College Anniversary 50 Years in Smith Street

Welcome Come and Join Us Saturday, 22nd October 2011 11am – 5pm

It’s been 50 years since the College moved from Vincent Street to the new site in Smith Street. This celebration will feature photos, videos, food, music and other memorabilia. Current and former students, teachers, staff, parents, friends and community members are all invited to come along and celebrate this important anniversary.

from Miss Holt

Welcome back to everyone for Term 4, the final chapter for 2011! I have said it before, and yet, I will say it again, gosh, how time flies!!! I cannot believe we are just 9 weeks away from the end of the school year, and on that note, Christmas!

We have had a very pleasing start to this term, and I would especially like to thank the 200+ parents, students and siblings who attended our ‘2012 Year 9 and 10- Middle Years Learning Community Information Evening’. The College certainly was not expecting the amazing show of support from our parents that we received on this night, and again, I cannot say “thank you” enough to everyone who came to address their child’s educational needs for 2012 and to learn about our whole school changes for next year. We understand that given the number of people in attendance it presented initially as a difficult evening. Our teachers however, were
delighted with the opportunity to speak with so many parents and students on one occasion and the feedback has been that our parents also greatly appreciated the night. As they say, we never stop learning, and our College has taken on board numerous suggestions of ways we can easily improve on this night next year and into the future. Thank you to those who have given us feedback on this. I am also very excited and delighted by the way our students participated in the evening, deeply engaging in their subject choices and options, and seriously thinking about their future pathways as they planned their future alongside their parents.

On another fabulous positive note, I congratulate the 63 students who received A+ Attendance Awards for Term 3 (equalling either one approved or no absent days for the term), and congratulations to the 19 students who were nominated for and received our College Values Award for Term 3. Please see inside the newsletter for a list of all students who were presented with these accolades! Finally, I congratulate and commend Tom Micklewright-Hill for the “outstanding” folio and actual Coffee Table he designed and created as part of his VET Furnishings Course this Year. Tom’s work was truly to the highest quality, both his building and finishing of the actual product and his documented project that detailed the full process in design and development. Tom has now received an apprenticeship in Building and Construction, and this is testimony to the effort and commitment he made to his planned educational pathway. Well done, Tom, and all the best for the future.

There are several items I wish to advise parents and students of in this week’s newsletter. Please read the following brief information carefully and take note of important dates that are quickly approaching. Please also see our Assistant Principals report for more important dates and events.

2012- Laptop Computers for all Year 11 and 12 Students

- The College, as part of the National Secondary Schools Computer Program, will have a Laptop Computer available for every Year 11 and 12 Student in 2012. The Laptop will be the responsibility of each student during the school year 24 hours a day, 7 days a week. The Laptop becomes the student’s personal computer that can be used at both school and home.

The College will require a $100.00 refundable bond for students to access one of these laptops and students and parents will sign a Contract for Use Agreement. More information will be provided to students and parents in the near future, however, parents should be aware of this in case they were considering purchasing their son or daughter a Laptop or similar in the near future.

“Kick-Start 2012”

Program for ALL students in Years 11 and 12 in 2012 (Senior Learning Community).

“KICK-START 2012” is a new program that all CURRENT Year 10 and 11 students will participate in towards the end of November THIS YEAR. Please see the Assistant Principals Report for relevant dates. “Kick-Start 2012” is the OFFICIAL beginning of the 2012 Senior Program. The Program will run over two weeks - the first week being all current Year 11 students who will “officially” begin their 2012 Year 12 Program, and the second week is for the current Year 10 students who will “officially” begin their 2012 Year 11 Program. COMPULSORY attendance is required at the “Kick-Start” program. All students will be receiving the beginning of their course requirements for 2012 and required assessments will also occur. Again, students will be receiving more information regarding this program in the coming weeks, however, they should note the dates and compulsory requirement to attend immediately.

Raffle Ticket Fundraising Support from Term 3.

- I would like to take this opportunity to thank everyone who supported the College’s fund raising efforts during Term 3 and purchased tickets in our two raffles. The College raised over $2000 from these raffles, a great effort, and we now look forward to distributing these funds into resources for our students. Results of winners from the “Scouts- Our School Raffle” can be found at www.ourschoolraffle.com.au

All the best to our Year 12’s

- A special Assembly will be held next Wednesday to farewell our current Year 12 students as they head off to prepare for their final VCE/VET exams, or venture into the world of
employment. We wish our Year 12’s every success during the approaching exam period and in all their future endeavours. Study hard!!!!

50th Anniversary Celebrations

- Parents and community members are reminded that this Saturday is the celebration of the College’s 50th Anniversary on this site. The College will be open on Saturday from 11.00am to 5.00pm for tours, memorabilia, BBQ lunch and meet and greet. A number of past students and staff will also be attending a function on Saturday evening which will also be a wonderful opportunity to reminisce the years gone by and catch up with friends of the past.

2012-2015 Strategic Plan

- The College is well on the way to completing our first draft of the new Strategic Plan. We are still however working on re-developing our overall VISION, PURPOSE and VALUES. The College will be holding a working session on this soon, and I encourage parents and community members to get involved. Should you have any thoughts or ideas around Vision statements, Purpose statements and Values, please do not hesitate to speak with Mrs. Donna O’Mara from our Family School Partnerships Committee.

ROAD SAFETY AWARENESS PRESENTATION

On Monday 17th October, all Year 9, 10 and 11 students attended a Road Safety Awareness Presentation from John Maher in the College theatre during periods 5 and 6. This presentation focused on two motor vehicle accidents. The first being John’s horrific accident with an inexperienced driver and second focussed on the unfortunate death of his daughter ‘Carmen’ who died in a single vehicle car accident a few years later. Carmen unfortunately fell asleep at the wheel while driving and hit a tree.

The information that John presented to students was very informative and powerful. I hope as a result of students attending this presentation, that they will be more careful on the roads when they get their drivers licence.
LOCKERS
Please make sure your child has a sturdy lock for their locker. A spare key can be left at the general office in case students forget or lose their key.

MIPS & Careers Update

Week 2 Term 4 2011

Year 9 students
We are conducting a full day of Work Experience preparation on Thursday 1st December.
In order to participate in Year 10 Work Experience students need to successfully complete at least two modules of OH&S and we will take all students through the first module (and in some cases the second as well) on 1st December.
We urge all Year 9 students to ensure their attendance on that day so that they will be eligible to do Work Experience. Please note that there will not be another opportunity to do this.
Work Experience Week – 25th to 29th June 2012.

Year 11 students
If you are considering university applications or entrance for Medicine, Dentistry, Physio, Pharmacy, Optometry or Oral Health at either an Australian or New Zealand University at the end of Year 12 – you will probably need to sit the UMAT in 2012.
Any student considering this pathway should see Marg Cattanach or Mrs Barlow next week.

Year 12 students
Year 12 students will be issued with a booklet of information detailing the processes for VTAC change of preference, TAFE applications and employment/apprenticeship applications prior to their last school day. We wish all our students all the very best whether they are pursuing university, TAFE, apprenticeships or employment!

Parents will be interested in the following:

CHANGE OF PREFERENCE
Year 12 students can change VTAC course preferences until 28 Oct, although the process is much more informed once ATAR scores are available (Friday 16 Dec at 7 am) - You can also change your preferences from 28 Nov to Wed 21 Dec. so you have time to change your preferences after receiving your ATAR.
There is no need to change your preferences if you are happy with them; it is usually ill-advised to make major changes in career direction at that stage, even if your ATAR is quite different from what you expected.

WHERE CAN I GET HELP AT CHANGE OF PREFERENCE (COP) TIME?
We ask that students contact us as soon as they have received their ATAR score on Friday 16th December.
Marg and I will be available for interviews or phone calls.

Universities and TAFE Institutes will have staff available til Wed 21 December. Many universities and courses will conduct information sessions during the period Monday 19th, Tuesday 20th and Wednesday 21st so students need to be aware that they may need/wish to travel to one or more of these. Details of contact information will be listed in the booklet mentioned above.

Offers - January 16th
University and TAFE offers are made available on 16th Jan 2012 at 5pm.
Marg and I will be available at school in our office at 10am the following morning. Students will have mobile phone contact details from us if they are not able to come into school – we ask that they do make contact at this time.

CADETSHIPS IN TRANSPORT AND LOGISTICS
- TDT – completion of Year 12 is the only requirement. You will be employed in the transport and logistics industry and be released from work to attend TAFE and complete Cert IV and the Diploma of Logistics in two years.

DEAKIN UNI AND THE GAP YEAR
Deakin’s Gap Year Program enables students to stay connected with Deakin while they are on their gap year. Gap year students can defer studies for up to two years, gain credit for learning that occurred during the Gap year, undertake a transitional unit before returning to full-time study, attend Deakin events and lectures, connect with other Deakin students, access Deakin’s libraries and career counselling services and join Deakin Uni students Association.

Graphics, Art & Photography students
As most Year 12 students who are interested in these areas should know, many students undertake a ‘Year 13’ prior to gaining entry to one of the harder to get into courses. Brighton Bay Art Design & Photography Program is one of the institutions offering a Year 13. Brighton Bay Art Design & Photography Program is interviewing students for 2012 intake now (although this should still be open in January). Students can apply directly for the program by e-mailing their application form from the web site - www.brightonbay.net <http://www.brightonbay.net/> or by ringing the program (03) 9531 9566 for an interview date and time.

UNIVERSITY OF TASMANIA RELOCATION SCHOLARSHIPS
The Law Faculty is offering $5,000 scholarships to eligible interstate students who choose to study law at UTAS commencing in Semester 1, 2012. You must achieve an ATAR of 90 or above.

STUDY JOURNALISM
Social media and the internet have revolutionised the quantities of information generated and shared around the world – but have also heightened the demand for high quality information. Journalism and professional communication courses offer many career opportunities, from reporting roles with traditional media, to production roles in new media, to public relations and communication roles in organisations across the community. La Trobe University’s journalism courses, for example, offer a grounding in the past and current roles of media as well as the practical aspects of content development, with a strong emphasis on industry experience. Each program offers opportunities for internships and work placements. Journalism is offered at many institutions such as RMIT, Deakin, Swinburne, VU and Monash universities. In addition, several TAFE Institutes offer a Diploma in Professional Writing and Editing.

Limited Time Left For Year 8’s To Access Cervical Cancer Vaccine For Free

There is less than 2 months to go for girls in Year 8 to finish their HPV immunisation course free of charge. Once the school year is over, any missed dose of the cervical cancer vaccine will need to be purchased from a GP or other health service provider at a cost of approximately $150 each.

The HPV - or human papillomavirus - vaccine has been provided to girls in Year 7 since 2007 as part of the National Immunisation Program. To get free immunisation in Victoria, girls must commence the course in Year 7 and complete all doses by the end of Year 8. After that time, any missed dose must be paid for.

Ideally all three doses will be given within a 6 month period - 0, 2 and 6 months – however research shows if the second and third doses are given later than planned, the body still responds to the vaccine and makes antibodies which protect against HPV infection. This means it is still beneficial to complete the full three-dose course of the vaccine, even if doses aren't received at the correct intervals.

The HPV vaccine protects against four types of HPV which cause around 70 per cent of cervical cancers. It is important for all girls to complete the full course to ensure the best possible protection against the disease and other HPV-related illnesses.

If your daughter has still not completed the HPV vaccine course, please contact your local health provider as soon as possible. Missed doses can be obtained through public council immunisation sessions and your local GP.

Girls in Year 7 should have received their third and final dosage of the vaccine at school on Thursday the 22 September 2011. Anyone who was absent on the day has been sent a letter advising that they can attend the Hepburn Shire Council’s Public Immunisation Session or at their local GP Practice to finalise their full course of the vaccine.

If you are unsure of your daughter’s immunisation records, contact Hepburn Shire Council’s Environmental Health Office (Year 7 students only) on 5321 6446 or the National HPV Vaccination Program Register (Year 8 students) on 1800 478 734.
If you need more information, visit www.cervicalcancervaccine.org.au. You can also call the Department of Health Immunisation Section on 1300 882 008 or call the Cancer Council Helpline on 13 11 20.
