**Principal’s News - Mr Graeme Holmes**

**Student Reports**

From time to time you may have heard mention of the three As – attendance, attitude and achievement. Now, just as the mid-year reports are about to be released, is a perfect time to use these three as a lens for your child’s semester one performance. When you receive the report, whether it be on-line or hard copy, check these three.

**Attendance**

What has been the attendance of my child?

If it is 100%, then congratulations. If it is below 95% (about 5 days absent for the semester), then start worrying and if below 90% (about 10 days) then there is an issue which needs to be addressed unless extenuating circumstances prevail.

**Attitude**

What has been the attitude of your child towards the subject?

The answer to this can be found in the ‘Work Habits’ section as well as embedded in the teacher comments. Very Good to Excellent is what you should be reading in this section as well as liberal comments interspersed throughout the teacher comments indicating the student’s attitude towards the content, their work and their ability to cooperate with others in a positive learning environment.

**Achievement**

What progress has my child made towards mastering the content and skills embedded in the curriculum this semester?

You will find the answer to this in two locations on each of the curriculum reports as well as on the ‘dot point’ page at the start of the report. On the curriculum report you will see your child’s achievement for each of the assessment tasks. Look for an ‘A’, a ‘B’ or a ‘C’ for each of these tasks. At the bottom of the page, look for an ‘S’ in the overall result for the unit. Finally, in order to gauge how well your child is progressing relative to other students, check out the dot points on the summary page. This will show the extent of progress for the six months (hollow dot is the starting point, black dot is current achievement) and indicates achievement relative to the appropriate year level.

**New School Buildings**

Some minor changes have been made to the layout of the rooms for the proposed new buildings. Meanwhile, preparation work continues with the removal of old underground tanks which are not required for the new buildings. Preliminary work is also underway for all of the electrical, plumbing and gas supplies.

Architect Michael Taylor visited earlier this week to commence working with landscape designers Marcus and Carolyn on the layout of our new outdoor spaces. They met with students Ceilidh Watten and Mason Daley who provided insights as to what students would like to see incorporated into the landscaping. Marcus presented many wonderful ideas and possibilities for design features linked in to the new layout of the school. Work will continue on the landscaping plan over the coming months.

Principal’s report continues/pg 3.
STUDENT MID-YEAR REPORTS
Will be available online – Xuno from Friday, 24 June. Hardcopies will be available upon request

TERM HOLIDAYS
commence 27 June to 8 July
Perfect time to relax and reflect on ‘The 3 As’ – Attendance, Attitude and Achievement

DSC Fund Raising
At the Farmers Arms Hotel
Friday evenings raffle sessions
There will be three more Friday nights raffle sessions culminating in a raffle and giant auction. DSC appreciates and thanks the Farmers Arms Hotel and the community for their support.

Year 10 Work Experience Program
Commences 20th June to 24th June
Principal’s report continued….

**Fund Raising Initiatives**
A further fire fundraiser was held last weekend when a group of past students came together to hold an evening of music to support our school. A special thanks to all involved in this event. Meanwhile, the fundraising continues through Friday evening raffle sessions at the Farmers Arms Hotel. The owners of the Farmers Arms have generously decided to donate the proceeds of the Friday night raffles throughout June towards our fire fundraising initiatives. The first was held last week and there will be three more Friday night sessions culminating in a raffle and giant auction.

**Leave**
I will be taking leave during the first two weeks of term 3. Steve MacPhail will be acting principal during my absence.

---

**Uniform Expectations**
A **REMINDER** that **under no circumstances** are students allowed to wear hoodies, or any item of clothing with a hood on it, during school time. Even with a note from home hoodies are not allowed. Any student wearing one will receive a lunch detention and will also be required to take it off immediately.

**Electronic Cigarettes and Vaporisers**
A small number of students are bringing these to school and using them during school time. We have made it clear to all our students that electronic cigarettes and vaporisers will be treated just like normal cigarettes. Hence if a student is found with one at school they will be required to hand it over immediately and they will also receive a lunch detention. They will also be required to participate in a smoking awareness program run by the school nurse.  

Mr Steve MacPhail – Assistant Principal

**Humanities**

**Coming up soon - Year 8 - Medieval History – visit to Kryal Castle**
As part of the Year 8 Humanities investigation into Medieval History, students will get as close as they can to experiencing the era of Knights and Chivalry, with a visit to Kryal Castle. This all-day, action packed excursion will be conducted on June 21\textsuperscript{st}, 2016 and will cost $30.00.
Science

Last term, the Year 11 Physics and Chemistry classes travelled to Bacchus Marsh and spent a day at Ecolinc.

Ecolinc is a Science Specialist Centre focusing on the development and delivery of innovative educational programs addressing environmental sustainability.

The physics students’ focus was on thermodynamics addressing the movement of heat within an overarching theme of sustainable living.

The highlight was experimenting with thermal imaging cameras. The dark blue is cold and the dark red is hot.

In this shot you can see a normal photo and a thermal image of Sam after she held an ice cube on her forehead for as long as she could stand it.

It was a most enjoyable and inexpensive day away from the classroom. Thanks to Mr Grisdale and Ms Violante for organising the trip.'

SPORT

GREATER WESTERN REGION CROSS COUNTRY

Congratulations to the following students on their efforts in the Greater Western Region Cross Country in Warrnambool last week.

12 Age - Olivia Leonard 18th
Carly Elderfield 36th
13 Age - Holly Hartnup 50th
14 Age - Anna Santurini 5th
Chloe Leonard 21st
15 Age - Katie Dwyer 52nd
16 Age - Eve Stockfeld 12th

SRC - (Student Representative Council)

‘The Student Representative Council is the Voice for DSC Students’

If you have an idea or an issue that you think will improve or effects our school community, join SRC. Anyone can come along! Meetings are held regularly, in C1.

Lola Jackson - SRC Representative.

SRC Calendar Term 2

Last meeting for term 2 is on 23 June - Executive Meeting
DSC Senior Ball
is taking place on
Thursday 11th of August.

“Insights & Inspiring” Quotes

- Great things are not something accidental, but must certainly be willed. Vincent van Gogh – 1853-1890 - Artist

- Believe there is a great power silently working all things for good, behave yourself and never mind the rest. Beatrix Potter 1866-1943 Author and Illustrator

- A difficult time can be more readily endured if we retain the conviction that our existence holds a purpose - a cause to pursue, a person to love, a goal to achieve. - John Maxwell – Author and Speaker

The AUSTSWIM courses at Ballarat Aquatic and Lifestyle Centre on Saturday 18th and Sunday 19th June and on the 8th and 9th of October.

There is now a Recognised Prior Learning (RPL) process for AUSTSWIM Teachers whose Licence has expired. They are only required to attend day 1 of the AUSTSWIM Teacher of Swimming and Water Safety Course and complete the post course requirements. This will then renew their AUSTSWIM Licence for three years and for the reduced price of $345.00.

For any enquiries or to enrol we can be contacted on 03 9870 4496 or vic@austswim.com.au
Daylesford Neighbourhood House – What’s Happening in Term 2

About us

Located in Daylesford's Old Court House, this Centre is a non-profit organisation that provides space for community groups and offers a wide variety of courses and activities.

Some are subsidised by the State Government or by funding from other sources.

All courses are catered according to later fees, supplies, administration time and Centre costs. As each course has a different price, costs are kept as low as possible.

We encourage 5% value community participation. If you have any ideas for courses or have a skill or talent you would like to teach, please contact us.

Courses with an * indicate a Victorian Government-funded course.

How to Register for a Class

1. Email daylesford@ourneighbourhood.org.au or call 03 5348 3569.
2. Email details as classes with insufficient numbers will be cancelled.
3. Term fees are to be paid with enrolment by cash or EFT. Payment is required prior to class starting.
4. If a course is cancelled, your fee will be refunded.
5. Check the time and location of your courses at the time of enrolment.

Daylesford Neighbourhood Centre Inc. ABN 51 523 232 825 inc. No. A0025887
