**AEU - Stop-work Action**

**Thursday June 7th**

We are currently awaiting confirmation as to whether this day of Stop-Work Action will be going ahead. If this does occur, parents will receive a letter as soon as possible explaining the organisation for the college on this day.

**Cross-Country**

The sun was shining a fortnight ago when the College held its Annual Cross-Country event at Lake Jubilee. How spoilt we are to hold this event at such a beautiful location! I am so pleased to report that our students eagerly engaged in their running event, and all clearly demonstrated our College Values, especially that of Endeavour, by simply trying their best and having a go!

Congratulations to Flinders who won the overall day, and especially to those students who achieved a placing or won their age group champions medal.

Please see inside the newsletter for full results.

Students also competed yesterday at the Eureka level, and we congratulate you all again on proudly representing our College. Thanks to Mr Bones and all staff for their organisation and assistance on the day.

**Final weeks of Term 2**

Yet again, I make the comment on how time seems to fly when you’re having fun! I can’t believe we are already close to the end of Term 2. College staff are now completing all assessment requirements for students to write their Semester 1 reports. I encourage all students to discuss their current learning and assessment with their teachers to ensure they will receive a “Satisfactory” outcome for all their classes this semester.

Some student may need to check their attendance percentage and arrange catch-up classes in order to...
meet out new Attendance Policy requirements and ensure a positive Unit result.

**Year 7 1:1 Ultra Mobile PC Program**

All Parents/Guardians of students in Year 7 should have received a letter last week informing them of our new Year 7 1:1 computer program.

The College is delighted to be starting this program at the beginning of Semester 2, where all students in Year 7 will have access to their own Ultra Mobile PC (formally known as a Netbook) 24 hours a day, 7 days a week.

In order to kick off the program, we require both Year 7 students and their parent/guardian to attend a short **Information Evening on June 12 from 5.45pm.** Attendance at the session is essential, as there is a great deal of information we must provide to both students and parents/guardians in order to get the program started from the first day of Term 3. We look forward to seeing you on the evening, and we are very excited about this new initiative.

**Middle & Senior Learning Community Subject/UNIT Selection Information Nights**

As we approach the end of Semester 1, much planning is also occurring for our students learning needs and subject choices for 2013. Both students and parent/guardians should note the following information nights, which will begin the process of UNIT Selections for 2013. These nights are essential for all students who are currently in Years 8 to 11.

**Wednesday 18th July @ 6.00pm**

2013 Senior Learning Community VCE & VCAL Students currently in Years 10 & 11

**Monday 23rd July - note staggered starting times**

2013 Middle Learning Community Students currently in Years 8 & 9

- Students currently in Year 9 - from 5.45pm
- Students currently in Year 8 - from 6.45pm

Again, it is essential both students and parents attend these information session, so we ask that you not the dates and times now. Teachers from all learning areas will be present on the nights to assist you in making the right choices regarding your son/daughter’s future course selection, subject choices and overall learning needs for their future pathways.

**Whole School Assembly**

A very positive whole school assembly was held last Thursday. I was delighted to present on behalf of our whole college community a cheque to the value of $500 to Mrs Violante, mother of our fabulous science/maths teacher Miss Angelica Violante and representative of the Hepburn Shire Breast Cancer Support Group. Mrs Violante spoke with sincere “thanks” to our students especially, and our college as a whole, for taking on this fundraising initiative via our DSC goes PINK day.

Mrs Violante was also delighted to announce she would hand-deliver our donation to Breast Cancer Network Australia at their next meeting in Melbourne and she passionately encouraged our school to continue this initiative every year. Mrs Violante, we look forward to doing so, and we thank you for attending our assembly and for proudly representing our school in Melbourne. This has been our biggest ever fundraising donation, which clearly demonstrates our schools support for continued awareness and research towards breast cancer.

We also congratulated our Senior Boy’s Soccer Team who travelled to Horsham last Wednesday and convincingly won both their matches. Our boys will now play in Melbourne at the State competition. Reports from the day from other colleges were that our lads were “A class above the rest!!” Well done, boys!

**Student Advisory to Leadership Team**

I was very pleased to meet with a selection of our students on Friday last week, whom are known as the “Student Advisory to Leadership Team.”

Our College is very keen to listen to our students, and this first meeting was very productive and informative. We spoke about things such as the uniform, student inclusions in sports/camps and other excursions, our current Homegroup arrangements and our current Learning Communities. This initial meeting has given our college leadership team much to continue talking about, and I look forward to continually meeting with this group in order to hear our “learner’s voice”.

**Uniform Audit Survey**

Thank you to all students who recently completed our Uniform Audit Survey. Parents are also asked to complete the survey so we are able to gain as much initial information as possible about the uniform needs and desires.

This remains a work in progress, and I thank the Family School Partnership Committee and our Uniform Committee for the work completed so far. We look forward to coming up with a revised uniform that will take our school into the future.

The parent survey is included in this newsletter; it can also be completed online at http://tinyurl.com/7lf858m. Please complete and return by Friday 8th June.

**Pre-Service Student Teachers**

The College is very proud to host a number of Student Teachers every year. I would like to take this opportunity to sincerely thank Mr. Josh Ryan, who recently completed his pre-service teaching rounds with Mr. Wayne Pickering, and who was an outstanding student teacher to have in our school. The same goes for Mr. Matt Story who recently completed a round within in our Science Department, and Mr. Chris Hartigan and Mr. Josh King who are currently doing a fabulous job in our English and Heath areas.

**2012 Hall of Fame – Dr Alex Bremner**

I am proud to announce our 2012 Hall of Fame recipient is eminent academic and architectural historian Dr Alex Bremner.

Dr Bremner grew up in Bullarto and Lyonville and attended Daylesford Secondary College from 1986 to 1991.
He continued his studies at Deakin University and later in Hong Kong. As a Gates scholar, he then read historic architecture at Cambridge University.

Dr Bremner is author of a number of influential articles and books on his area of expertise and is presently senior lecturer in architectural history at Edinburgh University.

The Hall of Fame dinner honouring Dr Bremner’s achievements is on Thursday June 28th at Bellinzona Grange, Hepburn Springs.

For further details and bookings, please contact the office on 5348 2367 during school hours.

Dig for your Lunch
The college looks forward to this weekend’s “The Good Life Festival” where, thanks to the work of Mrs Woodroofe, we will be hosting a workshop conducted by Alex Pitsopoulos on Sunday 3rd June.

Hear Alex speak about edible weeds then help us harvest some and Dig for your Lunch, 10am-2pm in the horticulture area, at the back of the college. Any help from parents and students greatly appreciated.

Details of the event can be found in this week’s Advocate on page 11.

Miss Holt 😊

Years 11 & 12
2012 Written Examinations - Unit 3 & GAT
Year 11 students studying a Unit 3/4 subject will sit the GAT - General Achievement Test.

Starting times
Each examination commences with a 15-minute reading period. The reading period is included in the times shown in the timetable. Students should check the starting time of each examination and arrive at least 30 minutes before this time. Students should familiarise themselves with rules about late admission to examinations. This information will be provided to each student in the near future.

Examination responses
All written responses must be in English, unless otherwise instructed in the question book for that particular examination.

Middle Learning Communities

Year 9 & 10 Semester 2 Subject Information
All students have received their semester 2 subject allocations via their school email. Attached to this was a document that needs to be filled out if they wish to change subjects. Students can print out their subjects and the form to bring home.

If your child wishes to change subjects, they must return this form, signed by their parent/guardian, to Ms Kirby no later than Friday 1st June.

Requests to change subjects after this date will not be accepted.
While every effort will be made to meet your child’s request, it is important to realise, that changes are not always possible.

Subject changes can only occur with subjects in the same blocks, these blocks are posted in the year 10 corridor and the Year 9 locker area.

Music

Year 8-12 Music Tour 2012
The music tour confirmed dates are 15-17 August. More details to come.

Science

Big Science Competition
Congratulations to all those students who undertook the challenge of the Big Science competition on Wednesday. Results take a while to come in but I will pass them on to you as soon as I know. Well done!! –the science department is proud of you all for having a go!

Transit of Venus
Remember that the Transit of Venus will be happening for the last time in our lifetimes on June
ensued with both sides showing skill and Ballarat High were both undefeated, the winner of the second half.

The result beyond doubt scoring at the 7 minute mark of the second half. Mathew Sundblom and Daniel Savinios ran hard working the defensive midfield to keep the ball coming in to the forwards and finally after many good chances it was Jake Barnes who scored the equaliser.

At the end of the day, it was Daylesford taking the championship from Ballarat High on goal difference. All players are to be commended for their excellent sportsmanship and we would like to thank Jack Francis who ran the line for us all day. Mr Pethica

After being successful at the Eureka competition the senior boys advanced to the Grampians Finals in Horsham. The team played sensationally to win both games and now progress to the State Finals in Melbourne in September. Congratulations to Bear Hackenberger, Jake Sartori, Kermit Pethica, Tom Conroy, Declan Ryan, Andrew Brown, Finn Anscombe, Jake Barnes, Nathan Kilbourne and Jesse Easton. A big thank you to Phil White for driving the bus on such a long journey and Chris Hartigan and Josh King for coaching the team. Mr Nettleton

Senior Boys Netball

The senior girls competed at the recent Eureka Netball tournament in Ballarat. The girls were very competitive winning one game and drawing another. Many thanks to Tania McKay for assisting with the team and Taylah Ford for umpiring. Mr Nettleton

Careers & MIPS Update

Week 7 Term 2 2012

Year 12 - REMINDERS

MSRF’s Scholarship Program
The Macpherson Smith Rural Foundation (MSRF) is a charitable institution dedicated to the needs of rural and regional Victorian communities. Scholarships to year 12 students from rural/regional Victoria to enable them to participate in tertiary study after they complete their VCE studies. Our scholarships provide financial support of $15,000 per annum for three years, and also participation in mentoring and leadership development programs. The main selection criterion for the scholarship is “demonstrated leadership capacity or potential.”

Full details of the application process and selection criteria are available from: http://msrf.org.au/scholarship-and-programs/foundation-scholarship
Applications close on 30th July 2012. Please see MIPs & Careers if you intend applying.

Undergraduate Medicine and Health Sciences Admission Test (UMAT)
You must sit this test as part of the application process for Monash University medicine and physiotherapy degrees. You must register to sit this test by 5pm (AEST) Friday 1 June at www.umat.acer.edu.au

Year 11 & 12 Parent Information Monash
Parents of Year 11/12s can attend this event to find out about the VTAC application process, scholarships and fees, course options and graduate outcomes (held at Albury, Caulfield and Geelong). Register interest: www.monash.edu.au/parent.

Water Conservation and the Environment
Are you concerned about the environment? About water supply into the future? About how we will feed the ever-increasing world population? Then, have you considered studying agriculture? The Bachelor of Agricultural Science is NOT about being a farmer… it is about being a professional scientist in a service industry. The Bachelor of Agricultural Science at La Trobe University moves from a 4-year to a 3-year degree in 2013 (2011/12 ATAR: 54.40). It can be studied on its own, or as a double degree with a Bachelor of Business (2011/2012 ATAR: 72.85) or a Bachelor of International Development (2011/2012 ATAR: 73.15) (4-year courses). There is a real shortage of graduates in the field, with as many as five jobs available for every graduate in areas such as land management, agribusiness, grain business and...
with seed companies. Around 3,000 jobs in agriculture are advertised each quarter. It is about yields, food security, water scarcity, energy scarcity and land scarcity. The only prerequisite subject for the single degree is Units 3 & 4 English (any).

RMIT
Not sure what courses involve? Then, these will help. (aimed at Yrs 10-12).

RMIT are conducting a range of holiday activities in the upcoming holidays. Students in years 10 – 12 are encouraged to attend. (You do need to register – places limited so get in early).

- medical laboratory visits,
- sessions on art and design — FILLED
- computing, animation and IT,
- aerospace, mechanical and manufacturing engineering,
- electrical and computer engineering,
- advertising, marketing and public relations — FILLED

Tips - Year 7 & Year 8 Homework Part 4
Remembering what they’ve read: ask your child
• what they are reading it for,
• to write down a couple of words after reading each paragraph – it will help if they need to give a summary.

• to try writing a mind map, if they need to read and remember it for a test.

Student Exchange Host Family

ARE YOU NOT QUITE READY TO GO ON AN EXCHANGE?

Or. Do you want your family to share in your exchange experience and return the favour of being hosted by a family while on your exchange?

WELL, IT’S EASY...BECOME A VOLUNTEER HOST FAMILY!

In June-July 2012 Student Exchange Australia New Zealand Ltd will be receiving exchange students from Europe, Canada, the USA and Latin America. Our new arrivals will live with a volunteer host family and attend a local school for 2-10 months.

You can be a part of the experience by welcoming an exchange student into your home. Our students bring with them their own spending money, health insurance and a wonderful attitude and desire to learn about their new host country. Your whole family....and your relatives and friends....will grow and learn as you all get to know your new ‘son’ or ‘daughter’ from another land. If your family can offer a friendly, supportive and caring home environment, contact us today.

The items we are reviewing -
- Girl’s school dress style & colour, College shorts, boy’s pants grey or black and style, polo top colour, College windcheater, same coloured jumper throughout the College for all year levels.

The items we are not reviewing -
- College jacket (introduced in 2011), College blazer, girls black pants, College skirt, sports uniform and footwear.

NB. The survey does not cover girl’s summer dress style or boy’s pants style this will be looked at in the next phase.
