JUNIOR SCHOOL NEWS

YEAR 8 & 9 2011

To save paper the 2011 Year 8 & 9 handbooks will not be distributed this year in hard copy. They are available on the school website: www.daylesfordsc.vic.edu.au.

Learning Rotation preference sheets will be distributed to Year 7 and 8 students next week. The preference sheets must be filled in, signed by a parent/guardian and returned to the general office by Friday 15 October. Please note that this information is required to determine which Learning Rotation subjects run in 2011.

YEAR 8 PROGRESS

We are currently conducting interviews with Year 8 students with a view of gaining an understanding of their learning and the direction they wish to take as they prepare for Year 9. The interviews aim to reinforce the College’s expectations of students to perform at their best and to make the most of the learning opportunities provided. Parents are encouraged to contact the school or directly contact teachers to discuss their child’s progress.

PRIMARY SCHOOL VISITS

Mr Gooding will be visiting all of our feeder primary schools during the week commencing Monday 25th October. He will answer any questions that current Grade 6 students may have with regard to the orientation day and to provide some insight into what it will be like to be a Daylesford Secondary College student.

YEAR 7 MELBOURNE MUSEUM AND IMAX EXCURSION

The Year 7 excursion to the Melbourne Museum and IMAX which took place towards the end of last term was a huge success despite students not being able to roam freely in the museum and a minor hiccup at IMAX. After wandering through the rainforest exhibit students spent an hour in the Bunjilaka gallery where they learnt about ongoing debates in relation to Indigenous knowledge, law and property in Australia, the history of the Koori people and Aboriginal activism in Australia.

The highlight of the day for many students appeared to be the lunch break in a nearby park where students thoroughly enjoyed running around the play ground; however the documentary, Greece – Secrets of the Past, was fascinating and students were able to add to their knowledge of Ancient Greece in preparation for their Humanities assessment tasks which will occur early this term. Thank you to the staff who accompanied us on this excursion, in particular Wendy Harris who organised the entire day.

Let’s aim for great attendance in 2010!

Missing school is an easy way for your child to be disadvantaged. It’s of utmost importance for your child to be at school every day of term, unless they have a really significant reason for being at home. Let’s aim to improve the individual attendance of every child at Daylesford Secondary College for 2010. ‘It’s Not OK To Be Away!’ (P.S don’t forget to inform the College if your child is absent. We have a duty of care to know where your child is if they are supposed to be at school.)

**MIPS & Careers Update**

**Week 1 Term 4 2010 Edition 18**

**Year 12 students**
Students should put aside their concerns about applying for courses at this time and focus on their exam preparations (exceptions – students who have extra requirements such as auditions/folios/selection activities).

Students should note in their diaries that COP (Change of Preference) for course applications will happen at the time ATAR scores become available (13th December – 7am from website service or 14th December via mail). We would like to have contact with all students who are applying through VTAC (or interstate) at that time. Please note that all universities and some TAFES will conduct ‘COP’ information sessions in that week. Times and details will be available in our office or at each institution’s website.

**Graphics, Art & Photography students**
As most Year 12 students who are interested in these areas should know, many students undertake a ‘Year 13’ prior to gaining entry to one of the harder to get into courses. Brighton Bay Art Design
& Photography Program is one of the institutions offering a Year 13.
Brighton Bay Art Design & Photography Program is interviewing students for 2011 intake now (although this should still be open in January). Students can apply directly for the program by e-mailing their application form from the web site - www.brightonbay.net <http://www.brightonbay.net/> or by ringing the program 9531 9566 for an interview date and time. Interviews start in mid November onwards. The 2010 Brighton Bay Art Design & Photography Graduate Exhibition will be held on November 5th and going through to November 7th.

Interested in an Electrical Apprenticeship?
For more than 25 years, NECA on behalf of the electrical contracting industry, has been conducting a pre-selection assessment for students interested in an electrical career.

The assessment is highly regarded by employers in the industry as it provides one common assessment of all candidates from an industry standpoint.

A successful result in the assessment will enhance the entry prospects of those interested in electrical apprenticeships. Applicants who successfully undertake the assessment can provide employers with evidence that the applicant has the potential to successfully complete an electrical apprenticeship, particularly the off-the-job or TAFE component of the apprenticeship.

The results of the Apprenticeship Pre-Selection Assessment are circulated to prospective employers by NECA).

These prospective employers will make contact directly with those candidates they wish to interview. There are no guarantees that you will be invited to an interview.
The Apprenticeship Pre-Selection Assessment is held in October each year.

University of Ballarat
UB’s Food Science and Technology department are holding an information session on their 2011 courses on Monday 25th October between 6 and 7pm at Lecture theatre, Brewery Building SMB Campus (more information – 53278021)

Their courses include:
- Certificate 4 in Food Science & Technology
- Certificate 4 in Fire Technology
- Certificates in Public Safety
- Diploma of Laboratory Technology

TAFE Fees
There have been changes to TAFE fees over the last couple of years. The situation is different for people under and over 20 years old. The Victorian Training Guarantee is making vocational education and training more accessible to people who do not hold a post-school qualification, or who want to gain a higher-level qualification than they already hold.

There are now an unlimited number of government subsidised training places available to people who meet the eligibility criteria.

If you are under 20 on 1st January 2011, you are eligible for a Government subsidised TAFE place (this is called the Victorian Government Guarantee). The government will pay most of your fees but you will still be responsible for some part of these. There may also be additional services and or materials fees.

If you are aged 20 years or over (on 1 January in the year in which the course commences) Government subsidised places will only be available to you under certain circumstances - enrolling in a qualification higher than the highest qualification you already hold – or a Foundation level course.

University Fees
See http://www.goingtouni.gov.au/ for information on fees, loans and scholarships (and lots more).
