Yes! to Daylesford Secondary College
$10m Rebuild

Wonderful News - Oscar, Evelyn and Marlon, the school and the broader community celebrate the great news we have been waiting for.

COMING EVENTS
Grade 5 & 6 Transition Day for Year 7 2016 – 21 May
House Cross Country - 20 May & Eureka Cross Country 27 May
Concert Band Music Camp 28 - 29 May.
Wonderful News

Yes, this is the announcement we have been waiting for. Earlier this week the State Government announced that Daylesford Secondary College will receive its promised $10 million Stage 2 building upgrade. This is wonderful news for the school and the broader community. It shows the commitment the government has to education in the Hepburn Shire and recognises the needs this College has in terms of quality facilities. The announcement also acknowledges the hard work by the parents and the community to convince the government that the school needs a significant injection of funds to raise the facilities to 21st century learning standard. This funding will enable the College to undertake Stage 2 of the rebuilding program. The details have yet to be finalised however there will be a new food technology centre, new amenities for the students, demolition of the old, decaying buildings and replacement with modern, state-of-the-art facilities and learning spaces.

I would like to acknowledge the work of the parent group emanating from Daylesford Primary School last year, the work of Lorraine Hayes, immediate past president of the Daylesford Secondary College Council, College school councillors, staff and the broader community for supporting the campaign to access the rebuilding fund. I would also like to acknowledge the work of the local member of parliament, Mary-Anne Thomas MP, for her support and advocacy for this funding to upgrade our school.

Now that the funding has been announced Daylesford Secondary College Council can confidently press ahead with plans for the stage 2 rebuild and hopefully have the work ‘shovel-ready’ later this year.

Musical Showcase

This past week has been a time of showcasing the musical talents of our students. Every lunch time there have been musical items presented by solos, groups, bands, orchestras all from students in our musical program. Lunchtime music sessions have dominated, capped off by a soiree last Thursday evening for parents then our VET students showcasing their talents at the Hepburn Hotel on Sunday night. There is no doubt we have many keen students who work hard to hone their musical skills whether it
be mastering instruments or singing. Well done to the students who took on the challenge to perform in public. Congratulations, also, to our music department who provide the tuition and support and who constantly work hard to craft the talents of our students.

**Last Chance to Have Your Say**

Last week a text message was sent home inviting parents to have their say on important areas of our school. Questions revolved around transition, the homegroup structure, student achievement, homework and communication. The online survey is still open and will close this Sunday night at 10pm. There is a link on the homepage of our website for you to access the survey.

The survey is part of our school self-evaluation and the results, along with details and comments gained from the parent focus groups, will be added to the information we are gathering for our in-depth self-evaluation.

**School Uniform**

We are becoming increasingly concerned at the growing number of students who are out of school uniform. As noted in our previous newsletter, school council has reconvened its uniform committee to look at issues surrounding the uniform. The subcommittee will make recommendations to council as soon as possible. In the meantime, it is expected that students wear the approved school uniform or, if for some reason they are out of uniform, a note is provided from home explaining the reason. Students out of uniform must report to the registration desk in B-Block before school each morning to get a uniform pass. See notes later on in this newsletter for clothing which is not acceptable and doesn’t meet our school uniform guidelines.

**COLLEGE NOTICES**

**NAPLAN 2015**

The National Assessment Program – Literacy and Numeracy (NAPLAN) 2015 for Years 3, 5, 7 and 9 students will be held on Tuesday 12 May, Wednesday 13 May and Thursday 14 May 2015. NAPLAN tests assess student knowledge and skills in Writing, Reading, Language Conventions (spelling, grammar and punctuation) and Numeracy. The results of the tests provide information for students, parents, teachers and principals which can be used to improve student achievement.

All students are expected to participate in the NAPLAN tests. During test week, catch-up tests will be available for individual students who are absent on test days. These students may undertake catch-up tests on the days in the test week after the scheduled test, up to and including Friday 15 May 2015.

Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents and carers in consultation with the Principal. Please contact the relevant Learning Community Managers or Special Needs Coordinator, Angelica Violante, if you wish to discuss this option. If, after consultation, you decide to withdraw your child, you must sign a Student Withdrawal form. These forms are available from the school. Later in the year you will receive your child’s personal NAPLAN report. The report will describe your child’s particular skills in Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy. The report will also show how your child performed in relation to national minimum standards. These describe the minimum acceptable standards for students across Australia. For more information about the tests, please visit the VCAA website at www.vcaa.vic.edu.au or the NAP website at www.nap.edu.au

**2016 Year 7 Transition Day**

**Reminder: Grade 5/6 Transition Day 21st May**

Daylesford Secondary College’s Transition Day will be held on the 21st of May and all current Grade 5 and 6 students are invited to attend. On this day, your child will experience high school life, meet their prospective teachers and enjoy a range of subjects.

If your child will be attending, please notify their current Grade 5/6 teacher, who will then pass the information on to the College.

On the day, students will meet in the Theatre at 9:00am. A formal invitation will be provided through local Primary Schools and will be available from the office closer to the day. Please note: Current Year 9 and 10 students will not be in attendance on Transition Day.

**School Uniform**

The following items are not acceptable uniform:

- Hoodies
- T-shirts
- Grey shorts
- Black tights/skins without a dress
- Black track pants except for physical education.

**Fab Food Day in the School Canteen**

Thursday 28 May is a special day for Daylesford Secondary College. The “Fab Food Day” is a chance for students to experience awesome food cooked by two outstanding local chefs; Christian Reuther’s from The Boathouse Cafe and Kylie Himmerman of Verde Providores.

The Daylesford area has a reputation for its wide range of food options. This Hepburn Health Service initiative aims to provide students with a unique opportunity to sample some of the best and most delicious local cooking at normal canteen prices.

**Order form is attached at the end of the newsletter.**

Stay tuned for the release of the official menu in a School Newsletter closer to the date.

*Hepburn Health Service would like to thank to Peppers Mineral Springs Resort and Verde Providores for supporting this project.*

**BEYONDBLUE - Guide to Youth Suicide Prevention**

Beyondblue have released a Family & Friends Guide to Youth Suicide Prevention. Most suicidal young people don’t want to die, they are usually experiencing extreme distress and/or unbearable pain and can’t think of another way to cope. With support they can find better ways to manage their distress and get through the crisis. The link below will give you access to information about self-harm, anxiety and depression in youth, accessing help services as well as a short informative video on suicide. The video gives examples of what to ask. It is important to note that discussing suicide with youth does not invoke them to have self-harm or suicidal thoughts.

**Body Confident Children & Teens - FREE Information Session for Parents**

**What:** Every year, since its inclusion in 2006, body image has been one of the top three areas of personal concern for young people. The following information flyer for parents, guardians and family members with boys and girls of school age, is about an interactive presentation coming up 20th May, that aims to equip parents with knowledge, information and tips to better support their child’s and/or teen’s body confidence during puberty and adolescence at home.

**Topics covered include:**

- Background on body image and importance of prevention
- Brief overview of eating and body related issues and warning signs
- Key influences on body confidence
- Importance of role modeling positive body image and healthy behaviours
- Understanding ‘Fat Talk’ and handling ‘stuff’ they say
- Awareness around behaviours that increase or decrease body satisfaction
- Referral and support information

A representative from Ballarat Community Health will be available to provide specific information on local services.

Please note parents must RSVP by 13th May.
Date: Wednesday 20th May
Time: 7pm-8.30pm
Venue: Ballarat Community Health Centre
12 Lilburne Street, Lucas 3350
Cost: FREE (bookings are essential and close Wednesday 13th May.)

**Youth Medical & Wellbeing Centre**

**Logo & Nickname Competitions**

Dear Daylesford Secondary College students,

Hepburn Health Service is conducting a competition to come up with 2 things:

1. A logo for the Youth Medical and Wellbeing Centre. 1st Prize: $200 JB HIFI voucher donated by Hepburn Health Service.

2. A ‘Nickname’ for the Youth Medical and Wellbeing Centre. 1st Prize: TEAC Audio System Stereo Compact Radio valued at $169.00 donated by Daylesford Mitre 10.

The **Youth Medical and Wellbeing Centre** provides a FREE and CONFIDENTIAL medical service for Daylesford Secondary College students with a General Practitioner and Youth Counsellor in attendance.

The centre is housed in The ARC building and will operate between 1pm and 3 pm on Monday's during school terms. Students can attend for any health issue including symptoms of cold and flu, headache, gastro-intestinal problems, mental health concerns and reproductive health issues.

Hepburn Health Service and Springs Medical Centre also plan to do some education sessions at the centre on a range of issues of particular interest to young people such as oral health, respectful relationships, sexual health and risk behaviours associated with drug and alcohol use.

The logo should reflect your view of what it means to be healthy and active both in mind and body.

All students are invited to enter the competition.

**Entries close at 5 pm on Friday 29th May.**

Entries should be sent via email to Karina Brooks at karinab@hhs.vic.gov.au or delivered to the Daylesford Community Health Centre addressed to Karina Brooks Youth Alcohol and Other Drug Worker.
Special Breakfast - Thank You to Daylesford Junior Football & Netball Club

Thank you to the Daylesford Junior Football and Netball Club for providing a bacon and egg breakfast for the school community on 21st April. This was much appreciated by students and staff.

Students and staff enjoying and appreciating A Delicious Hot Breakfast.

Thank You
Student Wellbeing Team

Sports/PE/Outdoor Education

The Eureka Athletics were held at Llanberris Reserve on Friday 17th April. Outstanding performers for DSC were:

- Tom Henderson 1st 14 400m
- Aidan Maio 1st 14 100m
- Caitlin May 1st 15 Discus
- Jordy Barnes 1st 16 Javelin
- Jackson Franklin 1st 17 Shot Put
- Eve Stockfeld 2nd 15 1500m

All of these students now progress to the Greater Western Region Athletics in October.

We wish them all the very best.
Martyn Nettleton, Sports Co-ordinator.

Design & Technology

Reminder: LOGO DESIGN COMPETITION FOR STUDENTS

The Blackwood Mineral Springs Holiday Park, located in the Wombat State Forest, is conducting a competition for students to develop a business logo.

It needs to be fairly simple as they want to embroider it onto their shirts and it needs to feature the words ‘Blackwood Mineral Springs Holiday Park’. Otherwise it’s up to you to decide how it should look, so be creative and get designing!

The winning logo design will receive the choice of a $250 voucher that can be used for camping at the Caravan Park OR a $100 iTunes card.

Entries close on Friday May 22nd. Ms James will be collecting entries in the Viscom room, or you can email them to james.amelia.a@edumail.vic.gov.au

Good luck!

Year 11 Exams

Exams for Unit 1 Subjects

Exams for Unit 1 subjects will be held on Friday 5th, Tuesday 9th and Thursday 11th June. Students studying a Unit 1 subject will receive a letter containing more detailed information about the exams in the coming weeks.

If you have any questions, please do not hesitate to contact the school.
Science

Biology Student Experiment - Gene Technology

At the end of April the Biology Unit 3 students had the opportunity to take part in an activity organised by GTAC (Gene Technology Access Centre) in Melbourne. By means of our PolyCom video unit, we performed an experiment that determined the immunity level of three horses against the Hendra virus. The students were able to interact with the presenter and use the equipment that was provided. It gave them an insight to a practical application of immunity research and they all seemed to like the clear explanations of a very complex subject.

DSC’s Green Team

Would you like to make a difference at your school? Would you like to be green? Would you like to work in a team to get things done? Would you like to reduce our carbon footprint? Would you like to reduce waste?

If you answer YES to most of the questions above then you should be part of DSC’s Green Team !!!!

See Ms Taylor or Ms Woodroofe for more details

Bachelor of Science/Bachelor or Music
At Monash University you can now combine your passion for music with a solid foundation in the sciences with this new double degree. There is a wonderful synergy between the passion for creating music and a love of scientific knowledge. Choosing between the two can be difficult, so why not consider making the most of your talents and study both music and science in a double degree. Physics, maths and music are related to the art and science of acoustics, however their links are much more extensive. The latest developments in physics, psychology, human biology, materials science, information science and statistical analysis all give us new answers to ancient questions about music – what it is, why we make it, how we make it, why we listen to it and how it is changing.

Research into the possibilities of music is ongoing, creating new jobs dedicated to the many effects of music, music perception and the performance and technical underpinnings of instruments. Alternatively, you could combine your knowledge of physics, mathematics and computing to become a sound engineer.
