contemplation of this wondrous world

I could not have stated in any better words exactly what I want for every student that attends Daylesford Secondary College. I hope parents take the time to reflect on these statements, and continue to support our school to deliver exactly this for every one of our students.

**ASSISTANT PRINCIPAL NEWS**

**Transition Day for 2012 Year 7 Students**
The 2012 Transition Day for Year 7 students is next Tuesday 24th May

**Year 7 Immunisation**
Year 7 Immunisations will be held on June 2nd.

**Safe at School**
Message for all Daylesford Secondary College students regarding being safe at school:
While your education is our main focus, student safety is of the utmost importance to us! We are extremely concerned with the unsafe behaviour of ‘planking’ that has been occurring at our College. This current activity is obviously very popular however it has the potential to be very dangerous, in fact fatal! A Queensland man slipped when he tried to ‘plank’ on a 5cm wide balcony railing 7 storeys high last Sunday morning and another young man is in an induced coma with serious head injuries after being thrown from a car he was ‘planking’ on.

Because of this we ask that students do not do this at school. Please note: no student has been suspended for ‘planking’, but students have been suspended for dangerous behaviour and being out of bounds.

We ask that our students act responsibly for their own safety and the safety of others by not being involved in dangerous activities.
We care about our students and we want Daylesford Secondary College to be the best it can possibly be for them. This will take all of us, teachers, students and parents working together helping and supporting each other.

**College Organiser (Diary)**
The Daylesford Secondary College student organiser is a very useful tool. It contains all DSC policies and is easily used as a communication method between teachers, students and parents. If you have not sighted the diary, ask your child to show it to you.
Smoking
Smoking is not permitted on or outside of College grounds. Please refer to the DSC Smoking Policy for further information.

2011 Unit 1 Exam Timetable

- Day 1: Tuesday June 21
- Day 2: Wednesday June 22
- Day 3: Thursday June 23

Please note: The Unit 1 Subject Exam timetable will be published in the next newsletter

Uniform Requirements

Shoes:
School shoes are to be all black or all brown; the entire foot is to be enclosed by the shoe, including the upper section of the foot; the shoe is to have a stout sole and leather uppers; and, the shoe is to have low heels. Under no circumstances can open-toed footwear such as thongs and ballet shoes be worn to school.

Tights: Plain black

Socks: Grey or white.

Pants:
Plain black or grey tailored dress pants. Grey or black long legged tailored dress school shorts. Under no circumstances are leggings to be worn.

Dress/skirt:
School dress or winter skirt in school fabric.

Shirts:
White polo (optional – green and yellow stripes on collar and logo) or green polo with green and yellow stripes on white collar with logo. White shirt with collar or white skivvy.

Tops/Jumpers:
School windcheater or jumper with logo. (Green for Years 7 – 9, black for Years 10 – 12 students).

Jacket and scarf:
A Plain black jacket (length to waist) may be worn over the top of the school jumper or windcheater. Jackets must not have a hood. Plain black scarf.

Hats:
Hats or caps may not be worn inside but should be worn for sun protection in the yard.

Accessories:
Minimum jewellery, ribbons, headbands and makeup. Piercings deemed by staff to be inappropriate or a risk to student safety will be referred to the Principal (Health and Safety Act, Victoria 2004).

PE/Sport:
All students are expected to be changed for all sessions, for health and safety reasons. This includes a school sports top, black shorts, black sports skirt and/or black tracksuit pants or black leggings, a change of white socks and a warm top for winter (preferably same colour as your house). Runners or sneakers (non marking), not school shoes. A plain white long sleeve shirt may be worn under the sports uniform in the cold climate. The PE uniform is compulsory at Daylesford Secondary College.

Foods & Tech Classes:
White apron for foods and blue apron for Tech classes is required.

Blazer:
A black blazer with school logo is available from Lowes (Central Square Shopping Centre, Ballarat). All students will have the option of buying their own, but as this is an expensive item, students who do not have a blazer and who are representing the school at special events will be asked to wear the school blazer supplied by the school.

During term 1 we have provided information regarding uniform. We seek your support in making sure that your child is well organised with their school uniform. As the weather will be colder it is important to note that “hoodies” are not acceptable as school uniform

Homework & Home Study
Make some time to read the Around the Classrooms.

Volunteers – Info Night
Thanks for the help on the Year 7 2012 information night.

Uniform
Please support the College by ensuring your children are in full school uniform. If you have difficulty in providing the uniform please contact the school.

Forum on Cyber safety
We are looking into having a parent’s Cyber safety Forum later in the year, to compliment the college’s cyber safety messages.

Education Tax Rebate
REMINDER – Don’t forget to keep your receipts to claim at the end of the tax year. Most families can claim this rebate for school expenses such as text books, stationery, Internet access and computers. Only half of eligible Australian families are claiming this rebate. Even if you are not required to lodge a tax return you are probably still eligible to claim this rebate. Get back up to $779 per secondary student.

Next Meeting
If you have time help plan the activities of this group, please come to our next meeting on Monday 23rd May – 9:15am in the college’s conference room.

2ND HAND BOOK STALL – MONEY TO BE COLLECTED
If you put any books into the General Office to be sold at last year’s 2nd hand book sale, can you please come into the office to collect the money or unsold books before the end of Term 2 – Friday 1st July 2011.
If you are not sure if you have money or books to collect please ring the office and ask to speak with June.

Hepburn Shire Youth Forum
On the last Tuesday of Term 1, Student Representative Council (SRC) members met with Hepburn Shire Council youth-initiative workers. Our students discussed their ideas and concerns around the provision of employment, education and training and youth spaces/recreation for young people in the Shire. Students developed a list of actions and suggestions during the forum, which all students were then invited to vote on over lunchtime.
This information will be used to assist Hepburn Shire develop it’s youth initiative strategy. Hopefully we will see some of the students’ suggestions become reality over the next 12 months.

The LOTE Department
needs a couple of portable CD players. If you can spare one, and are willing to donate it to our department, we would be very grateful. Please contact the school office on 5348 2367 if you can help, or ask to speak to Maria Mazzitelli or Jenny Penaluna
Bene Grazie!
The Big Science competition is on again!
On June 1st you have the chance to take part in an international competition, a 30 question multiple choice task that will test your science knowledge and your thinking skills. Give your name to your science teacher or see Ms Woodroffe so you get a place, numbers are limited.

KEYS 2 DRIVE

helping parents teach their Learner driver

As a parent you may be a good driver; but being able to teach your Learner is not an easy task.

A recent national survey of more than 1,250 parents of Learner drivers found that almost half (45.5%) were nervous or apprehensive when they began teaching their teen how to drive.

keys2drive is a federally funded program that has been developed by the Australian Automobile Association which aims to take the drama out of learning to drive. It helps parents to prepare for their role as a supervising driver and to ensure that any time spent in the car with their Learner is successful and effective.

keys2drive is a free lesson (involving theory and on-road) delivered by an accredited professional driving instructor to any Learner who is accompanied by their supervising driver – most often a parent.

This program, the single largest Learner driver safety program undertaken in Australia, represents a unique and valuable experience for parents and their Learner drivers.

To register for a free lesson or to learn more, visit www.keys2drive.com.au

The Australian Automobile Association constituent members are the motoring clubs in each State and Territory
