Online Calendar and Newsletters

Calendar [web.daylesfordsc.vic.edu.au/dsc/calendar/][1]
Newsletter [web.daylesfordsc.vic.edu.au/dsc/newsletters/][2]

Thank you to all our students and staff for what has been a fabulous first few weeks of Term 2.

Our Year 12 students very successfully completed their VCE English oral presentation requirements last week.

Our Year 7 and 9 students are working hard on their literacy and numeracy skills in preparation for the forthcoming NAPLAN assessments and rehearsals for this year’s college production “The Pinafore Pirates” have kicked off this week with gusto!

The Rotary Club provided our students with a delicious “Special Bacon and Egg Breakfast” last Tuesday. We appreciate their generosity.

The VCE Textile students visited the Grace Kelly Exhibition in Bendigo and many students completed their OH&S Construction Induction course last Thursday.

The Middle Years “Back Pack Adventures” class will be enjoying a guest speaker tomorrow, and the VCE Students have visited Melbourne yesterday to see the Top Screens Exhibition. What a great start to Term 2!

We also look forward to many forthcoming events such as the House Cross Country, Eureka Sports days, numerous class excursions, Try-a-Trade Day, Year 10 Work Experience and much more! It never ceases to amaze me at the many and varied opportunities our students are able to participate in.

We are also currently delivering a Certificate II Course in Hospitality on a Monday afternoon and I congratulate the 17 students who are participating in this course to advance their careers options and choices.
I would like to take this opportunity to thank our College Captains and Vice Captains, Angus Peri, Emily Thiesz (Captains), Maddie Jansen and Declan Ryan (Vice Captains) for their outstanding address at the ANZAC Day Dawn Service on Wednesday last week, and for their participation in the ANZAC March and Wreath laying Ceremony. Our students certainly made our College proud, clearly demonstrating our College Values and pride in our school.

I also congratulate our fabulous four Year 7 girls, Isabelle Fitzgerald, Jacki Lipplegoes, Shelbi Picone and Isabella Thomas who sang ‘Advance Australia Fair’ and ‘God Save the Queen’ at the Dawn Service. The girls gave a beautiful performance of both songs in less than ideal conditions, and again they did our College proud. Congratulations and well done to you all!

I also thank Mr. Phil White, Mr. Martin Hogan, Ms Susan Verbyla, Mr. Wayne Pickering and Ms Helen Robinson, our dedicated staff who not only contributed to Wednesday’s ANZAC Day success, but also to the very moving ceremony that was held here at school on Tuesday 24th April.

I especially thank and congratulate our very talented Year 11 student, Tim Bull, who played for our whole school community a moving rendition of ‘The Last Post’ during this assembly. Well done, Tim and thanks again!!

“DSC goes PINK” for Breast Cancer Support and Awareness

I am pleased to announce that our Student Representative Council (SRC) will be running a ‘DSC goes PINK’ day on Friday 11th May, prior to Mother’s Day, as a fundraiser to create awareness and support for breast cancer research. The SRC encourage all within the college community to “DRESS in PINK” and provide a gold coin donation to the cause.

I am also pleased to offer our students a FREE sausage sizzle on this day as a way to say thank-you for your ongoing efforts in ensuring you are meeting our college values and expectations.

All students are welcome to receive a sausage and icy-pole, and are welcome to purchase more for just one dollar each.

Our usual REMINDERS about EXPECTATIONS

- **Uniform** - please see the page inside today’s newsletter indicating a simple guide to acceptable college uniform. Jeans or denim pants (black or grey) are NOT approved school uniform.

- **Attendance** - students and parents are reminded of the new 90% Attendance Policy. It does not take many absent days in order to fall below this requirement. Please contact the General Office as soon as is possible should your son/daughter be absent from school for a parental approved reason. Medical certificates or a record of attendance at an appointment are also required for evidence to support an absence.

If you are aware that your son/daughter may have 5 or more days absent from school, please contact the college so learning tasks can be arranged for this period.

Congratulations to the many students who will be receiving their A+ Attendance Award for Term 1 this year. Your certificates will be awarded to you soon and all names will be published in our next newsletter.

Finally, I wish to send my thanks and overall congratulations to the majority of our student body for the way in which they are conducting themselves and meeting our college values. Whilst some students are asked to still reflect on their own attitude and behaviour, I am delighted that the majority are engaged in and dedicated to their education. Well done to you all!

Our school is a fabulous place to be with so many opportunities and things to be involved in, and this requires ALL of us to work together within our rules and expectations for this to be the case. Keep up the great work!!

Miss Holt 😊

Senior Learning Community

Years 11 & 12
2012 Written Examinations - Unit 3 & GAT

Year 11 students studying a Unit 3/4 subject will sit the GAT - General Achievement Test.

Starting times
Each examination commences with a 15-minute reading period. The reading period is included in the times shown in the timetable. Students should check the starting time of each examination and arrive at least 30 minutes before this time. Students should familiarise themselves with rules about late admission to examinations. This information will be provided to each student in the near future.

Examination responses
All written responses must be in English, unless otherwise instructed in the question book for that particular examination.
**June examinations and GAT timetable**

**Important to note:** Each examination commences with a 15-minute reading period, which is included in the times shown in the timetable.

All VCE Exams on Tuesday 12th and Wednesday 13th June 2012 will be at the Daylesford Inn

Direction to the Exam Centre

**Daylesford Inn**

2891 Ballan-Daylesford Rd, Daylesford from Daylesford Secondary College

3.6 km (about 6 mins)

1. Head south on Smith St toward Crockett St

2. Turn right onto Raglan St/A300 Continue to follow A300

3. At the roundabout, take the 1st exit onto Vincent St/C141 Continue to follow C141 Go through 1 roundabout Destination will be on the right

Daylesford Inn (Exam Centre 2891 Ballan - Daylesford Rd, Daylesford VIC 3460)

**Study Timetable**

The expected workload of students through Years 11 and 12 at our College is considerable, covering activities conducted in class time and designated learning activities, which are designed to extend and consolidate skills, concepts and understanding. Assessment tasks and revision activities are also included.

All students are expected to develop a study timetable that identifies times across each week for all their commitments including:

- Part – time work
- Social activities
- Sport
- Family and community events
- And two to three hours study time for each subject

Where students develop and adhere to their study timetable, they give themselves the best chance to obtain results that reflect their ability and derive a sense of being ‘in control’ of the demands of their VCE/VCAL program.

If you would like help with creating a study timetable please see Trish Matthews, Nick Pethica or Phil White,

2012 Junior Learning Community Captains

![Tady C](image3)

![Zoe I](image4)

Congratulations Aaron, Kelly, Tady and Zoe.

Phil White, Assistant Principal

---

**Maths**

Mathsonline is now available

Mathsonline is a fantastic online resource for all students to assist with understanding all mathematical concepts. All students from years 7 to 10 have now been enrolled. Your maths teacher has your login and password details or you can get them from Ms Arndt. Teachers may occasionally set work to complete at home using Mathsonline. Please tell your teacher if Internet access is a problem.

**Years 7 & 9 - NAPLAN Numeracy Tests**

Students in Years 7 and 9 must have a calculator for the Numeracy NAPLAN test on 17th May.

Ms Arndt

---

**Science**

**Year 7 StarLab**

Year 7 students are studying ‘Our Place in Space’ looking at the effects caused by the relative positions of the sun, planets in our solar system, the earth and the moon.

To complement their studies we have arranged for the StarLab Dome to come to Daylesford Secondary College on Thursday May 10th. All year 7 students will have the opportunity to attend the presentation during this day and there will be no charge, as this is funded by the incursion contribution made by parents.
Big Science Competition 2012 May 23rd

The Big Science Competition is suitable for students of all abilities from Year 7 to 12. It challenges students to think critically and solve scientific problems. Using everyday examples, the Big Science Competition raises awareness of the role science plays in the world around us.

We have a limited number of places available so please see your science teacher as soon as possible in order to secure a place. You will be charged $3 on the day.

The competition takes just one hour and the questions are aligned with the Australian Curriculum – Science.

There are prizes to win just for taking part. Students could win iPods, iTunes vouchers and movie vouchers. There are great prizes for teachers too.

Years 7 to 10 Science Homework

This is a reminder to all parents and guardians that science students are expected to submit their homework skills sheets during the even weeks of term, i.e. every fortnight after the week beginning 23rd April.

The homework skills sheets are given out in the week before, allowing the students at least a week to complete them. As these sheets are an important element in reinforcing the skills and knowledge that are necessary to do well in science, we ask that students complete these to the best of their ability.

They should take less than half an hour and we would encourage parents to contribute. The regularity of the submissions as well as their quality is recorded and will be reported on. Back copies of sheets are available for students to print at school.

Homework help is available every Monday lunchtime in A10. Ms Woodroffe

Uniform - College Black Winter Jacket

The college is preparing an order for the jackets and the expected cost is $65. Contact the office as soon as possible to order and there are some samples for parents and students to view. $40 deposit required.

Longest Lunch 2012

Certificates of Appreciation

Jenny Ellender of Glenlyon’s Ellender wines presented Daylesford Secondary College students with Certificates of Appreciation for their voluntary work at the recent Longest Lunch held in leafy Barkly Street, Glenlyon.

At the end of term school assembly, Ms Ellender praised the students for their diligent and courteous contribution to the fundraiser and expressed the gratitude of the Longest Lunch organising committee for helping make the event possible.

Principal Tiffany Holt said that Daylesford Secondary College was pleased to be able to support this very worthwhile community fundraising activity. We are proud of the way that our students have represented themselves and our school. It was a real opportunity to develop interpersonal skills and help in their community.

Eureka Athletics

Last term over 60 Daylesford students competed in the Eureka Athletics Championships in Ballarat. There were many outstanding performances with the following students winning their respective events.

Jenna Bruton 17 age group 200m & 400m, Joel Cowan 15 age group 100m & 200m, Lucas Byrne 18-20 age group high jump & long jump & Reece Lelong 16 age group discus. Due to many top places, 20 students will advance to the Grampians Athletics on the 4th of May.

State Swimming

In the last week of term 1, two relay teams represented the College in the State Swimming Championships at MSAC in Melbourne. To progress to these finals is an outstanding achievement and we congratulate Ned Johns, Jordy Barnes, Thomas Burningham-Glover & George Thompson (12-13 age group) and Rory Olver, Jezza Steen, Billy Johns & Joe Clarke (16 age group.) While the competition was of a very high standard, the boys should be proud of their efforts. Many thanks to Angela Olver and the parents for transporting the students, firstly to Horsham and also to Melbourne.

Student Wellbeing & Engagement

Stanley Hammond Award Winners

Joel for cleaning up the Year 8 area without being asked.
Week 3 Term 2 2012

Year 12 students

- Undergraduate Medicine and Health Sciences Admission Test (UMAT) – Registrations now open (www.umat.acer.edu.au) & close 5pm (AEST) 1 June, test 25 July; UMAT is part of the selection process for Monash University medicine and physiotherapy (and for many interstate degrees). Please see Marg Cattanach or Mrs Barlow if you are considering this.

- Bachelor of Medicine and Bachelor of Surgery At Monash – Prospective students and their parents are invited to an information session on the admission process to this under-graduate degree. When: 6.30-8pm, Wed 30 May; Where: Building 63, Lecture Theatre C1, Clayton campus.

- Medicine and Optometry Information Evenings at Deakin – Explore courses, entry requirements, pathways and study options. The B. Medicine B. Surgery is a four-year graduate-entry program. Applicants must have completed an undergraduate degree, however, there are no prerequisites within the undergraduate degree for entry. The B. Vision Science and Masters of Optometry can be completed in three and a half years due to Deakin’s trimester system.

- Medicine and Optometry information evenings: (all 6-8.30pm) Tues 15 May, Peter Thwaites Lecture Theatre, Building ia1.006, Geelong Waurn Ponds; Wed 16 May, LT Education Resource Centre, Ballarat Hospital; Thurs 17 May Lecture Theatre 13, Building hc2.005, Burwood. Info: 9251 7777, health-enquire@deakin.edu.au.

- University of Melbourne Evening information seminar series. Look at options for pursuing university study and your dream career. When: (all 7-8.30pm); Tues 15 May – Focus on Arts; Tues 22 May – Focus on IT and engineering; Thurs 24 May, Focus on biomedicine; Tues 29 May – Focus on agriculture; Thurs 31 May, focus on commerce; Registration: http://go.unimelb.edu.au/w6c.

Year 11 & 12

Future Law: Events For Future Lawyers – Interested in studying law at Melbourne University? Then Future Law is for you. Registration to Future Law entitles you to quarterly newsletters, invitations to Law School events and activities and information related to key dates for admission. For more details and registration go to the Melbourne JD Future Law website at: www.law.unimelb.edu.au/jd/future-students/future-law/.

‘The Age’ VCE and Careers Expo

Exhibitors include Australia’s major universities. There will be 170 seminars on VCE subjects including English and maths, tertiary courses, career and study advice. When: 9am-3pm, Thurs 3 & Fri 4 May; 10am-4pm, Sat 5 and Sun 6 May; Where: Caulfield Racecourse; Cost: $10; See ‘The Age’ Monday 30 April or vceandcareers.com.au. We expect to have some free tickets!

Years 10, 11 & 12 and Parents

Careers in Sports Medicine Seminar

Olympic Park Sports Medicine Centre; nutrition, sports medicine, podiatry, psychology, massage, physiotherapy exercise physiology; 6.30-7pm (Reg’n), 7.30-9pm, (Talks), Wed 23 May; AAMI Park Stadium;$25, Reg’n: http://www.trybooking.com/BHCW.

YEAR 10 students

Subject Selection Afternoon at Monash

This event will provide Year 10 students a chance to discover their options at Monash and life at university, as well as the opportunity to discuss their future options with academics and convert their passion into a future career. When: 4 July (next school holidays); Details: as they come to hand.

La Trobe University – has launched a new Year 10 resource at www.latrobe.edu.au/year10. By watching the videos you can find out about where subjects lead, prerequisites, the ATAR, pathways, and so on. You can also follow the La Trobe student bloggers at www.latrobe.edu/studentblogs. You can also sign up for the upcoming Experience La Trobe events at www.latrobe.edu.au/experience.

Year 10 - Work Experience!

Some students are yet to hand in their Work Experience Arrangement forms. Remember you are responsible for these – we will help but you must make an appointment to see us. Arrangement forms have to be processed and time is running out! Also, some still have OH&S tests to complete – again just make an appointment ASAP.

Year 10 - TASTER Programs

The Highlands LLEN is organizing the following Taster programs in Ballarat. Interested students need to come to MIPS office for an application form. Please note that students will need to make their own transport arrangements.

If costs are problematic – support may be available.

Cost $92                                    |
Should kids have computers in their bedrooms?

- Education and child safety experts recommend your child doesn’t use the Internet in their bedroom.
- The reality is a very small percentage of kids will come to physical harm through contact with online strangers.
- Cartoon-like avatars are a great alternative to kids posting images of themselves online.
- Teenagers in particular are prone to sleep problems, which are compounded if computers or phones rob them of sleep.
- If your child has a MySpace or Facebook page ask to see it. If you can see it, anyone can so there is no argument about respecting privacy.

For more about this topic

Next FSPC Meeting
If you have time help plan the activities of this group, please come to our next meeting. We are thinking of changing to Fridays check next newsletter or online calendar for next date and time.

For more information, contact Donna O’Mara on fspc@daylesfordsc.vic.edu.au or 5348-7970

Help Needed - Second Hand Uniform Sales
Still looking for help with the second hand uniform sales.

If you can help, contact Donna on 5348 7970. I will also be contacting parents who have expressed an interest in volunteering at the college.

Why not bring a friend and it is a great way to meet other families.

Tips - Year 7 & Year 8 Homework Part 2
Guide your child to do their homework using these tried and tested questions.

Oral presentations: ask your child
- to read through the task together to get a sense of what needs to be done.
- what research they have done so far.
- to rehearse it together – practise in front of a mirror, record it and listen back or rehearse in front of family members.
- if they have created palm cards. (Old business cards or pieces of paper or cardboard about the size of business cards are a good resource to have on hand.)
- how they can change their voice to make some points sound important.
- if they have thought about using music or film or handouts or anything else to make the presentation stronger.
- if they have to submit the written version as well as the spoken one. How do they think they will present it?

The Daylesford Community Action Network for Youth (D’CAN)

Build, Develop, Empower - working together for Daylesford's young people

The Daylesford CAN is a partnership of committed organisations who have young people at the core of their thinking and aim:

TO BUILD on knowledge, consultation and engagement to identify local needs and opportunities for education, employment and services support for young people and the Daylesford community

TO DEVELOP and implement strategic goals shared across the community and local organisations to enhance the range of education and learning pathways available to young people in Daylesford

TO EMPOWER the Daylesford community to be involved in generating and initiating local solutions to overcome barriers preventing young people from meaningful participation and development within their own community

Come find out about D’CANs directions and strategies for youth development in Daylesford, and how your ideas and initiatives can become part of the bigger picture for young people.

The Daylesford Community Action Network (D’CAN) would like to invite you to its launch on

WEDNESDAY May 9
4.00pm at The Arc

Are you ...?

A DAYLESFORD COMMUNITY MEMBER with an interest in the aspirations of the local young people?

A BUSINESS with a commitment to corporate citizenship who needs some guidance in how to get involved with coordinated partnerships with the aim of benefiting local young people?

AGED 12-25 and interested in starting your own business - DEY is for you! We can help you understand business planning and get you started with your own plan, advice and support to get started.

DEY works with our community to support young people to create their own business and employment in Daylesford.

DEY is co-ordinating activities, enterprise support and other youth initiatives from the Daylesford ARC.
Contact Nico on 5348 2367 to find out how you can be involved.
