Uniform
Parents/Guardians should have received a letter and information brochure in the mail this week explaining our new Uniform Policy for 2013 and the transition process around implementing the updated policy.

Our College uniform is all part of our school’s CULTURE. Our policy reminds parents of the importance of a smart uniform and the benefits it brings to our whole school community.

Uniform benefits the students and College because:

• The wearing of uniform fosters school spirit, a sense of belonging and commitment to the College. When students are in the wider community, they are easily identifiable which can further promote the College and enhance College spirit.

• It imparts a sense of responsibility to the students and enhances our motto of ‘AIM HIGH’ and our reputation for excellence with regard to behaviour, presentation and achievement.

• It promotes equality amongst students by discouraging competition and short-term fashion trends. Uniform discourages peer acceptability based on the clothing worn by students.

• It is economical because uniforms that are of very good quality last longer and are cheaper than most casual clothes that students may want to wear. Also, the cost to keep up with the frequent fashion changes associated with casual dress and peer pressure are controlled.

• It enables students to participate fully in all College curricular and co-curricular activities without being impeded by dress or footwear.

• It safeguards our students, as an intruder or outsider may be spotted more easily and can be dealt with appropriately.

Our uniform presents a very “public image” of our school, and this is one issue that has been of concern in our College over recent times. We want to raise our school “image” within our community, as we believe this directly benefits our students. These benefits range from more community involvement in college programs, the community offering support to our students and even part time/full time job opportunities.

I have been delighted by the overall improvements that we have achieved over the past 12 months, and it is wonderful when we frequently hear very positive
comments about our college within the wider community.

Our students continue to receive outstanding educational opportunities from our very dedicated and talented teachers and support staff, and I am pleased to report that this is being acknowledged by parents and the wider community.

I am also delighted that our parents are supporting us by ensuring their children are arriving at school in their correct uniform. As we move into our new policy in 2013, I will continue to stress the importance of wearing our uniform with pride, and in a respectful, tidy and presentable manner.

Also, remember students have many opportunities throughout the year to come to school “out of uniform.”

I look forward to writing more about our College Culture in the next edition of the newsletter.

2013 KICKSTART

Students and parents are reminded that the 2013 KICKSTART Program is “kicking off” on Monday 3rd December. Students should ask their Home Group teachers if they have any further questions about the KICKSTART Program.

I remind all students and parents/guardians that the Program is the “official” beginning of their 2013 school year. Attendance is compulsory and will contribute towards 2013 student attendance percentages.

Snippets

- Congratulations and thank you to Mrs Mazzitelli, Mrs Penaluna, Ms Giacomuzzi (our Italian language assistant) and our Italian language students. Over the weekend they hosted Belmont Secondary College’s Italian language students and staff to learn more about the rich background of Daylesford and to experience the Swiss and Italian Festa.

- The group slept Friday night at the College and had a wonderful time utilising our wood-fired oven and seeing many sights across the district. We are delighted that Mrs Penaluna will be accompanying four of our students with the Belmont Secondary College group in a tour to Italy during January 2013. We continue to grow the relationship with Belmont Secondary College and our Italian language program.

- Well done to all students who “dressed to impress” on Monday for Melbourne Cup celebrations and we thank everyone who contributed a non-perishable food item to support the Daylesford & District Food Bank. In total, Ms Violante was ecstatic that we had over 11 green bags of food to donate.

- Again, this is a credit to our students and a clear indication of their kindness, their modelling College values, and willingness to support others in need.

- Great stuff!

- We also wish Year 12 students the best. They are still working hard as they are in the middle of their final exams. We look forward to celebrating with them and their parents at the College Valedictory Dinner on Thursday 22nd November.

- A VERY BIG thank you also goes to our College welfare team (Ms Bosch, Mrs Anderson and Mr Netherway) and our local police officers, Ian Wallace and Vanessa Bates. Together with ACMA (Australian Communications and Media Authority), they presented the Cybersmart national cyber safety education program for students and parents on Monday 29th October.

I certainly hope our students and parents are now beginning to understand that whilst social media is fabulous in so many ways, it also presents us with many challenges and dangers that we must be aware of, and how we can avoid potential problems. Cyber safety and the use of technology in general will remain a very big part of our school priorities well into the future.
