Parent Teacher Interviews

Term one is rapidly coming to a close. This means that interim reports have been written and Parent Teacher Interviews are about to take place. Interviews are scheduled for next Wednesday after school and Thursday morning. You can make a booking online using your XUNO log-in.

Parent Teacher Interviews provide an excellent opportunity for you to meet with each of the teachers, discuss your child’s progress, find out where you can assist and show interest and involvement in your child’s learning. It is an opportunity for you to engage with the school around student learning and curriculum.

I look forward to seeing as many of you as possible on Wednesday or Thursday. If you would like to meet with me over any matter, either make an online booking or drop in to see me during the parent teacher interview times.

The Rebuild Program

The next steps in our Rebuild $10m program are currently in progress. Today, School Council President Tim Ferrier and I are in Melbourne presenting preliminary plans to an independent committee. Acceptance of our plans will mean we can move rapidly to the next step which is schematic design. Some preliminary ideas have been floated for the schematic design. These ideas have been presented to some staff and students for feedback. The proposal is based around a central courtyard theme with new buildings for food technology, art, science, resources, classrooms and music. The current technology rooms of wood and metal will be relocated to the current D-Block along with auto and ICT. It is also pleasing to note that two students have joined our Rebuild Committee – Ryan Adkins and Ceilidh Wratten. Ryan and Ceilidh are representing the SRC and will provide reports to the SRC and students.

SCHOOL COUNCIL

Congratulations to Tim Ferrier, Terry Judd and Peter D’Onglia on their appointment to School Council as parent representatives and to Steve MacPhail and Lisa Gunders on their appointments as staff representatives. School Council held its final meeting for the 2015/16 Council on Wednesday followed by the first meeting of the 2016/17 Council.

The 2016/17 Council members are:

Final Paper-Based Newsletter

We are moving the newsletter to email and online distribution using XUNO. If you prefer a paper-based newsletter you need to register your request with us, otherwise you can access your newsletter online. This is a bold move, yet is consistent with current practice where most operations are moving online. We hope that you will continue to read the newsletter and use the calendar to keep abreast of school activities. This is the last newsletter to be distributed in the paper-based format.

Car Boot Sale

Where: DSC oval –
When: Saturday 30th April, 10 am – 2 pm.
Cost: $25 per car.

Bookings please call 5348 2367

Over the summer DSC lost many resources to a fire on campus. The hardest hit areas are Library, Science, Careers, Italian and Computer Technology. Resupply from the Education Department cannot replace the teaching tools built up over 50 years.

Please help us refit the school by supporting this event.

Parent Teacher Interviews

Parent-Teacher Interviews will take place on Wednesday 23rd March from 4:00pm to 6:30pm and on Thursday 24th March from 9:00am to 12 noon. This is a great chance for you to have a face to face chat with your son / daughters’ teachers about how they are progressing.

Appointments are booked online using XUNO. If you are unsure of your login details please contact the College on 5348 2367. If your son /daughter has the same teacher for more than one subject then please just make one appointment with that teacher.

Please note that Ms Ainley is unavailable on both days. If you would like to discuss your son / daughters progress with her then please contact her to make alternative arrangements.

NETBOOK PAYMENT REMINDER

For all students in Years 8 to 12 who are leasing a netbook this is a friendly reminder to please make sure that Term 1 payments are up to date along with any overdue payments from last year. The netbook lease is $50.00 per term, payable at the beginning of each term. If you have any questions, please contact the office on 5348 2367.

SECOND HAND BOOK STALL – MONEY TO BE COLLECTED

Any families who put books into the Second Hand Book Sale last year to be sold can now collect their money from the General Office. Books not sold can still be held by the school to continue selling. If you wish to collect books not sold please contact the office beforehand so they can have the books ready for you. If your child is collecting the money on your behalf, please send them with a note signed by the Parent / Carer giving permission for them to do so. Any monies not collected by Friday 29th April will be placed on your family account.

Books not able to be sold will be donated to charity if not collected by the end of Term 2 - Friday 24th June 2016.

If you would like to confirm if you have money or books to collect, please call Lisa at the General Office on 5348 2367.

REMINDER - DSC NEWSLETTER WILL BE EMAILED OUT ELECTRONICALLY & ALSO AVAILABLE ON XUNO

NEWSLETTERS ARE GOING GREEN from the start of Term 2 we will be emailing out electronic copies of the College newsletter and putting copies onto XUNO as well. As such we will no longer be handing out paper copies of the College newsletter. Going digital is part of our push towards being a more environmentally friendly and sustainable organisation.

We will still provide parents and students with paper copies if they request one. To request a paper copy please visit the College’s web site (www.daylesfordsc.vic.edu.au) and complete the online form. If you have any questions, then please do not hesitate to contact Mr MacPhail on 5348 2367.

Who’s Who: The Wellbeing Team

Sue Bosch, Student Welfare Co-Ordinator
Elaine Anderson, Chaplain
Sarah Boadle, School Nurse
Penny Ellis, Student Support & Leading Teacher.

At Daylesford Secondary College, we have a dynamic Wellbeing team that works with students to assist them with a range of things. Our Wellbeing team is overseen by the Student Support Leading Teacher, Penelope Ellis. She is responsible for supporting Learning Community Managers and Wellbeing staff to ensure the individual needs of students are met.

Sue Bosch, Welfare Coordinator is employed at the College full time. Sue’s role is to organise support programs for students, work with individual students and provide support to families. Sue is also involved in Student Support Groups and supporting students with personal goals.

Elaine Anderson is the College Chaplin. Elaine works at the College 3.5 days per week. Elaine works with families and students to support them with the engagement and wellbeing. Elaine often runs restorative sessions with students and is also involved in support programs.

Sarah Boadle began at the College this year as an Adolescent Health Nurse. Sarah works with staff and students in the area of health promotion. Sarah is available for students to go and see her and also works in classes to support students and their knowledge.
Reminder: STUDENT ID CARD

Until further notice please note that Student ID cards are now issued by request from the general office instead of the library.

Year 7 Camp

WOW! What an experience. From orienteering to rock climbing, flying fox to canoeing, and high ropes courses to raft making, the challenges never stopped. A fear of heights was a tough one but ever so proudly the students conquered their fears with the support and encouragement of their peers and teachers.

Above: Zari on the flying fox

The heat on the first day prevented many from getting a quality sleep, and there were a few tired eyes at breakfast Wednesday morning. Additionally, Mr Coleman led the students on a night walk around the camp and all were involved in Daylesford Secondary College’s Talent Show. Food was excellent and the camp staff was fantastic. One slight mystery for the camp was the “unknown shoe tying group,” which was eventually uncovered at the talent show.

By Friday, we were all ready for the trek home after what had been a challenging, exciting and unforgettable camp. Thank you to the staff and parents who helped out and all of the students, YOU WERE FANTASTIC!

Above and below: A great day enjoying canoeing and exploring the lake.

“Inspiring” Quotes -

Believe in yourself – there is no one better qualified.
Friendship is something we should never take for granted just because we have it.
ART

Over the course of term 1, the Year 11 Studio Arts students have been involved in a community art project at Daylesford’s RSL. Local artist Irene Salmont has been gradually beautifying the space behind the RSL. To add to the garden, Irene approached the college to invite some students to stencil doves onto the plain brick wall. Ms Low’s Year 11’s spent three Friday mornings with Irene down at the RSL and completed the project last Friday 11th March.

It was great to see senior art students get out of the classroom and the finished stencil wall looks great.

Daylesford Secondary College students were invited to speak at Daylesford’s International Women’s Day

On Thursday the 3rd of March four Daylesford Secondary College students were invited to speak at Daylesford’s International Women’s Day event at the town hall. Beth Olver, Annie Williams and Ngahuia Thomson delivered a spoken word poem, trying to demystify assumptions about Feminism, reagging it ‘Humanism’. They conveyed the message that Feminism isn’t just about protecting women’s rights, it’s about protecting human rights, for all genders. Isabella Thomas also delivered a speech, speaking independently about the dangers of phrases such as “I’m not like other girls”. She expressed how proud she is to be like other girls, in that they all have the potential to achieve great things.

Mary-Anne Thomas and Mary Delahunty were guests at the event, both of whom requested copies of the girl’s speeches. Ms Delahunty hopes to post the speeches on an upcoming independent website, ‘For Her Museum’, recording the ideas and achievements of women throughout the ages. Also, Ms Thomas informed the girls that she would quote from their speeches the next time she is addressing parliament.

Beth, Isabella, Annie, Mary Delahunty & Ngahuia

Overall, the girls’ received very positive responses from those who attended the event and, as a college, we are very proud of their efforts.

Science

There are a number of competitions and extension activities available in science. To mention a few, there is the Sleek Geek Competition which we have entered in previous years. This requires students to make a short video that explains a scientific concept. There is the Australian National Chemistry Quiz which all our senior chemistry students will be participating in on July 21 and of course the Big Science Competition will be on in May when every student that takes part gets a science-pun sticker plus a certificate and the chance to win movie, iTune and Google Play vouchers.

Please tell your science teacher if you would like to have a go at any of these or come along to the Science Help session on Monday lunchtime in P1 for more information.

Eureka Volleyball

Congratulations to the Intermediate Girls Volleyball team who were successful in winning the Eureka competition last month. The team consisted of Hannah Melen, Abbey McPherson, Kelly McPherson, Chloe Gjerkes, Alexis Saville, Tiarna Reid, Evelyn Duggan, Alicia Rae and Holly Armstrong.
Many thanks to Colin Priest in organizing the day. The girls now travel to Horsham on the 6th May to compete in the Great Western Region Volleyball Finals.

**House Athletics**

The 2016 House Athletics will be held at Llanberris Reserve, Ballarat on Thursday, 14 April. Students are to go straight to house meetings at 9.00am then will be bused to Ballarat and return back at school at 3.20pm. The canteen at Llanberris will be open for students to purchase food and drinks. All parents and friends are welcome to attend.

**2016 Immunizations**

Only Year 7s to receive vaccinations in 2016

Parents of older children may be aware that in previous years, vaccinations were given to students in Years 7 to 10. However, the vaccine program for secondary students has been simplified this year so that all vaccines will only be offered to Year 7 students. This includes:

- Diphtheria, tetanus and pertussis combined vaccine (dTP) – one dose
- Human Papillomavirus (HPV) vaccine – three doses
- Varicella (chicken pox) vaccine – one dose

The Hepburn Shire Council immunisation service may contact you about the Secondary School Vaccine Program. Schools are authorised to provide parent/guardian contact details to local councils for this purpose. Parents of Year 7 students should look out for the vaccine consent card booklet being sent out by Hepburn Shire Council. You need to read, complete and return Part A regardless of whether your child is being vaccinated at school.

To learn more about the Secondary School Vaccine Program, the vaccines, the diseases they protect against, or how you can prepare your child for vaccination, go to [www.immunehero.health.vic.gov.au](http://www.immunehero.health.vic.gov.au)

The 2016 Immunization Schedule is also at the end of the newsletter.

**Fit2Drive**

Geography

Students in Year 9 & 10 ‘World of Geography’ class travelled to Mt Franklin, 10 km north of Daylesford as part of their study into land forms. Mt Franklin is an ‘extinct’ volcano with an unusual breached cone, allowing easy access to the crater floor. It was a significant site for the Dja Dja Wurrung people.

We explored the crater and climbed the inner cone to reach the summit. With the generous support of the local land owner we walked onto the adjacent hill known as ‘Lady Franklin’.

With a striking 310 degree view, students were able to view and sketch the topography of the region, including features such as Wombat Hill, Kooroocheang and Mt Alexander. It was a unique opportunity. The field trip was enjoyable and memorable. Thanks to Mr Jones for driving us.

OPEN DAYS – Open Days are held at universities and TAFE institutes each year, giving the public the opportunity to see the facilities, talk to staff and students, collect information and attend information sessions. They are generally held on Sundays later in the year, but dates are provided here so that you can put them in your diary now.
Sun 31 July - Swinburne University
Sun 7 Aug - Deakin University (Warrnambool); La Trobe University (Bundoora); Monash University (Caulfield & Clayton)
NURSING AND/OR MIDWIFERY
Division 1 nursing involves a three-year degree at university while Division 2 requires an 18-month diploma. Some students who wish to study nursing also wish to study midwifery. This can either be done through a double degree in nursing and midwifery which will take 4 years or by studying nursing and then doing an 18-month course in midwifery. The double degree is offered at Deakin, La Trobe and Monash Universities. The good news for Year 12 students is that Victoria University (St Albans campus) is introducing this double degree in 2017. The aim is to address the challenges in maternity care. Increasing rates of health conditions such as mental health disorders, diabetes and obesity have increased the complexity of care for women. ACU Melbourne also offers Bachelor of Midwifery (without Nursing). There are many other combinations of double degrees with nursing, providing more employment and interest options upon graduation. For example, ACU offers Nursing/Paramedics at the Ballarat campus and Deakin offers Nursing/Public Health and Health Promotion, Nursing/Psychological Science (and also a single degree called Nursing (Clinical Leadership)).

COMMUNITY NEWS
CARMEN AT TOWN HALL
Carmen is being staged at the Daylesford Town Hall next month.

Emotionworks Cut Opera presents Carmen with a sexy mix of Latin, salsa, jazz, blues and gospel in an up close and personal cabaret style production. Award-winning director Julie Edwardson has fused traditional opera with a mix of music genres and vocal styles to produce an original interpretation of this much loved classic and its timeless story of sex, murder and intrigue.

The opera will showcase salsa dancers and a special guest authentic Flamenco dancer – so bring your dancing shoes. Part of the aim is to expose opera and make it appealing to your audiences – keeping opera alive and relevant in this technological fast-moving age. This show is free to under 25s – but is not a children’s show and is not suitable for under 16 years. Carmen will be presented on April 9 from 7.30pm. More information on poster at the end of the newsletter.

**Sabre’s Cause**

The Section 8 4x4 club would like to introduce you to Sabre, Sabre is a regular Daylesford youth, getting ready for Primary school…… With one twist…. He has been diagnosed with Horizontal Jerk Nystagmus, Stationary Night Blindness, Retinal dystrophy and Retinitis Pygmitosa. Sabre is going blind before he has seen the world. After hearing about the costs associated with these illnesses, cost with Brail machinery and etc., Section 8 were emotionally moved into action, in a big way.

We are doing the biggest lap that can possible done done in Victoria, we are going to drive the entire cost and border of this great state, stopping at as many places as we can to raise money for this worthy cause. We like you to help us bring some normalcy to this young life, help us smooth the path for Sabre.

The Section 8 4x4 Club would like to introduce you to Sabre, a Daylesford youth, getting ready for primary school. With one hand… he has been diagnosed with progressive MS, Nystagmus, Severe Night Blindness, Mental Disaphoria and Mental Pygriomia. Sabre is going blind and before he has even left the world. MS is a disease with no known cure. Section 8 is helping to raise funds in memory of this young girl who is doing the biggest job that can possibly be done in victory, we are going to drive the entire coast and as far as we can to raise money for this worthy cause. We would like you to help us bring some normalcy to this young girls life, help us smooth the path for Sabre.

We can make a difference!

What can you do?
You can’t join our Team. Especially when we arrive at a rally, what we propose to do is cover our ‘4x4s’ with logos and websites of all businesses that support us in this. We are hoping to have a business being talked about in Melbourne or Mildura.
