---

Congratulations and thanks to all students, teachers and support staff for taking on board the many changes that we have implemented at the start of this year!

Welcome to the new Year 7 students & students in other year levels, who have settled in so well.

### New Teachers & Support Staff

We welcome to the college the following new teachers & support staff - Mr Michael Sayn (Woodwork), Mrs Elizabeth Betts (English/Humanities), Ms Natalie Lawler (Maths/Science), Ms Angelica Violante (Maths/Science), Ms Sylvia Nevistic (Technology), Mr Gavin Dent (ICT Support) & Ms Tab McKechnie (Science Lab Technician). We are very fortunate to have such wonderful teachers & support staff to join our dedicated team.

### Middle & Senior Learning Community Spaces

We are delighted with the extensive renovation work that occurred over the holiday period, creating our new Middle & Senior Learning Community Spaces. I sincerely thank those that assisted at our working bee in January, especially Tony Mifsud & Jody Wallace Painting (our builder & painters) who managed to complete such quality work ready for school to begin last week - A great job guys, thank you!

I have been overjoyed since school has returned to see our students actively engaged in their learning as I visit our classrooms, and to see them wearing our College Uniform with pride whilst respecting our College grounds by ensuring their rubbish goes into the bins!

This is a wonderful start to 2012 and we must keep this up as the year continues. Thank you also to our parents for ensuring that your child or children are meeting our College expectations & requirements.

### New Electronic Roll Marking & Student Management System

The College has introduced a new electronic roll marking & student management system. In the future, when the need arises, this system will allow the college to send short alerts to parents via SMS text message. For example, when there is an unexplained absence, early closure of the school due to a power outage & important events such as the College Swimming Sports.

Schools across the state successfully use similar systems (such as Wangaratta High School.)

---

**from Miss Holt**

Principal

What a wonderful start we have had to 2012! It has been a fantastic return to school.
We are still ensuring that this technology is working correctly & hope to have the system up & running soon.

While we will be able to send bulk messages & reminders to all of our parents about important matters, it is not the best way to communicate in all situations, I ask all parents to please continue reading the fortnightly newsletter for important dates & general information. The newsletter will still be the primary communication method used by the college as well as student diaries.

What Else Is New For 2012?
As we begin the new school year, we also begin a number of new things around our school.

Learning Communities, Leaders & Managers
This year, we are structured into three Learning Communities; they are Junior (Years 7 & 8), Middle (Years 9 & 10) and Senior (Years 11 & 12).

Each Learning Community has a Learning Community Manager and a Learning Community Leader. The names of each manager and leader are in the student diaries.

Homegroups & Homegroup Leaders
All students now belong to a Homegroup, with one teacher as their ‘Homegroup Leader’. Parents will soon receive in the mail a letter from their child’s or children’s Homegroup Leader/s explaining this new approach in more detail.

As per the information in the letter, I encourage parents to contact the relevant Homegroup Leader as a first point of contact if they have any issues or concerns about their child’s education or well-being.

Part of the role of our Homegroup Leaders is to ensure they know your child well, whilst overseeing their learning & development and ensuring good communication links between home and school throughout the year.

Diary, Behaviour, Uniform and Signing In & Out of College
We are also making sure this year that all students are taking responsibility for college expectations in terms of appropriate behaviour, uniform, use of their College Diary and processes to do with signing in and out of school.

I will outline all of these requirements & expectations in our next College newsletter & they will be available on our website soon.

Please Note - Students Smoking
Thank you to the many local community members who have been concerned enough to notify us about College students who have been seen smoking after school hours in College uniform.

Smoking at school remains illegal and unacceptable. Consequences, including detention and education programs, are in place for this inappropriate behaviour. Likewise, smoking in College Uniform before, during or after school hours within a public place is also unacceptable, and the same consequences will apply to students who choose not to follow this college expectation and policy.

New Structures & Practices for Quality Teaching And Learning
Finally, I would like to let all parents know that our College has also put in place a number of new structures and practices with our teachers to ensure that quality teaching and learning is occurring in all of our classrooms. This has occurred to ensure that our teachers remain up to date with the educational needs of students within the 21st Century. Ensuring an “orderly learning environment” is just one essential part of this to make sure our students are able to achieve to the best of their abilities.

I look forward to further updating our parents in the next edition of the College Newsletter.

Student Timetables & Diaries

All students should have their individual timetable and a 2012 School Diary. The diary outlines many of the school policies and is essential for students to be able to manage their study tasks effectively. We urge all parents of students to encourage full use of the diary. Parents who would like a copy of their son’s or daughter’s timetable may request a copy via a note from home.

2nd Hand Book Stall - Money To Be Collected

Any families who put books into the 2nd Hand Book Sale last year can now collect their money from the General Office. Books not sold can still be held by the school to continue selling.

If your child is collecting the money on your behalf please send them with a note signed by the Parent / Carer giving permission for them to do so

Any monies not collected by the end of Term 1 – Friday 30th March will placed in your family account. Books not able to be sold will be donated to charity.

If you would like to confirm if you have money or books to collect please call Lisa at the General Office.

Georgia Biggs Receives Top Award at Next Gen Exhibition, Ballarat

Congratulations to Georgia Biggs who received an award for the top visual communications design at this year’s Next Gen exhibition at the Art Gallery of Ballarat for a CD cover design. Georgia studied Year 12 Visual Communication and Design at the college during 2011 and is about to begin studies at Monash University in Interior Architecture.

Details of the exhibition found here www.balgal.com/. Well done Georgia

Careers & MIPS Update

Week 2 Term 1 2012

Congratulations to our 2011 Year 12 students. Most students have obtained entry into their desired courses. We wish them luck & every success!
Year 9-12 Marine Careers Discovery Days
School holiday activities at Queenscliff (Department of Primary Industries) –
**Dates:** Thursday 5th and Friday 6th July. First day Careers Discovery and day two Marine activities.

**Year 10 students - OH&S Training**
A reminder that all year 10 students need to successfully complete their OH&S training prior to Work Experience.
A list of those students who were successful in attaining their General Module is posted outside MIPs & Careers office. All students whose name does NOT appear on the list need to make an appointment ASAP. Appointments can be made on the sheets outside the office.

**Year 11 & 12 students**
TSFX are offering a program “Mastering the VCE.” This unique program has been valuable study skills advice:
- powerful, effective and time saving learning techniques
- boost confidence, reduce procrastination and motivate students
- detailed course notes will be provided to all students on the day.
Value at over $300, these lectures are FREE OF CHARGE, but we do require students participating make a ‘paper donation (minimum of $10) to the charity representatives that attend on the day, 50% of the proceeds collected will be donated to Beyond Blue and 50% will be donated to the Fred Hollows Foundation.

**Venue:** The University of Melbourne (Parkville Campus)
**Dates:** Sunday 19, Saturday 25 & Sunday 26 February 2012
Students may register for this program online (www.tsfx.com.au). Vacancies strictly limited.

**English**

**Year 11 & 12 - Senior English**
Staff and students have had a fantastic start to the year. As a result of last year’s Kick Start Week, we’ve been able to launch straight into our studies which has been vital due to term one only being eight and a bit weeks long!
Thank you to all those students who have read the texts and completed the holiday homework – I’m sure you will already be feeling the benefits of being well prepared and organised. Those students who have not read the texts need to ensure they do so as soon as possible (Year 12s are currently studying Year of Wonders, Year 11s will be beginning their first text study in week 6). Accessing study guides and detailed chapter summaries may assist you to complete course work even if you haven’t completed all the required reading.

The English faculty highly recommend that parents also read the books and support students by discussing the key ideas with them. All students should also be familiar with issues in the news and practicing their speaking and listening skills, parents can assist with this by watching the news and current affairs programs with them and ensuring that newspapers are easily accessible.
Lastly a reminder for students to look after and pace themselves, ensure you have a study timetable that distributes time equally between your subjects. Make sure you see your teacher if you require assistance or feel overwhelmed.

**Plain English Speaking Awards (PESA)**
The Plain English Speaking Awards is an Australian-wide public speaking competition, which aims to encourage and maintain the best use of clear and effective spoken English. The Award is open to all Victorian secondary school students who on 1 January of their competing year are between 15 and 18 years of age.
At the Victorian state level, participants are required to deliver a six-minute speech on a subject of their choice and a three-minute impromptu speech on a topic chosen by the organisers.
Further information and entry forms can be found at [www.vcaa.vic.edu.au/excellenceawards/plainenglishspeeching](http://www.vcaa.vic.edu.au/excellenceawards/plainenglishspeeching) Or see Ms Williams.

**Years 7 - 8 Junior English**
Many students are still awaiting the arrival of their homework book. Students are reminded that it is still their responsibility to ensure they have a copy of the homework. To organise a copy of the homework, students are encouraged to notify their teacher in a timely fashion (not the day before the homework is due). For further information, contact the relevant English teacher.

**Maths**
The teachers in the Maths faculty appreciate the efforts that parents and guardians have taken to ensure their child is fully equipped for classes. Each student in years 7 to 10 should have a textbook, a Maths Mate homework pad, a binder book for class work, one for notes/examples and one for homework workings. They also need a calculator.

**Years 7 - 10 Maths Mate Homework**
Every year 7 to 10 student has a weekly Maths Mate homework sheet to complete. Students need to show workings for marked questions on the Maths Mate sheets. These should be presented in a separate binder book and handed in with the homework. This will assist us to follow up problem questions and will act as a reference for later sheets. Parents are asked to sight and sign the homework as both a way to get involved and to improve your student's performance. If help is needed, the Maths Mates website ([www.mathsmate.net](http://www.mathsmate.net)) is a useful resource. If you need help to use this site, please contact me at school.
Students will be given Guitar lessons throughout the whole week. Percussion and Drum lessons are on a Friday. Lessons have commenced. Woodwind and Brass lessons are on Monday, Tuesday and Wednesdays. Guitar lessons are throughout the whole week, Monday-Friday and Singing is on a Monday. Students will be given lesson timetables.

### Concert Band Rehearsal
Concert Band rehearsal has resumed on Thursdays, 3.30-5pm. All concert band students should keep Thursday after school free of appointments so they can attend.

### Band Camp and Tour
At the moment an overnight band camp is being organised with a cost of approximately $150.00. Later in the year a Band Tour is taking shape. The cost is unknown at this stage depending on the distance, dates, bus and accommodation.

### College Swimming Sports
The swimming sports are on Wednesday 15th February at the Daylesford pool. This is a compulsory school event for both swimmers and non-swimmers. Coming along even if you are not competing builds school spirit and is a time for students and teachers to work together outside the classroom.

We ask all students to get behind the day by putting their names down to compete in an event, by wearing house colours and cheering their house to success. Parents and friends are most welcome to come along and cheer – don’t forget your house colours.

There will be no pass-outs (even with a note), so students will need to bring lunch from home. There will also be a BBQ available for students to buy a sausage or hamburger.

Don’t forget sun lotion and lots of drinking water. If there is free time all students can have a swim.

Students will be bussed from the college in the morning and then dismissed from the pool at 3.20pm.

Family School Partnership Committee

Cybersafety
A parent cybersafety forum has been organised for later in the year and leading up to this we will include information on staying safe while enjoying the benefits of the Internet. The Internet is an important part of learning and keeping connected with friends, family and the broader global community. Getting online is a normal part of young people’s daily lives. Did you know that 94% of 14 – 15 years olds have a social networking profile (i.e. Facebook) and that 63% of year 7 – 10 students in Australia update their profile at least once per day. For parents and students it is important to be aware that using social networking sites can have risks and so it is important to have some basic safety measures in place and talk regularly about how to use the internet safely.

A fantastic resource for students, parents and teachers is an online site www.cybersmart.gov.au/ that has great tips, videos and easy to understand information about cybersafety. Check it out.

Tip: Set your profile to ‘private’ so your personal information is kept secret.

Next FSPC Meeting
If you have time help plan the activities of this group, please come to our next meeting on
