From Mr Stuchbery
Principal

Hello and thank you for the warm welcome I have received as the Acting Principal whilst Ms. Holt is on leave. I have been overwhelmed by the positive atmosphere of Daylesford Secondary College and the effective learning relationships that exist between so many members of the College Community.

A little about myself to help you get to know me better:

I have come to Daylesford Secondary College from the Wendouree Campus, Ballarat Secondary College as Principal. The Wendouree Campus is a Year’s 7-10 campus and students move to the Barkly Senior campus for their Year 11 and 12 studies. I was previously the Campus Principal at the Barkly Senior Campus.

Previous to my time as a Campus Principal, I was an Assistant Campus Principal within Ballarat Secondary College and before this I was an Innovations and Excellence Educator for the Wendouree Cluster of schools.

In all of these roles I have endeavoured to focus on “making a difference” for the students under my care through assisting staff to continually improve their knowledge of students and how best to take them to the next level of learning. I hope that I am able to assist Daylesford Secondary College to continue its growth and further provide educational opportunities for all members of the community.

Debating
Although the Royal South Street debating competition is still a fair way off, it's time to submit teams. If you are interested – and committed - please see Ms Robinson this week.

The Adventure Park Excursion
On Wednesday the 27th of March all the year 7’s and the peer support students went to the Geelong Adventure Park by bus. The journey was long and arduous it was 2 hours long. When we got there we all rushed out of the bus to get in to the Adventure Park but we all had to put on sun screen because it is supposedly important. Then we all got changed and started going nuts. Everyone ran around and went on all the rides. Then we all had lunch (hot chips). After a long, but what felt like a short day from all the fun of Geelong, we hopped back on the bus to go back to school. The whole year 7 group and the peer support group arrived back at school. All and all it was a very good day at Geelong I would give it about 8 stars out of ten because we could have stayed a little longer.

College Notices
Uniform Notice
Any student that is out of uniform without a note from a parent or guardian will automatically receive a lunch time detention.

- If a student is absent on the day of the detention, it will automatically transfer to the following week.
- If a student is not absent on the day and they fail to attend that detention they will automatically receive an afterschool detention. A letter will be sent home informing parents or guardians of the reasons and date for this detention.
- If a student fails to attend the afterschool detention without a note from a parent or guardian, they will automatically receive an internal suspension.

MIPS & Careers Update
Week 1 Term 2 2013
Hopefully everyone has returned rested and ready for action. We have had a number of students participate in university activities during the break. This gives them an insight as to where they may want to study after school and indeed what courses/careers they may want to pursue.
Remember there will be even more opportunities during the next break.

Year 10 Work Experience
This week the paperwork for Work Experience will begin to be entered into the system. Students without placements must act quickly! Help is available but students must let us know so that we can support them.
