Enthusiasm was high last Friday evening and

Working Bee

Enthusiasm was high last Friday evening and Saturday morning as the next steps were taken to maintain and beautify our school grounds. Many staff, parents and students banded together to weed the gardens, clean and tidy various areas, paint the change rooms, paint the B-Block wall and spread mulch across the garden. Seats were installed in the playgrounds and some lawn was sown. Special thanks go to Brendan and Martin for their organisation and to Ms Annabel Mazzotti and Ms Keele Breen who have taken the lead in refreshing the change rooms. There is no doubt that these changes are having a positive impact and provide a more pleasant environment for our students.

Launch of Youth Medical & Wellbeing Centre

The Youth Medical and Wellbeing Centre was launched at our whole-school assembly last week. The launch by Dr Jane Foley heralded a renewed approach to health, medical and wellbeing. Students can access this free service on Monday afternoons from 1-3pm. Visits can be for cold, flu, headaches, gastro, mental health and other medical or wellbeing issues.

This is a wonderful service provided through the auspices of Springs Medical Centre, Hepburn Health Services and supported by Daylesford College Council.

School Council Elections

School Council elections have now concluded with some renominations and some new faces. I am pleased to inform you that the parent representatives on Council for 2015-2017 are Paul Bertoncello, Stephanie Barron and John Dixon. Council has the opportunity to co-opt additional members which will occur at the first Council meeting on 18 March.

SRC Elections

Congratulations to the 24 students elected to represent their home groups on the Student Representative Council. One student from each of the 24 groups has been appointed with a deputy representative available if required. An SRC president will be elected shortly.

Coming Up: School Promotion; Trip to Italy; Year 7 Camp

Three significant events will be occurring over the next few weeks. We have the 2016 Information Night for the Years 5 and 6 parents and students on Wednesday 11 March. This is an opportunity for prospective families to find out information about the College. We know we have a good school here-we need all prospective students to learn everything they can about the opportunities we offer. Speaking of opportunities, the other two events provide immense opportunities for students. The first is the chance for seven of our students to spend 24 days in Italy. Yes, this group, accompanied by Ms Mazzitelli and joined by Belmont High School students will spend two weeks attending a high school in Italy followed by some cultural experiences touring the country. This trip is a feature of their LOTE studies this year. The second opportunity is where the Year 7 students head off for a three-day camp on 18-20 March. This is designed to build relationships and work together in a pleasant non-school environment.
INVITATIONS TO YEAR 7 2016 INFORMATION NIGHT - MARCH 11TH
AND TO YEAR 10 PARENT WORKSHOP - MARCH 12TH

Year 7 2016 & 2017 Information Night (Grade 6 & Grade 5 Primary School Students)

On March 11th, we will be holding our open evening, Information Night for the 2016 Year 7 students and also 2017 Year 7 students.

All families are welcome to attend to see the school on display, enjoy a meet and greet BBQ and attend an information session.

The evening will begin at 5.30pm and end at 7.30pm.

Year 8 parents would have received a letter in the mail explaining the expectation of Year 8 students to attend, their parents are also invited to come and enjoy the BBQ.

Year 10 Parent Workshop -

Dear Year 10 Parents,

You are invited to attend our Year 10 Parent Workshop on Thursday 12th March, 6.00pm to 7.00pm. Year 10 is a vital year in a student’s pathway into further study and work and parents have a crucial role to play in this year.

Our workshop includes a presentation about the importance of education in young people’s lives and the important ways in which parents can support them in their journey as well as providing an opportunity to meet with other parents and share experiences and ideas.

By the end of this workshop you will be able to:

- Better support your teenager in their learning journey.
- Have a career conversation with your teenager.
- Know and understand the senior pathways.
- Learn about some useful career resources.
- Understand the influential role you play; and
- Become a career ally!
Daylesford Secondary College Community
Appreciates all the support the College has received – Thank You.

3 March 2015

Daylesford College newsletter
&
Graham Holmes, Principal, Daylesford College

Marcus and I were touched to read the letter in the last Daylesford College newsletter, regarding the rejuvenated College gardens. We too were very happy with the results, and the incredible enthusiasm and generosity it has created within our community. So many community members have volunteered their valuable time and resources to make this project happen and many more are continuing to do so, with the working bee that took place last weekend.

Another amazing story: Marcus happened to mention the garden rejuvenation project to Martin Scanlon, who does not live anywhere near Daylesford. Martin contacted us last week to say he loved what was happening and has given us $1000 to help cover the $2800 cost of materials that Marcus and I incurred during the garden reconstruction.

The total cost of the project in January was $6180.10, of which $3350.10 has been provided by funding from the College Facilities & Grounds Sub-committee. Other College parents are now organising a fundraiser at the Old Hepburn Hotel on 22 March 2015. Support this event if you would like to help cover the costs of the garden rejuvenation project and to raise funds for the continuation of this project.

It has been a fabulous couple of months at our community school! Thank you, all.

Carolyn Lau

Daylesford Secondary Rejuvenation Project

Fundraiser at the Old Hepburn Hotel

on Sunday 22 March 2015

“Look out for more information in our next newsletter”
Student Absences
We have been back at school for a few short weeks and already there are worrying signs of poor attendance by some students. When students stay away from school their learning and friendships are affected and their teachers become frustrated and disappointed because learning becomes disjointed and difficult.

Students who stay away from school often:
- Miss the introduction of new work.
- Fail to complete work.
- Fall behind with their learning.
- Develop disjointed study routines.
- Miss important notices, information and newsletters.
- Miss celebrations, excursions and other important events that support learning and development.

I urge you to monitor the attendance of your child to ensure that they maximise their learning opportunities and increase their chances of success at school and into the future.

2ND HAND BOOK STALL – MONEY TO BE COLLECTED

Any families who put books into the Second Hand Book Sale last year to be sold can now collect their money from the General Office. Books not sold can still be held by the school to continue selling. If you wish to collect books not sold please contact the office beforehand so they can have the books ready for you. If your child is collecting the money on your behalf please send them with a note signed by the Parent / Carer giving permission for them to do so. Any monies not collected by the end of the first week in Term 2 – Friday 17th April will be placed in your family account.

Books not able to be sold will be donated to charity if not collected by Friday 17th April 2015.

If you would like to confirm if you have money or books to collect
Please call Lisa at the General Office on 5348 236

Working Bee
THANK YOU to all the Students, Parents/Guardians, Community Volunteers and DSC Staff who came last Friday afternoon and Saturday morning to help, we very much appreciate your support.

Bookings are now open for ski camp 2015!
If you’re in Years 8 to 11 and interested in learning how to ski or snowboard (or if you simply wanting to perfect your technique), then this camp’s for you.

Dates: Tuesday 11th-Friday 14th August
Location: The Alzburg resort, Mansfield and Mount Buller

Students who are interested in attending can collect further information from the office or see Ms Williams.

Junior Learning Community

Year 7 2015 BBQ

The annual Year 7 BBQ again ran in 2015. With approximately 80 people attending, it was a good opportunity for families to have casual conversations with staff, and put faces to names.

Thank you to all the families and staff that attended.

Thank you also to the Year 8 and 9 parents who came and assisted with the set up and pack up on the BBQ.
CONGRATULATIONS! to the following students elected in their Home Groups to be their SRC 2015 Representatives and Deputy Representatives.

**Flinders:**
1F Rep. Isabella Marion (9.2)  
Deputy Rep. David Gamble (81)  
2F Rep. Janall Hineman (11.1)  
Deputy Rep. Trent Eccles (11.1)  
3F Rep. Declan Olver (11.4)  
Deputy Rep. James Watson (12.1)  
4F Rep. Erin Card (8.1)  
5F Rep. Lauren May (11.3)  
Deputy Rep. Blake Harris (7.2)  
6F Rep. Melissa Howell (12.4)  
Deputy Rep. Erin Gilbert (11.4)

Deputy Rep. Conor Malone (7.1)  
6S Rep. Brooke Turnbull (7.4)  
Deputy Rep. Adam Hartup (8.1)

**Science**

3D Printer

Ben will be making his own 3D printer.

Many of you have noticed that the 3D printer in the science corridor has been in action over the last few weeks and have been curious about what is going on.

Ben Gervasoni in Year 11 has been busy printing some special parts which he will use to make his own 3D printer – weird eh??

It is well on the way to completion and he promises that he will send us some photos when it is finished.

This type of technology is finding more and more applications and you may have heard about the jet engine that has been 3D printed recently [http://csironewsblog.com/2015/03/03/how-our-3d-print-tech-led-to-jet-set-success/](http://csironewsblog.com/2015/03/03/how-our-3d-print-tech-led-to-jet-set-success/)

Hopefully Ben will agree to running a workshop for students interested in 3D printing later in the year.

**Sports/PE/Outdoor Education**

**House Athletics**

Will be held on Monday 23rd March at Llanberris Reserve in Ballarat. Students will travel by bus to the venue and return by 3.20pm.

All parents and friends are most welcome to attend this annual event and students are encouraged to wear house colours on the day.

The High Jump and 1500m will be conducted at school on Tuesday 17th March. House Meetings will be on Monday morning the 16th March.
Eureka Swimming

Congratulations to all Daylesford Secondary College students on their efforts at the Eureka Swimming Carnival last Wednesday.

Outstanding performers on the day were:

- Tyler Olver 1st (14), Freestyle, Breaststroke, Backstroke & Butterfly.
- Finlay Loft 1st (13), Freestyle & Butterfly
- Sarah Bertoncello 1st (16) Freestyle & Butterfly
- Harrison Knight 1st (16) Breaststroke
- Alister Ferrier 1st (16) Backstroke
- Zarli Downing 1st (13) Backstroke
- (14) Medley Relay – 1st. Tyler Olver, Leigh Lovig, Joel Bertoncello and Damon Pearce
- (14) 4. 50m Relay – 1st. Finlay Loft, Tyler Olver, Leigh Lovig and Joel Bertoncello
- (16) 4 x 50m Relay – 1st. Jordy Barnes, Ned Johns and Harrison Knight

Tyler and Sarah were named Age Group Champions for their respective groups.

A fantastic effort!

A big thank you to Luke Roberts, Gemmah Gill, Sharni Stone and Jess Stirling for their help on the day.

Martyn Nettleton – Sports Co-Ordinator

---

Eureka Volleyball

Congratulations to the Intermediate Girls and Senior Boys teams on being the Eureka Champions last week. They now both advance to the Greater Western Region Finals in Horsham in May. Many thanks to Colin and Natasha Priest for their help on the day.

---

Senior Learning Community

Permission To Drive To School

Students who want to drive to and from school must make an appointment to see Mr Holmes and will need all relevant documentation completed and filed at school.

Signing In & Out

Students who have study periods for periods 1 & 2 or 5 & 6 and would like to study from home need to see Mrs Olver or Ms Kirby and have relevant documents filled out. Please note, students will not be granted an ongoing lunch pass.

Special Exam Arrangements

Students sitting Units 3 & 4 exams can apply for special exam arrangements. Students may be granted special exam arrangements if they meet the VCAA requirements. Please note that while the college will assist with the process, the decision to grant or deny special exam arrangements is external to the college and requires all relevant forms, certified medical evidence and documentation to be submitted to the college by Wednesday 25th March, 2015.

Reminder: Opportunities for Year 11 Students

Rotary Murray Darling School of Freshwater Research-Albury

Wednesday April 8 to Monday April 13, 2015.

This school gives an introduction to university life and provides the opportunity for students to work alongside some of Australia’s leading scientists. Open for Year 11 students. The programme contains a generous amount of fieldwork together with laboratory experience. Residential in Albury. Fully paid for by your local Rotary Club but the successful applicants (up to two) will need to find own transport to Albury. Enquiries to Jan Pengilley: Rotary Club of Daylesford on 5348 2000. Applications close March 18, 2015.
Rotary Adventures in Citizenship -
Canberra – Saturday May 9 to Saturday
May 16, 2015.
This is Budget Week for the Federal
Government, an exciting time for people to be
in Canberra. The cost for the week is $1000,
fully paid for by your local Rotary Club. This
covers virtually everything including airfares.
Delegates will be met on arrival in Canberra
and are home hosted with Rotarian families of
friends of Rotary. Applications close on April 10
or earlier if fully booked so if you would like a
chance to have this awesome experience,
contact Jan Pengilley, from the Rotary Club
of Daylesford, on 5348 2000, by March 18.
Our Rotary Club is able to fund only one
applicant, so get your expression of interest
to us as quickly as possible. Acceptance is
by interview. For an outline of the programme
go to. Entry forms can be found under the
“Participate” tab.

Student Engagement &
Wellbeing

Student Courses:

**Level 2 First Aid** – Tuesday 17 March for VET,
VCAL and other senior students

**Responsible Service of Alcohol Course** –
Thursday 12 March.
Senior students. Contact Ms Bosch.

Immunisations

Three big changes to the
Secondary School vaccine
program

In 2015 three major changes to the vaccine
program will impact on parents of secondary
school students:

1. The *Hepburn Shire* Council’s
immunisation service may contact you
about the secondary school vaccine
program. Schools have been authorised
to provide parent contact details to local
councils for this purpose. Contact the
school in writing by 12 March 2015 if
you do not want your contact details
given to *Hepburn Shire* Council.

2. In 2015 only, the vaccine that protects
against diphtheria, tetanus and
whooping cough will be offered to all
students in Years 7, 8, 9 and 10. From
2016, this vaccine will be offered to
Year 7 students only. This will provide
earlier protection from these diseases.

3. The time-limited human papillomavirus
(HPV) vaccine program for Year 9 boys
was completed in December 2014. HPV
vaccine will continue to be offered to all
students (both male and female) in Year
7 from 2015.

Look out for the vaccine consent form’s in the
mail. You need to read, complete and return the
form/s to the general office regardless of
whether your child is being immunised at
school, by Thursday 26 March 2015.

To learn more about the changes, the diseases,
the vaccines, or how you can prepare your child
for vaccination go to
www.immunehero.health.vic.gov.au

Vaccinations for 2015 will take place on:
Thursday 23 April, Thursday 25 June and
Thursday 15 October.

School Uniform

**DSC Uniform**
Daylesford Secondary College has a
distinctive and smart-looking uniform. The
official uniform, as approved by College
Council, can be purchased at Daylesford
Clothing who is the official supplier of our
school uniform.

For your information at the end of the
newsletter the DSC School Uniform
brochure can be sited to assist you in
ensuring that your child or children are
adhering to our uniform policy.

Open Mic Afternoon Performances
22 March 2015

**OPEN MIC AFTERNOON -
ENTRY FORM**
Would you like to perform at the Open Mic
Afternoon Sunday 22 March 2015 at 3pm at
the Old Hepburn Hotel.

Please see the attached ‘Entry Form’
atached at the end of the newsletter and
return the form to Daylesford Secondary
College no later than 18th March 2015.
A note for all, young and old!
Traditional methods by which employers hire and job seekers apply for jobs is being disrupted by social media applications such as Google+, Facebook, LinkedIn, Instagram and Twitter. Employers now use social media to screen candidates, research their personality and check their online presence. Students need to be ready and start building their online profile whilst they're still at school and consider the appropriateness of their current actions!

Years 10, 11 & 12 students & Parents
Easter Holiday University Opportunities

Two universities are holding events in the next holiday period

Experience La Trobe  5 campuses.
- Melbourne Campus, Thursday 9 April & Thursday 9 July
- Bendigo Campus, Friday 10 April & Wednesday 8 July
- Albury-Wodonga Campus, Friday 19 June
- Mildura Campus, Friday 3 July
- Shepparton Campus, Thursday 2 July

Students will have the opportunity to attend workshops, lectures and seminars of their choice to find out about career options, areas of study, pathways and student life while parents will be able to participate in our special ‘parents program’. Registrations for the first two Experience La Trobe events at our Melbourne and Bendigo campuses are open:
http://www.latrobe.edu.au/experience/events/experience-la-trobe-events

Places are limited so students should get in quick to design a personalised program for the day.

University of Melbourne
Access Melbourne - Friday 10 April – register on-line.

CAREERS IN THE DEFENCE FORCES – entry is usually through general or officer entry.
- General entry requires applicants to have at least Year 10, be at least 17 years, and to pass a number of physical, mental and character tests.
- Officer entry requires applicants to have a high ATAR in their VCE, and also to pass various tests. Officer entry applicants study in Canberra at the Australian Defence Force Academy (ADFA), a campus of the University of NSW. Degrees on offer at ADFA are: Arts, Business, Engineering, Information Technology, Science and Technology. Successful applicants complete their military training during university holiday breaks.
- Defence Force recruiting hold information sessions throughout the year. Call 13 19 01 for details, or see: www.defencejobs.gov.au.
- Defence Forces offer the ADFA Education Award, presented to Year 12 students in recognition of leadership potential, and academic and sporting achievements exhibited during Year 11. The award is a laptop computer, with up to 100 awards on offer annually.
- ADF Gap Year program still operates – it provides an opportunity for young people who have completed Year 12 to gain military training and new skills.

Veterinary Science
In Victoria, veterinary science can only be studied at the University of Melbourne. The Faculty is holding a Course Advice Day on Saturday 21 March (10am-3pm) at the Werribee Campus, 250 Princes Highway, Werribee. For further information please visit http://fvas.unimelb.edu.au/news-and-events/events/course-information-day. This will be different from previous years. There will be a tour of the hospital for which you must register.

Year 12
Any Year 12 student considering applying for a medical degree should make an appointment as soon as possible and note that UMAT Registrations due by 5 June; Test Date: 29 July, 2015

2016 changes to Health Science at Monash University
This year was the last intake into the Bachelor of Health Science course at Monash and this course will be disestablished at the end of this year. From 2016, students will enrol into a new course called the Bachelor of Health Sciences and students will choose one of 4 specialisations:
**Radiation Sciences**: Focusing on imaging to detect and treat cancer. Cancer is treated by radiation. Students will have to do a 3 year bachelors and then a 1.5 years Masters.

**Public Health**: This course is focused on health promotion, prevention and monitoring. For practice, policy and research.

**Human Services**: A focus on people who want to be welfare workers and community counsellors. Students will need to do a Masters to be an accredited Social Worker. This course includes 14 week placements.

**Emergency Practice**: For students wanting to be a paramedic

The key change is that this new course will require students to have completed Any Maths at Unit 3/4 level as a prerequisite.

---

**SWINBURNE NEWS**

Swinburne is a smaller institution than some, offering VET courses through to PhDs. Its main campus is in Hawthorn, with smaller campuses at Croydon and Wantirna. The Hawthorn campus has several new buildings with state-of-the-art facilities.

- **LAW** – Swinburne introduced a law degree this year.
- **ENGINEERING** – Swinburne has a high employment rate, particularly in civil engineering. A new degree commencing at Swinburne is in construction engineering.
- **PSYCHOLOGY** – At Swinburne, many psychology students look or work after completing their three-year degree, without pursuing postgraduate study. Graduates have many skills: they can source, sort and evaluate information, apply psychological theory, communicate information in a logical way, can formulate research questions, collect, analyse and interpret data. These skills are often used to get a job, in community services, (counselling, welfare, child protection, corrections, disability, youth), in business (market research, public relations, human resource management), in education support, health services and in graduate programs (eg Bureau of Statistics, Customs, ATO Defence, Immigration).
- **NATIONAL INSTITUTE OF CIRCUS ARTS** – A very specialised area of study at Swinburne, located in Prahran; many graduates are currently working for Cirque du Soleil.
- **PHYSICS RESEARCH** – Swinburne is very highly regarded in world research in physics (in the top 75 universities in the world, in fact).
- **HIGH ACHIEVERS PROGRAM** – High achievers have different expectations of university. Students with an ATAR of 95 or more are invited to join this Swinburne program. It is currently offered to science (physics), communication design (honours), and IT students, later to be offered to students of business and engineering. Students are guaranteed access to a research group from first year, mentoring with senior academic staff, guaranteed accommodation, and a $5,000 pa scholarship. Places are offered automatically to students meeting the entry criteria in the participating degrees.

**INDUSTRY BASED LEARNING (IBL)** – Swinburne has long been a proponent of this style of learning. Students involved in this program generally work for six or twelve months in an area linked to their study program. New skills are obtained, the work is paid for, and the placement can lead on to full time employment with the organisation.

**AUTISM** – In April, Swinburne is launching a MOOC (Massive Open Online Course) about autism. It is designed for parents, families and carers living and working with individuals with autism. The MOOC is a free online course using scenario-based learning to support, guide and share experiences from parents and experts in the field. Email autism@swinburne.edu.au for information. Register online.

---

**MONASH UNIVERSITY**

Attend an ‘At Monash’ seminar. The series commences in March, and you will be able to learn from students, graduates and staff about university experiences.

Seminars available commence with:

- **Tues 10 Mar** - Nursing, midwifery, physiotherapy and occupational therapy (Peninsula)
- **Wed 11 Mar** – Business and economics (Clayton campus)
- **Thurs 12 Mar** – Science (Clayton)
- **Tues 17 Mar** – Arts (Humanities and social sciences) (Clayton)
- **Wed 18 Mar** – Information Technology (Clayton)
- **Thurs 19 Mar** – Pharmacy and pharmaceutical sciences (Parkville campus).

Many other seminars follow in terms 2 and 3 with design and fine art, architecture, psychology, medicine, law and so on. All seminars run 6.30pm to 8pm. To check out the full list of seminars and to register, go to www.destination.monash.edu/at-monash.

---

**VICTORIA UNIVERSITY (VU) NEWS**

**NEW STUDENT ACCOMMODATION** – is being built at the Footscray campus. The 500-bed complex is in collaboration with Maribyrnong City Council, opening in 2016.
WHAT IS BIOMEDICINE? VU offers Biomedicine and Biomedical sciences at the St Albans campus. Biomedicine is a broad field of study to gain an in-depth understanding of human physiological and anatomical function, disease and medical applications. These degrees prepare graduates for a career preventing and treating disease. Possible careers are in research, pathology, injury rehabilitation, crime scene investigation, and so on. NOTE: Biomedical science is also offered at Monash university (a possible pathway into Monash post-graduate medicine), ACU, Deakin, La Trobe, Federation, La Trobe while Biomedicine is offered at Melbourne university (a possible pathway into Melbourne post-graduate medicine, dentistry and physiotherapy degrees).

Student Support at Lunch Time and After School

Reminder: SCIENCE Help Tuesdays

If you need a bit of help with any science homework or classwork come along to a catch up and help session every Tuesday lunchtime in A8. Bring your lunch and whatever you need help with of a science nature.

Reminder: After School MATHS Help

Maths teachers are available to help students with their homework or other maths work after school every Tuesday 3:30 to 4:30 starting on 10th February. Students should bring their maths work and necessary equipment to B4.

Reminder: Tuesday Night SENIOR STUDY Sessions

Senior students are invited to attend our senior school study nights on Tuesdays after school. Some senior staff will be available to assist students with their study during this time.

- Smooth sole with little grip  
- No heel or token heel  
- Thin/soft leather offering little protection.  
- Laced boot |

Picture Guide to Assist in the Purchase of Acceptable School Shoes

Safety and comfort are important for school shoes. Shoes need to protect the feet from drops, spills and slips.

School shoes are to be all black; the entire foot is to be enclosed by the shoe, including the upper section of the foot; the shoe is to have a stout sole and leather/leather-like uppers; and the shoe is to have low heels.

Students in practical based subjects need to wear shoes that protect their feet against drops, spills and slips. Due to O & S requirements students who are not wearing shoes with sufficient protection will be excluded from some practical activities. If in doubt please contact the college—5348 2367.
Entry Form

Open Mic Afternoon
Sunday 22nd March 2015 at 3pm
Old Hepburn Hotel

Entry fee – gold coin donation
