From Miss Holt Principal

2013 KICKSTART
I am delighted to report a very successful first week of the 2013 KICKSTART program.

Congratulations to all students! Attendance had been outstanding, 100% attendance has been observed in most classes throughout the week, and I report that our students are highly engaged in their new 2013 subjects and learning activities!

This is wonderful news at a time of the year when things are often “winding-down” in schools, and students often see little purpose in the final few weeks of the year. We now have students already actively planning their progress for the 2013 school year.

I wish to thank all College staff; they have worked extremely hard to ensure the success of this program.

Some students may discover during these KICKSTART weeks that their unit selections may not meet all their requirements. For students within our Middle Learning Community, requests for Unit changes should occur prior to the end of the year to avoid any changes or disruptions at the beginning of 2013.

Lockers
Students have now received their new lockers for 2013. Whilst our College values of ‘respect’, ‘cooperation’ and ‘honesty’ generally ensures that student’s items remain safe at school, we do highly recommend that all students purchase a lock for their lockers.

Spare locker keys can be left at the General Office. Where a lock is not placed on a students’ locker, the College will not be able to assist should any items be removed without permission.

We encourage students to purchase a lock as soon as possible.

End of 2012 School Year Arrangements
Over the following two weeks, we ask parents to take note of the following key activities across the College:

Friday 7th December
- WEEK 1 - KICKSTART last day for 2013 Years 11 & 12 students.

Monday 10th December to Friday 14th December:
- WEEK 2 - KICKSTART includes 2013 Years 8 to 10 students only.

Tuesday 11th December:
- Year 7 Transition Day Our new 2013 Year 7 students will attend our College, and they will be placed in their new Homegroup, receive their 2013 timetables and meet the first of their new teachers and new classmates for next year.

Parents may also wish to stay on from 9am for a quick cuppa, meet and greet, and ask any further questions regarding their child attending our College next year.

We also look forward to the first school day next year, Wednesday January 30th, where new parents are invited to an informal meet and greet, chat and coffee with current parents to be held at the Harvest Café from approximately 9.30am.
Monday 17th December to Friday 21st December:

- Final week of Term 4 - 2012. End of Year Activities Program occurs throughout the week.

Other Key Activities Include:

- **Tuesday 18th December** - Results and Rehearsals Day. Please see inside today’s newsletter for a detailed explanation of the activities and requirements for this day.

- **Wednesday 19th December** - Annual College Presentation Evening @ 7pm. I encourage all members of our College Community to come along to this evening to witness and help celebrate the many outstanding achievements of our students throughout the year.

- **Thursday 20th December** - Final day of End of Year Activities. School finishes at 3.30pm. Bus times as per normal.

- **Friday 21st December** - Teachers will be available for parent contact from 9am to 11.30am. Where students need to attend school on this day, they will be involved in the College end of year pack-up program. As our student reports will look quite different this year, due to AEU Action, parents may wish to contact teachers either by phone or by email for an update on their son or daughter’s achievement throughout Semester 2. One way parents can contact the College, or request a teacher contact them is via our website under the “Contact” tab at the top of the page, and then by selecting the “Contact Us Now” link. Your email will be directed to the requested person immediately.

### 2013 Uniform

I remind parents of the information that has previously been sent home regarding our new uniform policy and clothing items for 2013.

Daylesford Clothing is now taking pre-orders for 2013. We remind parents that grey shorts and trousers, polo shirts and windcheaters are being phased out over the two-year transition period. We encourage parents of students who need new shorts or trousers to purchase our new Perm-a-pleat uniform items from Daylesford Clothing. Both male and female shorts and trousers are available. I also remind parents that Double C Jeanery in Daylesford and Lowes in Ballarat will continue selling our current uniform items, and are doing so at much-reduced prices.

While students in Years 8 to 12 in 2013 can continue to wear a white polo shirt or windcheater, it must contain the College logo/crest and these items will not be approved uniform after 2014. I also remind parents that only students in Years 11 and 12, as members of our Senior Learning Community, are permitted to wear the black jumper.

All Year 7 students in 2013 will be required to wear our new uniform items. Please contact the College General Office is you have any further questions.

### CONGRATULATIONS University of Melbourne Kwong Lee Dow Scholarships

Very big congratulations to Year 10 students, Lydia Edwards and Jessie Iro, who have been awarded this prestigious award. Our College has been extremely fortunate where two of our students have received one of these scholarships now for many years. Well done, Lydia and Jessie, we know this will advance your outcomes and opportunities during your VCE studies.

### College Council

Our final College Council meeting for the year will occur next week. We hope to finalize a number of matters including dates for known ‘pupil free’ days in 2013, and further plans towards some facility upgrades and refurbishments across the College to occur next year.

No further advice has been received by the school regarding any chance of completing our College rebuild, so we will actively work towards refreshing our currently very tired rooms with the little resources available, in order to try and keep our learning environment as aesthetically pleasing as we possibly can.

### Thank-you

I would also like to thank our parents for their patience during the recent disruption to our phone system caused by storm damage. I am pleased to report a complete new phone system has now been installed, EFT-POS is again available for payment of student fees and other items, and parents will now be able to leave voice messages directly for specific teachers when they cannot be contacted.

Patrick Kopke Visit

Last Tuesday Patrick Kopke came to visit DSC students to speak about his bike ride from Adelaide to Melbourne to raise money for the Cancer Council. Patrick's ride, 'Ride for Life – Adelaide to Melbourne Nonstop' aimed to raise $10,000, a target that he met with the assistance of DSC students who raised $500 on the day. He spoke to the students about the ride, his preparation and what inspired him. Patrick provided a great example of our College value 'endeavour', showing students that ordinary people can do extraordinary things. Students were eager to ask Patrick questions and we look forward to having him back to hear about his adventure.

Lost Property - Are you missing something?

There is a table set up outside the General Office student window - full of lost items! Anything not claimed by the end of the year will be donated to the second-hand uniform shop or a local op shop.

Stanley Hammond Awards

Reece & Jed received their awards for finding and returning a student’s property.

Rotary Youth Exchange – A Chance of a Lifetime! Host Families Invited Now!

Rotary Youth Exchange invites kind and caring Host Families within the community to assist local Rotary Clubs offer an outstanding exchange program to young people from all over the World. A Host Family is a vital part of this cultural and educational exchange and typically hosts a student on a voluntary basis for a period of between 10 to 16 weeks. In doing so, a Host family officially becomes a Friend of Rotary International. The Host Family plays an integral role in offering the student the experience of a new culture and language, whilst at the same time learning itself about a different culture from a young leader. It is a direct window to the world for all members of a Host family. You not only share a young person’s hopes and dreams, but more importantly, you make those dreams possible.

Hosting is the beginning of a lifelong friendship and connection with a student and family overseas. Whilst it can be challenging to help a young person transition to a new culture and ease into the surroundings, it is always fun and the rewards are immeasurable. Host Families in the Rotary Youth Exchange program come in many shapes and sizes! Young children, older children, no children at all, extended families and older generations – all have been successful in hosting exchange students.

Please consider this amazing and rewarding opportunity now. Enquiries are most welcome to any of the Committee Members listed below.
