As we are very quickly approaching the mid-way point for the final term of 2011, the College is currently working hard on all planning arrangements for 2012. Apart from the changes which I have mentioned in previous newsletters, such as our new Junior, Middle and Senior “Learning Community” structures and new subject choices and options for Years 9 and 10 students in 2012, the College will also be seeing a number of staffing changes next year. I look forward to informing our College community of these changes in the coming weeks.

Last week we were fortunate to have Professor David Hopkins (leading educational consultant) and DEECD Grampians Region Assistant Regional Director, Mr. John Cortese, and Regional Network Leader Ms Julie McMahon, visit our school to discuss many aspects around “teaching and learning” and how we are addressing this very complex area in terms of “best-practice” in our school. Our College is currently making very positive steps towards meeting the 21st Century educational needs of young people within our community, and we thank Professor Hopkins, Mr Cortese and Ms McMahon for their time and commitment to our school community and their continued work with us on addressing “continuous school improvement”.

Parents and Students alike are reminded of the following important matters:

1. “Kick Start 2012”. ALL current Year 11 and 10 students will begin their 2012 Program during the final weeks of November, 2011. **COMPULSORY ATTENDANCE** is expected for ALL students as the first pieces of subject assessment requirements and learning tasks will be provided to students. **This is not an “optional” program**, but rather, the official beginning of the 2012 Senior Learning Community.

**REMINDER:**

**DSC Newsletter Emailing Addresses:**

The school newsletter is electronically posted on the school website. If you wish to receive an email alerting you to when the next newsletter is electronically posted then simply go to the school website and click on the “Join our emailing list” link on the left of the screen. If you no longer wish to receive the newsletter then there is an unsubscribe link included in every email that is sent out.
2. **Lunch Time Pass Outs**: Students are **NOT** permitted to contact parents during lunch to seek permission to sign out for the purpose of purchasing their lunch at a venue other than the College. The College provides an excellent and nutritious canteen service to our school community. Parent permission is required in the form of a written note should a student have a “legitimate” reason to leave the College during the course of a school day. The purchase of lunch is **NOT** considered a legitimate reason.

3. **Uniform**: As I have addressed several times, I have high expectations around the way our students present themselves, the same as I have high expectations regarding our school being a quality learning environment for all our students. I am pleased to say that we are making progress with students attending school in correct school uniform according to our College Council Uniform Policy (of which we are currently addressing). I do however, ask parents to support the College in terms of the appropriateness of the length of school skirts/dresses and underwear showing out of the tops of male’s pants. I appreciate that current fashion trends in young people supports these looks, however, respect in presentation in any workplace or learning environment does not support this. I am asking that parents please ensure that their children attend school in uniform where skirt/dress length is “appropriate” and that all underwear remains out of sight!

4. **LAPTOP Computers for ALL 2012 Year 11 and 12 Students**: I remind parents that all students in Year 11 and 12 in 2012 will have the opportunity to access a College Laptop for their personal use 24 hours a day, 7 days a week. Parents should note this if they were considering buying their son/daughter their own device in the lead up to Christmas. We will inform parents of the details closer towards the end of the school year.

I wish to express my thanks to the following people for their extended efforts towards providing recent and upcoming quality learning and teaching opportunities for our students:

1. Ms Sarah Dowell who arranged a fabulous excursion to Barwon prison this week for our Year 11 student at very short notice. The students have reported how fantastic this opportunity was.
2. Mrs. Woodroffe for her planning and organisation around the upcoming “Triple R Day - Reduce, Reuse, Recycle” on Friday November 11th. Many fabulous activities will be occurring within the College throughout the day, one of which will include a very entertaining and thought provoking presentation from Mr. Rod Quantok.
3. Ms Susan Verbyla who will be watching and assisting with pride tonight as our VET Music Students perform at the Palais in Hepburn from 7.00pm. I encourage members of our community to go along and see this outstanding display of student talent. Further music performances from a variety of our music students will include a Family concert on Thursday 24th November in the College Theatre from 7.30pm (all welcome to attend) and a Gig at the Old Hepburn Hotel on Friday 25th November.

Finally, our Year 12’s began their end of year exams yesterday. Thank you to Mr. White and all who assisted as we had to change the venue at the last minute! I am pleased to say our students reported that the English exam went well, and I am delighted to see so many of our Year 12’s still attending school to work with their teacher’s in preparation for their upcoming exams. Well done to you all, all the best over the coming weeks 😊

Mental Health is Everybody’s Business

1 in 4 young people under the age of 25 will experience a mental health concern over any 12 month period. Many families will be touched by this statistic at some stage. The Child and Youth Mental Health Redesign Demonstration Project is a state funded demonstration project that aims to improve the ways that children and young people receive mental health services. Consultation and conversation with those people who support a young person experiencing a mental health concern is crucial to the relevance and success of these changes.

If you have something to say, as a parent, grandparent, guardian or care-giver of a young person, you are invited to attend a ‘Community Conversation’ on the 15th of November.

Please contact Courtney on 5358 7589 for more information or to register your interest. Discussion will be relaxed and will run for approximately 2 hours with catering and refreshments provided.
