Youth Information Card Launch
It was fantastic to see so many students attend the launch of the “Health Elf vs. Job Mob Card” at the ARC on Monday May 27. The card outlines resources available to young adults in employment and health assistance. This is a valuable resource and a great initiative from the Hepburn Shire. I was privileged to be asked to launch the card and support the links between the Shire and our school.

Buildings Condition Assessment Report
Last term all Government schools were assessed for the condition of their buildings. Despite some of the buildings at Daylesford Secondary College being quite worn, the overall assessment of the College was above the “threshold” for funding. It is a credit to the maintenance staff, Mr White and Mr Sayn for their exemplary practices which mean the buildings have been maintained so well despite their age. We aim to persevere with this process and hopefully attract funding to improve some of the learning spaces for our students in the near future.

Year 7 camp
Last week our Year 7 students travelled to Rochester for their delayed Year 7 camp. All reports have been most favourable regarding the activities, food and accommodation. The camp staff and our staff have all reported that the students’ behaviour was very good and we trust the camp has allowed all involved to further develop positive working relationships with students and staff.

Junior Sport Day
Last Friday students in Year 8 travelled to Ballarat to participate in Football, Netball and Soccer. It was great to see so many excited students prepared to represent their school despite the inclement weather. A huge thank you to the coaches, Ms Kirby, Mr Williams and Mr Nettleton, who prepared the teams and supported them on the day.

Report Writing Day
This Friday, June 14 is the College’s Report Writing Day. It is a student free day. The day will be used for staff to finalise student assessments and complete formal reports for all students. We aim to have all reports available for students to take home on the last day of term, June 28.

David Stuchbery

Stanley Hammond Awards
Roger Gooding awards the following students with Stanley Hammond Awards. Arianna (7.2) and Cameron (7.3) for their friendliness and the manner in which they looked after grade six students on Orientation day and Tyren (7.1), for his honesty. Cameron 10.3 and Ricky 10.2 for a Stanley Hammond award also for helping the PE staff with equipment.
“GOOD ORGANISATION” helps to 
be in school uniform, be at school on time, 
complete school work/commitments/responsibilities

Good organisational skills are important in our lives. 
These skills assist us greatly with setting goals and time management when we plan for our learning at school and other aspects of our daily life.

Being organised assists us with our daily routines at home and at school. 
Good organisation allows us to manage our time more effectively. 
We can plan to get things done and work other things around our commitments.

Good organisation helps us and others around us to plan and get things completed. 
Schoolwork, sports practice, music, commitments, jobs around home, etc. can be better managed through the use of schedules/timetables, marking things on the calendar or in a diary.

This way we can ensure that things get done!

Some good organisational skills may include:

* Getting things completed on time
  - Planning for particular events
  - Allowing enough time to complete things
  - Setting goals for yourself (short term/long term)
* Knowing where to find things and keeping things in an orderly manner (school locker, bag, room, personal belongings)
* Prioritising things that need to be done at home/school recreation activities)
* Keeping to a time schedule and being prepared for upcoming events or work commitments

Good organisation assists all of us with our daily routines:
  - We plan for things, manage routines, keep commitments, complete things on a daily basis and achieve balance in our life.

ACHIEVE BALANCE IN YOUR LIFE, ENJOY LIFE, BE ORGANISED

Learning Community

Furniture Restoration - Middle School - Semester 2
Attention students enrolled in Furniture Restoration you are required to bring a small piece of furniture to restore in class no later than the start of term 3.

Year 8 Humanities
Our students and Mayor at the DSC skate park table plaque attaching ceremony. The plaque can be seen gleaming in the foreground. It says in a very tasteful font 'Proudly made by the students of Daylesford Secondary College'.

Sports
Senior Girls Football
The team travelled to Ballarat to compete in the BSSSA competition on Friday 3rd May. The team was very excited as most of the girls were playing their first ever game of Australian Rules Football.
The girls played very well in an extremely difficult wind and should be proud of the way the conducted themselves on and off the field. The following is a summary of the day.

Game 1
Ballarat High (68) defeated Daylesford (8)
Goals: J. Bruton

Game 2
Daylesford (77) defeated Mount Clear (6)

Best players for the day: J. Bruton, I. Vanzetta, J. Lipplegoes, K. Matheson-Miller, T. Ford, S. Forgo

MIPS & Careers
Update

Week 9 Term 2 2013
Reminder - OPEN Days are coming!
Open Days at universities and TAFE are coming up in August (only two months off), usually on Sundays. Remember to keep Sundays in August free for YOUR visits. Open Days are a great way to check out courses and facilities, talk to staff and students, collect information, and to attend relevant information sessions. Reminders of actual dates will be provided soon.

More on July Holiday activities
In the previous newsletter we listed a range of activities for students – predominantly in Years 10, 11 and 12. It is important that students get out and have a look at what options are available to them following school. These holiday activities provide wonderful opportunities to participate in a range of activities and in many instances are more informative than the OPEN Days. Take advantage!

NEW - Year 10 INDEPENDENCE DAY – Monash University is once again running a tailored program for Year 10 students called Year 10 Independence Day. Year 10 Independence Day provides you with an excellent opportunity to come onto campus and experience university life. You'll also get specific information on how choose your Year 11 and 12 subjects. You are encouraged to register early.
When: 11am-3pm, Thurs 4 July; Where: Clayton campus; Register: www.monash.edu/year10-day

NEW - Journalism Industry Day – July 5 — 3 hour session at Macleay College, 55 Brady St South Melbourne. Places strictly limited. Register by emailing: cbarnsgraham@macleay.edu.au

Summary of previously advertised July activities
Free

Monday 30 September and Tuesday 1 October at Victoria University (Melbourne) during the Term 3 holidays.
Register http://www.leap.vic.edu.au/students/law/activities
Registrations close 13 Sept but places will fill quickly.

Information for year 12 students
Year 12 – going to uni?
Have a look at http://studyassist.gov.au
Information on fees, fee help and information on Youth Allowance.

New ACU courses for 2014
• Bachelor of Accounting and Finance – learn about financial instruments, institutions, markets and systems; this degree can lead to a career in banking, financial consulting and planning, funds management, merchant banking, stockbroking and treasury. It meets the requirements of the CPA Australia, ICAA, and the IPA.
• Bachelor of Information Technology – provides a solid grounding in all aspects of IT followed by professional pathways in business analysis, database administration and applications development. It will be recognised by the Australian Computer Society.

Travel and Study
Universities have 'links' with universities overseas and it is often possible to complete part of your degree at one of these universities. For example, La Trobe University has over 100 partner institutions in more than 30 countries. You can do a semester or one year exchange, short term program, or internship. These programs should not add to the duration of your degree. Students pay normal fees (HECS HELP, FEE HELP or full fees) to La Trobe for the duration of the degree but do not pay tuition fees to the host institution. Students pay the cost of flights, accommodation, meals and incidentals, but La Trobe gives Mobility Grants. For a list of partners: www.latrobe.edu.au/international/edabroad/exchange/partners.
Other universities offer similar programs – check their websites.

**Bachelor of Oral Health**
The University of Melbourne’s B. Oral Health trains students to work within a dental team, and qualifies you for professional registration with the Dental Board of Australia as an oral health therapist (hygienist and therapist). The university has state-of-the-art facilities, a dental simulation lab and top academics. The degree takes 3 years including clinical placements. Last year’s ATAR was 86.15. A similar degree (Bachelor of Oral Health Science) is offered at La Trobe (Bendigo). It takes 2.5 years to complete.

**Studying Law**
Law is seen to be a good “all round discipline”, and many universities offer law degrees: ACU, Deakin, La Trobe, Melbourne, Monash, RMIT and Victoria (RMIT and Melbourne only offer post-graduate degrees – the Juris Doctor; Monash also offers the Juris Doctor). Law degrees generally take four years to complete, and need to be followed either by a year of articles with a law firm or a course at the Leo Cussen Centre for Law or the College of Law for graduates to be able to practice law. Some universities offer double degrees with law (eg with arts, commerce, engineering and so on).

It is important to understand that a large number of law graduates do not practice law as solicitors or barristers. Graduates are increasingly shunning the partnership track offered by law firms and opting for work in the corporate sector. The number of law graduates starting work in law firms dropped from 49.1% in 2005 to 43.7% in 2010 (Graduate Careers Australia). There are too many graduates for all to work in law firms. In fact, many law graduates never intended to practice law. They work in other areas such as the Department of Foreign Affairs and Trade (DFAT) and other government departments, in business, banking, management, crime, as law court officials (eg Judge’s Associate), ministerial advisers, in politics, law reform, journalism, in-house legal consulting, legal publishing and education.

**New Scholarships - Victoria University (VU)**
Chancellors Scholarships for Excellence will provide $5,000 pa for up to 4 years (max $20,000), plus offer additional benefits. To be considered you must achieve an ATAR (Australian Tertiary Admissions Rank) of at least 90.00. There will be 100 scholarships available. To be eligible you will need to be currently enrolled in Year 12, meet prerequisites for the course, apply for and be offered a place at VU and enrol full-time. Applications will be through VTAC, 7 August to 27 September.

**Melbourne Institute of Business and Technology (MIBT)**
MIBT Diploma courses are offered in association with Deakin University’s Melbourne campus and the Geelong campuses. The association between the two institutions is designed to offer both Australian and International students an alternative entry to university studies. It offers courses in commerce, computing, engineering, health sciences, management, media and communication and science. MIBT offers a range of support services and programs to ensure that students achieve their potential. Successful completion of an MIBT Diploma can lead on to second year in a related degree at Deakin University. See: www.mibt.vic.edu.au; NOTE: Monash College has a similar arrangement with Monash University (www.monash.edu/monashcollege).

**Ballarat Science & Engineering Challenge 2013**
On Tuesday the 28th May a group of Year 9 and 10 science students attended this challenge which was sponsored by the University of Ballarat and the Rotary Club of Wendouree. They competed with a number of other local schools in a variety of team-based problem solving activities.

Our students represented the school in an excellent fashion and had fun learning about the skills and thought processes used by scientists and engineers in their workplace.

We were very pleased to be awarded one of only two prizes given by the Engineers of Australia for the innovation and enthusiasm shown by all our students on the day.
Year 8 Medieval Day Friday 21st June

Hear ye, Hear ye!

As a part of the Humanities program, Year 8 students will be visited by Medieval Educators for a day of themed activities to give students a firsthand appreciation of life in Medieval times.

The team of Medieval educators will cover Medieval crime and punishment, fashion and clothing, dance, weapons and warfare, archery practice and the ever popular Tournament, where courageous knaves and maidens may test their skills against Knights in shining armour. Students are asked to come in Medieval style clothing. There will be prizes for best costume. There will be a charge of $10 per student. Being an ‘incursion’ at DSC, permissions etc are not needed.

Payment is due by Monday 17th of June.

College Bags - Parents Survey
Here is a link to the SurveyMonkey survey.
www.surveymonkey.com/s/GNL9WQD. There will be a separate survey for students.
The survey will be available on the Facebook page as well.
There is a paper copy in the newsletter – please return to the college as soon as possible.
We appreciate your input.

Thanks - Year 7 2014 Information Night
Thanks to parents Steph and Snez, and all the teachers and staff for putting on a great night for prospective 2014 Year 7 students and their families.
It was great to have new lights to help everyone find their way around the school during the dark night.

College Facebook Page Trial
We are going to put more photos on the Facebook (FB) page soon.
www.facebook.com/pages/Daylesford-Secondary-College/
Daylesford Neighbourhood Centre
We look forward to welcoming you to our free after school tutoring program at Daylesford Neighbourhood Centre.

Got assignments due? Missed some school? Feeling like you have too much work and its getting you stressed?

Why not get FREE Tutoring?

Information
The program is designed to cater for the differing need of individual students and offers tuition in key subject areas and the opportunity to learn study skills to cope with homework and assignments.

It can also help students who want to 'Catch up' after absence from school of lines, or who just want to gain confidence.

All school-aged students are welcome to attend particularly those currently in year 3-12 or VCE/VCAL

FAQ:

When do the tutoring program operate?
During school terms on Tuesday afternoons between 3.45 and 6.00.

Where are the tutoring sessions held?
All sessions will be held at Daylesford Neighbourhood Centre.

What subjects are being offered?
We base the subjects offered on the needs of the students. We have qualified tutors that do their best to create a unique program to suit individual students’ needs.

Who are the tutors?
Tutors are fully qualified, registered teachers.

Who can use the tutoring program?
The program is open to all students studying Years 3-12 or VCE/VCAL.

How much will the tutoring program cost?
Tuition is provided free of charge along with snacks.

Are Places Limited?
Currently the program is looking for students but if the program does become full a waiting list is started at reception.

How do I find out more?
To find out more or to get an Enrolment form, please contact Daylesford Neighbourhood Centre.

DSC College Backpack Survey

The college has an optional college backpack. The backpack is black with a white college logo. The brand is Spartan Chiropak and it is extra-large with a 3-year warranty.

The Family School Partnership Committee is surveying parents and students to get their feedback on the optional college backpack.

1. Does your child/children use the College Backpack? (Tick ONE only):
   - Yes (go to question 3)
   - No (go to next question)

2. If you answered NO - My child/children don’t use a college backpack.
   Tick as many answers below that apply (then go to question 5):
   - I didn’t want my child to have a college backpack
   - I didn’t know where to get a college backpack
   - My child/children didn’t want a college backpack
   - The college backpack was too big
   - The college backpack wasn’t value for money
   - The college backpack was too expensive
   - I didn’t know there was a college backpack

3. If you answered YES - My child/children do use a college backpack.
   Tick as many answers below that apply (then go to next question):
   - My child/children didn’t want a college backpack
   - The college backpack was too expensive
   - The college backpack wasn’t value for money
   - The college backpack was value for money
   - I would prefer to get the backpack where I get the other pieces of uniform
   - The college backpack is too big

4. If you answered Yes - My child/children do have a college backpack. (Tick ONE only):
   - The college backpack wasn’t value for money, OR
   - The college backpack was value for money

5. If you were buying the backpack would you prefer to buy it from. (Tick ONE only):
   - Where I buy most other uniform items (eg Daylesford Clothing), OR
   - From the College office, OR
   - Where I buy most other uniform items (eg Daylesford Clothing) OR from the College office

6. When picking a school backpack for your child/children (college or not), you considered:
   Tick as many answers below that apply (then go to question 5):
   - The quality of how the bag has been made (material, stitching etc)
   - How suitable it is for carrying school needs (food/drinks, school books, laptop computer etc) to and from school
   - It's design for reducing back problems
   - It's size
   -Didn't think about any of the above

7. Do you support continuing to have an optional college backpack? (Tick ONE only):
   - Yes, OR
   - No, OR
   - I don't care either way

Do you have any comments (please specify)
