**From Miss Holt Principal**

I wish to congratulate and thank our Senior College Captains, Angus Peri, Emily Thiesz, Declan Ryan and Maddy Jansen, who delivered a wonderful farewell and thank-you speech at our whole school assembly on Tuesday. Their appreciation for the efforts of the school, as a whole, and all their teachers was clearly evident. It was a delight to see them smiling and so excited as they talked about beginning the rest of their lives after such a great time at Daylesford Secondary College. I would also like to thank the incredibly talented drummer, Charley Phypers along with John Howell, Paddy Farrell and Jenny Bossinger, as members of “The Sprouts”, for their captivating performance. I know our audience was amazed by what they heard and saw, well done guys!! On behalf of our whole college community, we wish all our Year 12 students every success as they begin their final exams on Thursday 1st November.

Busy times are ahead as we progress to the end of yet another school year. Over the coming weeks we look forward to more presentations this Monday on Cyber Safety for students and parents (as we are an eSmart School) and several more camps and excursions. We are also involved in the Swiss and Italian Festa and there is an overnight visit by the Italian class from Belmont Secondary College. There is the Year 12 Valedictory Dinner, and of course, the official beginning of the 2013 school year on Monday 3rd December with the 2013 KICKSTART program.

**2013 KICKSTART**

Parents and students are reminded that that the 2013 KICKSTART program is the official beginning of the 2013 school year. Students move into their 2013 year levels and it is compulsory for students to attend. Our college Attendance Policy applies during this time and contributes towards a students’ 2013 attendance percentage.

The following dates are very important for ALL to know for the beginning of the 2013 KICKSTART program and the end of year arrangements.

2013 Uniform

Thanks to the outstanding work of our Uniform Audit Committee, we are delighted to have held our final meeting this week, and all plans are now in place to implement our new college Uniform Policy at the beginning of 2013.

Parents/Guardians will receive a detailed information package in the mail next week. This package will contain all essential information regarding our new Uniform Policy and all requirements for transition into our new uniform. Parents/Guardians should advise the college if they do not receive this package of information.

mates MENTOR Program

We are very pleased to implement the new ‘mates MENTOR’ program into our college in 2013. This program offers a number of our students the opportunity to establish a ‘mentor’ relationship with someone from within our local community. A great deal of work is done to match mentors and students. This program has been occurring in the Wimmera and Southern Mallee region now for some time, and has been incredibly successful.

The college is seeking interest from people who may be able to offer just 1 hour a fortnight in order to become a “mates MENTOR” for one of our students. Please see the information brochure inside this edition of the newsletter if you think you may be able to assist us in this highly valuable program.

Year 12 2012 Valedictory Dinner
Thursday 22nd November – Valedictory Dinner for Year 12 students and their parents. Arrive 6.30pm for a 7pm meal at Bellinzona Grange Hepburn Springs, Main Rd Hepburn. Ticket cost $45 each and these will be available from the General Office soon. I’ve been informed by the venue that final numbers must be confirmed one week prior (Thursday 15th November) and no additional bookings will be taken after that date.

I strongly encourage everyone to attend this very worthwhile evening, an excellent way to finish off the year. Phil White

Year 11 - Year 12 2013 Jumpers

Attention all Year 11 Students
On Monday 3rd December all Year 11 students will start Year 12 subjects in the 2013 KICKSTART Week. If you would like to purchase your Year 12 Jumper for that week, you will need to give me your nicknames and jumper size and pay a $30 deposit ASAP. Phil White

Australian Mathematics Competition 2012

This year 34 keen students undertook the gruelling task of trying to answer 30 difficult mathematical problems in the Maths Competition. All students are congratulated for participating and once again, they achieved some very creditable results.

2 Participation Certificates were awarded to Jacki Lipplegoes and Xana Rosini.

11 Proficiency Certificates were awarded to Flinders Judd, Sean Willes, Steven Mason, Sarah Bertoncillo, Tiger Callahan, Shelbi Picone, Aaron Faulkhead, Kelly Matheson-Miller, Kenzie Pethica, Rory Olver and Harry Robb.

17 Credit Certificates were awarded to Lachlan John, Bradley Hart, Allister Ferrier, Bethany Olver, Miranda Turbill, Ned Johns, Mikayla Kew, Nicolas Cooper, Holly McNamara, Tady Callahan, Edwin O’Connor, Stephanie Pama, Liam Fitzgerald, Julian Hobson, Angus Banks, Angus Peri and Daniel Savvinos.

3 Distinction Certificates were awarded to Dace Callahan, Jessie Iro and Kermit Pethica.

A High Distinction Certificate was awarded to Primo Clutterbok. Special mention needs to be made of Primo’s outstanding performance. His result was in the top 1% of the State.

The Maths Department awarded Gift Certificates to the top performing students at each level: Primo, Dace and Kermit. **Well done everybody**
**Music**

**Thursday, 1 November: Portrait Exhibition Hepburn Primary School (Swiss & Italian Festa)**
Primary school's from around the district will be displaying their artwork at this exhibition while live music will be supplied by students from Daylesford Secondary School, starting at 4pm.

**Saturday, 3 November: Swiss & Italian Parade and School's Concert**
Students from Daylesford Secondary College will take part in both the Parade and School Concert along with many schools in our region.

**Sunday, 11 November: Old Hepburn Music Gig**
Once again, there is an afternoon of live music showcasing the talent of musicians from Daylesford Secondary College from 3pm until about 6pm. Susan Verbyla

**Chemist for a Day**

On Wednesday 10th October, we had a visit from the “Chemist for a Day” van run by Victoria University. Our Year 11 chemistry students were able to use the special laboratory van to perform some quantitative analysis of the caffeine content of drinks and the active ingredient of aspirin. It was a great opportunity to use equipment and techniques that are not available at school. In the afternoon, the team came into one of our labs to run a workshop for some of our Year 9 and 10 students. These students may be considering selecting to study chemistry at a higher level and it was useful for them to see what a chemist can do! Our thanks to the team at Victoria University for providing these workshops.

**Objectives and benefits of Wheel Talk:**
- Raise awareness of disability sport in Victoria
- Encourage safer driving habits
- Point out dangers of drinking drug taking, poor decision making and risk taking in everyday life
- Create a greater understanding of people with disabilities and spinal cord injury
- Exposure to wheelchair athletes
- Encourage integration and participation by all
- Provides motivation and inspiration
- Thought provoking injury prevention education
- Fun and excitement

Each session comprised of a presentation by wheelchair athletes, a question time and a wheelchair basketball activity.

The students who participated in this activity had lots of fun and found it to be a very valuable experience. A big thank you to Ms Russ for organising the day for the students.

**Health & Physical Education**

**Wheel Talk Program at DSC**
As part of the disability unit in Year 9 Health and Physical Education all students, and some lucky Year 11 PE students, were involved in the Wheel Talk Program last term.

It was held in the ARC and aims to continue to develop student’s awareness of disability in the community while giving them the opportunity to experience the challenges faced by people with a disability.

**Student Wellbeing & Engagement**

**Cybersmart Presentation by ACMA (Australian Communications and Media Authority)**

All students in Year 7-10 will take part in a Cybersmart presentation by ACMA (Australian Communications and Media Authority) on Monday 29 October during Periods 5 & 6.

Parents and community members if you missed the Susan McLean presentation put this in your diary.

Parents and community members are invited to attend a FREE information session on Cybersafety at 7 pm on THIS Monday 29th October at Daylesford Secondary College. Tea, coffee and biscuits provided as well.

Care Monkey and Asthma Australia

CareMonkey is a safe and free web app for sharing health care information. Asthma Australia has partnered with CareMonkey in order to contribute to the safety and well-being of people with asthma. Parents can create a profile for their child in CareMonkey, which can be shared with trusted carers, including family, friends, teachers and sports coaches.

Vital information such as emergency contacts, health and safety alerts, medications, allergy details, asthma plan and more can be easily shared.

Consider creating a profile for your child with asthma (or other medical condition) and share this with others including the staff at your school or preschool.

Go to caremonkey.com for more information.

Holiday and Festival Asthma Trigger Warning

The upcoming holiday season and festivities planned during Term 4 and throughout the summer holidays may mean that your child is exposed to new triggers for their asthma. It is important for parents and carers, and children themselves, to be aware of changes to their environment and the activities that may impact on their asthma.

Christmas trees, both real and artificial could be triggers for people with asthma. Artificial trees may be quite dusty after being stored away, while both real and artificial trees may harbour mould. It is important to ensure that artificial trees are cleaned appropriately and that care is taken to select real trees that do not produce wind-borne pollen. All tree and other decorations should cleaned and free from dust and mould when used at home.

Scented candles, room deodorisers and air fresheners may also trigger asthma in those susceptible to perfumes, and care should be taken when purchasing these and other scented items at home.

Lastly, the added pressures of the year drawing to a close can cause stress and anxiety for many people, potentially triggering asthma attacks. It is important to consider ways that the whole family can enjoy the holidays and feel safe happy and comfortable.

Happy Holidays from The Asthma Foundation of Victoria.

Week 3 Term 4 2012

Year 9 Preparation for Work Experience 2013

All Year 9 students have had an opportunity to learn about, and prepare for their Work Experience in 2013. Our week for Work Experience in 2013 is 15th – 19th July (first week of term 3). We are writing to parents/guardians in the near future to provide further information about identifying placements and OH&S requirements.

Year 11 & 12 - NEW

Daylesford & District Agricultural Scholarship

$15,000 over three years for an approved Agriculture degree. See www.daylesfordrotary.org.au. Applications close December 14th.

Year 10 & 11 - Melbourne University Student Union VCE Summer School

Applications are now open for the Melbourne University Student Union VCE Summer School.

Any student who is considering university should attend this program.

Students are tutored in small class sizes and are offered one-on-one, focused learning. This creates a friendly and personal environment, where everyone is encouraged to actively participate.

The academic program is complemented by activities, workshops and the opportunity to hear from guest speakers.

A residential program is run concurrently for students from rural or regional areas. The residential activities program is designed to give students a taste of college life, as well as the opportunity to explore the city of Melbourne.

Key Details

When: Monday 7 January to Friday 18 January 2013
Cost: $170 for the entire two weeks. Students in the residential program are offered accommodation at no extra cost.

Full details on the program are available via the Summer School website: www.union.unimelb.edu.au/summerschool
Email: summerschool@union.unimelb.edu.au

Years 10 VCE Study Success Kits

Deakin Uni has developed a free study success kit. The kit will include a study success booklet with ideas about how you can manage time, develop good study skills, perform in exams and manage stress: a pen and some Deakin merchandise. Students can register to receive their free kit online.

The first 600 to register will receive a kit.

Years 10, 11 and 12 Dive into Design: Architecture and Design Summer School

Dive into Design - four-day workshop at the University of Melbourne. Introduces students to a range of design skills, programs and concepts, currently used in architecture and design tertiary courses and in the

industry. No prior skills or knowledge is expected. Rural, interstate and overseas students are encouraged to take part in the workshop and live on campus at Trinity College, on the university's campus, for the week.

When: Monday 10 December to Thursday 13 December 2012
Time: 9.30am — 4.30pm each day
Cost: $450 per student (includes all workshop materials, lunches and snacks).

For full program details and to register visit: www.benvs.unimelb.edu.au/summer-school-2012
For more information, contact Amber Perry, Faculty of Architecture, Building and Planning
Tel: 03 9035 4982

Students at all levels

Each year the Department of Education administers a large number of scholarships for students (including for tertiary study). These will open on 12 November but can be viewed on the following site:

Year 12 Students & Parents

We wish all our Year 12 students the very best as they leave school and enter apprenticeships, employment or further study.

A reminder that we are available to these young people for at least six months after leaving school and we will ‘track’ their progress through next year!

All Year 12 students have received an Exit booklet providing them with contact information and dates for ATAR and Round 1 offers. They also have a list of the university Change of Preference events that will occur after the release of the ATARs on 17th December. We remind students and parents that some students may need/wish to attend some of these at short notice.

Change of Preference closes 24 December at noon, but we would like everything to be sorted by the Thursday or Friday.

Also, we encourage parents/guardians to remind students to contact either of us (Marg Cattanach or Bronwyn Barlow) on the 17th December so that we can support students in any changes to their preferences.

Again, in January we would like to have contact with all students who have applied for a course through VTAC. Our office will be open from 10 am on 18th Jan (students can access their offers from 2 pm the day prior) and the students have our phone numbers.

La Trobe - New Bendigo Course in Sport Development

Brand new multi-disciplinary course focusing on the role of sport in creating sustainable communities. The Bachelor of Business (Sport Development and Management) is one of the only programs of its kind. Combining sport with business and community engagement, graduates of the new degree will be able to use sport as a tool to initiate positive social change. Students can tailor their graduate outcomes by selecting from three specialisations in Public Health, Physical and Outdoor Education or Management. The course also
blends theoretical knowledge with practical experience, empowering students to build professional networks while they study.

**Logistics Cadetship**

Ever wondered how your clothes make it to the store or how your food gets from the farm to your fork? Logistics involves the integration of information, transport and handling of these materials to meet customers’ needs and opens a world of career opportunities from entry level to senior management. The Victorian Transport Logistics Cadetship offers fulltime employment, a 2-year cadetship, Cert IV/Diploma in logistics, attractive salary and paid study leave. Do you enjoy being challenged? Can you problem solve? Do you have a positive attitude and a sound work ethic? You need to have your VCE or VCAL, be 18-25 years and have a drivers licence. **New Bachelor of Music at Victoria University**

Explore popular western music, jazz, electronic music, and non-western ‘world’ music through practice, theory, cultural analysis and critical listening. Cutting-edge music technology underpins units that explore song writing and composition for a range of applications including film, TV and multimedia in the B. Music, and equip you with the artistic knowledge, musicianship, technical fluency, creativity, critical listening and analytical skills for the music industry. Selection for the course includes an audition and interview.

Apply through VTAC (Code 43331), then contact ph 9919 2368 or greg.aronson@vu.edu.au for an audition/interview (at St Albans). You will be assessed on criteria including technical ability, musicality, dynamics, tonal quality, intonation, rhythmic accuracy and tempo, understanding of musical form and interaction with accompanying musicians and/or music.

**Arts at University of Melbourne**

Did you know there are over 30 majors and minors offered in the Bachelor of Arts?

Some of our lecturers recorded information about their study areas for prospective students who were unable to hear them speak at Open Day.

Can you remember a positive role model in your life when you were growing up, someone outside of your family who was a great supportive person to talk to?

Are you looking to give something back and make your community even stronger?

Would you like to positively support a local young person to develop to their full potential for **just 2 hours a month**?

Then why not get involved with the mates Mentoring Program!

Programs are starting up and we are recruiting now in Daylesford, for Daylesford Secondary College. Such programs have been implemented in schools across the Southern Mallee and Wimmera region with outstanding success.

For more information and to get a Mentor Application pack sent out to you, please contact Gina Scuffins 03 5336 5030 or 0427 931 428 or email gscuffins@highlandsllen.org or visit our website www.highlandsllen.org

*This program exists due to the strong volunteer support of the local community.*
