PRINCIPAL’S REPORT

HORTICULTURE & FARMLAND AREA
Our College has strategically developed a horticulture and farmland area in recent years. In this area we have ample tank water storage, there is a modern irrigation system, a hot house, new fencing, vegetable crops, a wood fired pizza oven, outdoor classroom, horticulture shed and an orchard. This area is acknowledged as a tremendous asset and aims to help students to develop skills for employment opportunities and lifelong learning. Our College is in need of some assistance to help realise the potential of our farmland and horticulture area. If you could offer some time and support with regards to brush-cutting, earthmoving, tree maintenance and rotary hoeing then please get in contact with Karen Russ or myself. Your support would be greatly appreciated.

SUNSMART
The warmer months of the year are now upon us and it is important that we continue to protect ourselves against the harshness of the sun. The following four SunSmart steps are recommended:
- slop on sunscreen (available at the office)
- slap on a hat when you are outdoors
- seek shade
- slide on sunshades
The draft DSC SunSmart Policy is currently being reviewed. Please visit: www.daylesfordsc.vic.edu.au/school-policies to view the draft policy. Please provide any feedback to Phil White, Carol Gleeson or Marg Cattanach by Wednesday 24 November.

50TH ANNIVERSARY OF DSC ON SMITH STREET SITE
The first meeting of the organising committee for the 50th anniversary of DSC being located at the Smith street site was held on Wednesday 13 October. The organising committee is putting together a program for this anniversary which is to be held in October 2011. If you have any memorabilia which you would like to display at this milestone event please contact myself at the College. Our next meeting is to commence at 6.30pm on Wednesday 17 November in our conference room and you are more than welcome to attend.

COLES SPORTS FOR SCHOOLS PROMOTION
If you have any Coles Sports for Schools vouchers then please drop them off to the school by Tuesday 9th November. This promotion has been well supported and the College will no doubt benefit from your efforts.

JUNIOR SCHOOL NEWS

YEAR 8 & 9 2011

To save paper the 2011 Year 8 & 9 handbooks will not be distributed this year in hard copy. They are available on the school website: www.daylesfordsc.vic.edu.au. Learning Rotation preference sheets have been distributed to Year 7 and 8 students and many students have returned their forms. The data has been entered and we are now deciding on the Learning Rotation subjects that will run in 2011. Students will be placed into subjects according to their preference sheet. If your child has not returned their preference sheet they can still do so.

PRIMARY SCHOOL VISITS

Transition visits to grade 6 students who are attending Daylesford Secondary College in Year 7 2011 are now complete. Transition packs were distributed and the grade 6 students had the opportunity to ask questions about orientation day and what it will be like to be a Daylesford Secondary College student.

TERM 4 CLASSES

Now that Year 12 students have finished with formal classes it is important to remember that the end of the term for the rest of the school is still many weeks away and that all students need to keep applying themselves. This means bringing all the required equipment/books etc to all classes, completing all set tasks and trying their hardest.

UNIFORM

I would like to remind students that they are not to wear hooded tops at school. Even though they do keep students warm during the colder months of the year they are not part of the agreed school uniform policy. Now that the weather is getting warmer hooded tops are not needed at all. If students do not have the correct uniform they will be asked to surrender the non uniform item (hooded top) and will be offered a loan of the accepted school jumper. Junior students are to wear the green school jumper and if need be a plain black jacket can be worn over the green school jumper. Jackets are not to be worn inside.

Let’s aim for great attendance in 2010!
Missing school is an easy way for your child to be disadvantaged. It is of utmost importance for your child to be at school every day of term, unless they have a really significant reason for being at home. Let’s aim to improve the individual attendance of every child at Daylesford Secondary College for 2010. “It’s Not OK To Be Away!” (P.S don’t forget to inform the College if your child is absent. We have a duty of care to know where your child is if they are supposed to be at school.)

LIBRARY BOOKS

Ms Arndt and Mrs Olver on Wednesdays
Mrs Barlow, Mr Pethica, Mr Geddes and Mr Nettleton on Thursdays

Any Year 12’s who wish to sell their Tinspire calculator when they have completed their exams should see their teacher or Ms Arndt.
