2013 KICKSTART
As we complete our final days of the 2012 timetable, we are looking forward to the launch of the 2013 KICKSTART Program on Monday 3rd December. All students were again informed about the importance of this program at a whole school assembly on Tuesday. If parents or students have any further questions about 2013 KICKSTART, please do not hesitate to contact the College.

Uniform - Quick Reminder
I would like to take this opportunity to remind all students that the College uniform is expected to be worn in its correct manner through to the end of the year. I remind parents and students that white socks, NOT BLACK, are part of our uniform policy.

FREE DRESS & Sausage Sizzle- Cancer Council Fundraiser- Tuesday 27th November
Our final College “free-dress” fundraiser for 2012 will be held on Tuesday to support Pat Kopke, a friend of Ms Natalie Kirby. Pat will be riding his bicycle non-stop from Adelaide to Melbourne to raise funds for the Cancer Council. Pat leaves Adelaide on Friday 30th November and hopes to reach Melbourne on Saturday 1st December. Pat will speak at a whole school assembly on Tuesday about his planned experience, and we are looking forward to hearing about the very challenging and courageous journey ahead of him.

We thank Pat greatly for taking the time to come and speak to our students. A gold coin donation is required for “free-dress” and sausages at lunchtime are for sale at $1.50 each. All money raised will be presented to Pat to support his cause.

Valedictory Dinner
Tonight we celebrate with our current Year 12 students the official completion of their secondary education at a Valedictory Dinner. I am really looking forward to celebrating a fabulous year with our very committed, passionate and talented students. I am delighted by the commitment our students have shown during their exam period, taking every opportunity to work with their teachers prior to their exams in order to be the best that they can possibly be, a true show of college value of Endeavour!

We congratulate ALL our Year 12 students on a very successful year, and we will continue working with them over the coming weeks to ensure their future pathways are well planned and achievable.
I wish to thank Mr. Phil White, who has again worked tirelessly to ensure tonight’s dinner is a great success, and who has developed the Walk Down Memory Lane presentation for our students - such a valuable keepsake for them all.

Thank-you to Grange Bellinzona in Hepburn Springs for again hosting our evening. Your ongoing hospitality and support of our College is greatly appreciated.

**End of Year Activities Program and Final Days of School for 2012**

All students currently in Years 7-9 are expected to be involved in the ‘End of Year Activities Program’ held in the final week of 2012. Students should now have completed their activity selection forms.

Forms should be returned to the General Office ASAP. Some activities have limited places available. In this situation, early submission of forms and payment for the activity will determine the allocation of student choices.

**Cultural Development @ Daylesford Secondary College**

I have discussed in recent editions of our newsletter how pleased I am at the progress we are making across our College with our key focus being Whole School Continuous Improvement. What we mean by this, is always ensuring that our College is providing outstanding teaching and learning opportunities for our students, and that our school environment is a positive and vibrant place where students are able to achieve to their greatest abilities through wide and varied learning opportunities.

I am very pleased that Mr. Alec Cimera will be taking on a new role within our school in 2013 in addition to his teaching. This role will be known as “Cultural Development” and I encourage you to read Mr. Cimera’s letter contained in the following pages. This role is another way in which we hope to create further links with our parents and community members.

Student Scholarships All Years
The Education Department awards scholarships to students across all year levels. The scholarships, ranging from $250 to $5000, are offered to primary and secondary students and can be applied for online between November and December each year.
Scholarships are generally awarded based on:
- excellent academic achievement
- outstanding participation in the school and local community
- financial need (determined by parents being eligible recipients of the EMA)
For more information, including closing dates and online applications, see: www.eduweb.vic.gov.au/scholarships/default.aspx

Year 9 Students RMIT Science Experience 2013
The Science Experience is three fun-filled days of hands-on activities and practicals for students entering Year 10 in 2013.
This popular school holiday program allows Australia’s next generation of curious scientists to go behind the scenes and sample the exhilarating world of science and technology. Students will perform experiments, participate in field trips, attend university lectures and experience three days of student life on campus at RMIT.
Tuesday 22 to Thursday 24 January 2013, cost: $110

Monash New Music School & ‘How to Write a Pop Tune’!
Monash University is to have a new state-of-the-art building to house the Sir Zelman Cowen School of Music. “The School of Music is consistently ranked among the best in Australia but our facilities have not kept pace with our achievements,” Professor Frances said.
Other exciting news from the School of Music is the addition of a new subject titled, “Song writing: how to write a pop tune.” This unit is an introduction to the fundamental concepts of popular song writing. The subject will include weekly lectures focusing on popular composition and creative writing. It also examines context, methodology and the history of song. Included will be visiting artists from the profession and critical feedback.

La Trobe University
Bachelor of Arts (Major in Asian Studies)
The three-year Bachelor of Arts (Major in Asian Studies) could be ‘just what the Government ordered’ according to The Age. This La Trobe course ‘gives you the chance to learn all about Asia, teaching the kind of cultural sensitivity required when interacting with people of Asian background’.

Exclusive Business Degree for Bendigo
In 2013, La Trobe Business School at Bendigo will offer a new degree exclusive to the Bendigo campus and
introduce a degree that has previously been offered only at the University’s Melbourne campus. The new Bachelor of Business (Sport Development and Management) degree is one of only a few offered in Australia, while the Bachelor of Business (Event Management/Marketing) will now be available at the Bendigo campus as well as in Melbourne.

**La Trobe University New Science Degrees 2013**

We have redesigned our science degrees for a changing world. If you enjoy science but also have an interest in areas such as business, communications or social sciences, then this is for you. Our focus on industry connections means you will graduate with the knowledge and skills employers are looking for. Our Applications in Society course allows you to put your science knowledge in context, equipping you for exciting careers with a unique and relevant qualification.

**La Trobe Wins Planning Awards**

La Trobe University’s planning and community development program has cleaned up at the Planning Institute of Australia’s (PIA) annual Victorian awards, walking away with two titles. La Trobe’s courses and students competed against major developers and government organisations across the state.

**Year 11 - 12**

**La Trobe Library Membership**

Looking for a quiet place to study? Are all the books you want to borrow in your school library out? Take advantage of the fact that you have a university library nearby in Bendigo. Any member of the public is welcome to use the facilities in our libraries, and now local Year 11 and 12 students can borrow from the collection.

We also have a comprehensive range of services and e-resources available to senior secondary school students and staff.

**Community News**

**EXCITING NEWS from the Daylesford Community Theatre Inc. (DCT Inc)**

**The Rex Cinema / Theatre**

In the coming, few months The Rex Arcade in Vincent Street will have a brand new space opening to the public, which is exciting news for the whole community. A Cinema / Theatre is half-way through construction with a stage already built, flooring laid, dressing room done, projection room ready for equipment and chairs currently being assembled. It is designed for young and old to use for film and live theatre, music events, festivals, functions and fundraising.

We are interested in hearing from members of the local community particularly first and secondary school students who wish to be a part of this amazing development. The Theatre is looking at holding youth short film festivals and local youth theatre shows and productions.

So get your creative caps on, start shooting that film script or writing that play... get your friends together and get ready! The Rex Cinema / Theatre is coming soon to your town!

To Parents / Guardians and Friends,

Cultural Development Program
Increasingly we are reminded that we live in a world that is culturally diverse.

Guided by the Melbourne Declaration on Education, educational goals for students are outlined in the Australian Curriculum, and they recognise the need to develop students' knowledge of other cultures - their history, languages and society. There are exciting and dynamic ways of achieving this beyond what we already do.

I would encourage the view that all (good quality) cultural experiences or 'infusions' are beneficial toward developing a more tolerant, motivated, informed and cultured student. These are the central objectives in the program as planned.

Such knowledge and understanding is essential in helping students become increasingly imaginative, thoughtful and involved members of society. It is seen as a vital component that will better equip them for the world in which they live - locally, regionally and globally.

I anticipate initiating ideas independently, and working closely with different subject/curriculum areas, keeping a mind to minimise the potential to disrupt. To make any presentation or activity affordable and available for each student is a priority.

I will be seeking initial funding for, and working towards the establishment of a College Cultural Development Team - with teacher, parent and student representation. If you have an interest and can spare a little time once per month to discuss ideas, I would be pleased to make contact. I will inform you when and where, in the newsletter in February 2013. Think about it, get involved in a different way and make a difference. We need you, and we want you, and your ideas.

A Special Thank-you
I will take this opportunity to thank the anonymous person/family for the gift of $5,000, given to the College art faculty. We have been able to purchase two electronic film screens mounted in each art room, and have plans in place to put the balance towards a significant outdoor sculpture in the school grounds.

Your generosity is commendable, and has made a significant difference.

Thank-you.

Alec Cimera
