**ACTING PRINCIPAL TERM 1 2011**

I would like to thank everyone for their support and encouragement during my seven terms as Acting Principal at Daylesford Secondary College. Working as the Acting Principal has been an absolute privilege and our College community can only be impressed by our achievements over the past two years. My wife and I are expecting our second child and I am taking this opportunity to spend more quality time with my young family. I will be returning to my position as the Junior School Assistant Principal in 2011 and am looking forward to some classroom teaching.

I am extremely pleased to announce that Tiffany Holt will be working as the Acting Principal in Term 1 2011. She has been working as the Principal at Kaniva College since 2008 and will help to strengthen the leadership team at our College. Year 7 Humanities –
Reducing our Ecological Footprint
Over the past few weeks we have been looking at the economy and how our economic decisions impact the environment.

One task asked students to calculate their
ecological footprint using a special calculator on the EPA website. After inputting their personal data students are informed how many earths they would consume if everybody lived like they do. We had results varying for 1.6 earths to 4.2 earths – EVERYBODY was using more than their fair share of resources! Students were then asked to create a contract swearing to do 5 things to lower their ecological footprint for 1 week. If they succeeded they were to reward themselves, if they did not they had to come up with a penalty.

We had some great suggestions on ways to lower our footprint including:

- Copy and print on both sides of the paper
- Turn off lights, computers and other appliances when not in use
- Don’t wash dishes with the water running continuously
- Unplug seldom used appliances
- Walk or ride your bike instead of driving, when possible
- Shop with a reusable bag

Some rewards included:

- Watching a favourite movie
- Eating an ENTIRE block of chocolate – WOW!
- Having fun at End of Year Activities

Some penalties included:

- No TV for 3 days
- No mobile phone or IPOD for a week
- No “Black Ops” computer game for 2 days

Let’s get behind these ideas at home and help our Year 7s achieve their goals. Maybe you can even create your own contract for the household with a family reward for achieving your goals!

Green Up – Clean Up Day

As part of our “We can do it” Week, on Wednesday December 8th we intend to hold a Green Up – Clean Up Day

This day is to promote “connectedness” and ownership of the school and its grounds by the students; and to foster a feeling of pride in the school environment. Activities undertaken will be in line with our commitment to the Australian Sustainable Schools Initiative (AUSSI)

Students will be expected to take part in general activities and have acquired sponsorship for their contribution to the success of that day. They will be provided with a free pizza lunch and will be able to claim incentive gifts depending on the value of the sponsorship they obtain.
Students should have returned their form and money by Friday 3rd December. Any late forms must be handed in to the General Office first thing Monday.

We welcome any parental help on that day. Please let the school know in advance so that we can allocate you to a particular group.

The Daylesford Neighbourhood Centre would like to invite any and all community members along to make an appointment for a “hearing” to discuss interest and support for the DEY project. Daylesford Christmas Cheer
Food & Gift Bank

Christmas is a special time for many people but it can also be a difficult time, if you are experiencing financial hardship.

To support local families and individuals over the Christmas period, a special food and gift bank is being established.

Many Hepburn Shire families are currently in this situation. In an effort to offer support to these families over the Christmas period, a Daylesford collective has formed including volunteers from Daylesford Food Share, CAFS, Hepburn Health Services, Daylesford Makers Market and the local SES.

As a group we will be organising a special food and gift bank for those who are in need. We are asking for any donations to go towards this cause, including money, toys, sports equipment, non-perishable food and so on. 100% of donations will go to those in need.

We would be grateful for any contribution that you are able to make and thank you in advance for your generosity.

Please contact Annabelle on 5348 8200 to register your interest or make a donation.

Best Regards,
The Daylesford Christmas Cheer Group
