Welcome Back

It seems a very long time since our last newsletter – nearly a month has elapsed but we have had holidays during the intervening period. Welcome back to another school term. Term 2 brings inter-school athletics and the various follow-up events for the successful athletes. We have a number of excursions and a music camp along with the usual array of daily teaching and learning. The eleven-week term concludes with written reports on student attainment and, commencement of semester 2 classes on 15 June. Term 2 promises to be a positive, productive time for us all here at Daylesford Secondary College.

Term 2 also brings a new member of staff, Mr Steve MacPhail. Steve has transferred to Daylesford from Mount Clear College to take over as acting Assistant Principal. Welcome Mr MacPhail.

### Stage 2 Rebuild

You will recall that Daylesford Secondary College has been promised $10m in capital works funding. At this stage we are uncertain as to when this funding will become available however there is considerable work involved in preparing for the rebuild. College Council has established a Stage 2 Rebuild Committee which is currently assessing the requirements of the College and preparing consultation strategies for staff, student and parent input to the rebuild. School Council representatives on the Stage 2 Rebuild committee are Tim Ferrier, Paul Bertoncello, Gary Thomas, John Dixon and Michael Sayn and Graeme Holmes is the convener. Mary Ann Thomas, state member for Macedon, visited our school earlier this week and reiterated her commitment to the Stage 2 Rebuild.

### Self-Evaluation

Every four years schools must undergo a review. These reviews span a wide range of matters including student achievement, school organisation and student engagement and wellbeing. Prior to the review, schools have to prepare a self-evaluation of their successes and areas for improvement. Daylesford Secondary is currently involved in the self-evaluation phase of our review. Input to inform the self-evaluation process is encouraged.
evaluation is being sought from staff, students and parents. The next step in our self-evaluation is to gather information from parents. To this end we are holding some invitation parent forums over the next few weeks. These forums will be of one-hour duration and will look at some of the already identified strengths and issues as well as hear the strengths and issues from the parents’ perspective. Invitations have been sent out to thirty parents inviting them to attend a session. If you receive an invite, I encourage you to attend. There will also be an online parent survey which I encourage you to access. The self-evaluation is being run by a committee which includes staff and school council representatives. Terry Judd is the parent school council representative on this committee.

School Uniform
There have been a number of concerns raised about the school uniform and more and more students seem to be wearing alternative clothing to the approved brands. School Council has re-convened its uniform sub-committee to examine the issues and make recommendations to Council. If you would like to have input to the discussions, Stephanie Barron and Paul Bertoncello are school council representatives on the committee.

The Big Science Competition is on again.
Why not be a part of it? Just a period of your time during May to complete a multiple choice science challenge and you could be up for big prizes, big commendations from your teachers and a normal sized certificate!
There are three categories – Junior, Intermediate and Senior. The subsidized entry fee is only $5 but you need to let your Science teacher know in the next few days if you wish to have a go so that we can register in time.
See Ms Woodrooife for more details.

Ecolinc – Chemistry
On the final Friday of last term the Unit 3 Chemistry students attended a workshop at Ecolinc in Bacchus Marsh. They had the opportunity to use some equipment that is normally only found in a commercial laboratory or a tertiary educational facility. They have to understand the operation of these instruments as part of their course and being able to use them first hand is very valuable. We joined forces with Lara Secondary College on the day and so we were able to socialise a little too.

DSC’s Green Team
Would you like to make a difference at your school?
Would you like to be green?
Would you like to work in a team to get things done?
Would you like to reduce our carbon footprint?
Would you like to reduce waste?
If you answer YES to most of the questions above then you should be part of DSC’s Green Team!!!! See Ms Taylor or Ms Woodrooife for more details.
Dear Daylesford Secondary College students,

Hepburn Health Service is conducting a competition to come up with 2 things:

1. A logo for the Youth Medical and Wellbeing Centre. 1st Prize: $200 JB HIFI voucher donated by Hepburn Health Service.

2. A ‘Nickname’ for the Youth Medical and Wellbeing Centre. 1st Prize: TEAC Audio System Stereo Compact Radio valued at $169.00 donated by Daylesford Mitre 10.

The Youth Medical and Wellbeing Centre provides a FREE and CONFIDENTIAL medical service for Daylesford Secondary College students with a General Practitioner and Youth Counsellor in attendance.

The centre is housed in The ARC building and will operate between 1pm and 3 pm on Monday’s during school terms. Students can attend for any health issue including symptoms of cold and flu, headache, gastro-intestinal problems, mental health concerns and reproductive health issues.

Hepburn Health Service and Springs Medical Centre also plan to do some education sessions at the centre on a range of issues of particular interest to young people such as oral health, respectful relationships, sexual health and risk behaviours associated with drug and alcohol use.

The logo should reflect your view of what it means to be healthy and active both in mind and body.

All students are invited to enter the competition.

Entries close at 5 pm on Friday 29th May.
Entries should be sent via email to Karina Brooks at karinab@hhs.vic.gov.au or delivered to the Daylesford Community Health Centre addressed to Karina Brooks Youth Alcohol and Other Drug Worker.

2016 Year 7 Transition Day

Grade 5/6 Transition Day
Daylesford Secondary College’s Transition Day will be held on the 21st of May and all current Grade 5 and 6 students are invited to attend. On this day, your child will experience high school life, meet their prospective teachers and enjoy a range of subjects.

If your child will be attending, please notify their current Grade 5/6 teacher, who will then pass the information on to the College. On the day, students will meet in the Theatre at 9:00am.

A formal invitation will be provided through local Primary Schools and will be available from the office closer to the day.

Please note: Current Year 9 and 10 students will not be in attendance on Transition Day.

Year 7 Camp

From left: Sharna, Holly, Brooke and Shaye

Last term, most of the Year 7 cohort attended Camp Curumbene for the annual Year 7 Camp. Students were given the opportunity to take part in a range of activities including; indoor rock climbing, abseiling, archery, canoeing, raft building, low ropes course, initiative games and the overall favorite, the flying fox. Everyone gave their best and many students took on challenges with great success. We also went on a night walk and had a Red Faces night which saw most of the campers do an act in order to be scored by the teacher judges and aim to be the 2015 winner.

The camp ended with a 4 way tug-of-war which saw each team win one round thanks to the tips and tricks given by the camp leaders.

Thank-you, too all of the students who attended, along with the parent volunteers and staff.
LOTE – Trip to Italy

We’re back and what a wonderful, hectic, enriching trip it was to Italy. Our students gained a fantastic insight into Italy as a tourist destination and more importantly they had an incredibly rewarding and unique experience during their home stays with an Italian family from Liceo Curiel (Curiel Senior College). The students would arrive at school each day amazed by the size of their packed lunches and just how much Italians eat. Yes, they really do eat pasta every day in some form or other.

Liceo Curiel organized an extraordinary series of excursions all paid for by the hosting parents, giving us a really strong insight into the Vento region and of course Padua. These excursions saw us on snow fields, a shoe design academy, botanical gardens, a glass blowing factory, strolling through the garden of an old villa, gazing on byzantine and early renaissance art, the halls of one of the oldest universities in the world where we visited the place where human dissections first took place and the streets of Verona where Romeo and Juliet played out their tale of woe. Evenings were filled with dinners at pizza restaurants, the cinema, playing music or just getting to know our hosts and their extended families.

After farewelling our hosts we hopped on bus driven by our driver Alessio, who took us to Venice, Milan, Cinque Terre, Pisa, Florence, Assisi, Perugia, Pompeii, Sorrento, the Amalfi Coast and Rome. It really was quite a spectacular road trip. Needless to say we saw all the key sights and took in the marvel of the mountains, which run down the middle of the whole country. The mountains were ever present either snow-capped or streaked with marble.

Finally I must say that it was an incredible joy for me as their teacher to watch our students take in all the marvellous beauty Italy had to offer but also to watch them form strong friendships with their co-travellers, the students of Belmont High School and their host families.

It was also very rewarding for me to be told by the staff of the various schools, the parents and the hoteliers what lovely kids we have at Daylesford Secondary College. They really were a caring bunch and despite falling ill and at times feeling under par, they just kept going and did not want to miss a thing. In June, the Italian students who hosted the Daylesford and Belmont kids will be visiting our shores and I very much look forward to our reunion.

LOGO DESIGN COMPETITION FOR STUDENTS

The Blackwood Mineral Springs Holiday Park, located in the Wombat State Forest, is conducting a competition for students to develop a business logo.

It needs to be fairly simple as they want to embroider it onto their shirts and it needs to feature the words ‘Blackwood Mineral Springs Holiday Park’. Otherwise it’s up to you to decide how it should look, so be creative and get designing!

The winning logo design will receive the choice of a $250 voucher that can be used for camping at the Caravan Park OR a $100 iTunes card.

Entries close on Friday May 22nd. Ms James will be collecting entries in the Viscom room, or you can email them to james.amelia.a@edumail.vic.gov.au

Good luck!

MIPS & Careers Update

Week 2 Term 2 2015

Mentor Breakfast

Left Clair and at the right back Chelsea with their mentors

Again we would like to thank Glenda Fleischer, Janet Quilty, the hardworking women of the Daylesford Guides for organising another mentor Breakfast for our Year 11 girls. This occasion gave our young women an opportunity to speak with a woman experienced in their field of interest. They were also treated to guest speaker's JoAnne Stephenson's knowledge and experiences in a range of industries and career pathways. It was wonderful to have three ex-students return this year as mentors, Jacinta Leonard, Sophie Darwen and Jane McKinnon, giving our current students the benefit of their experiences of life after school. It was exciting to also have our ex-student Karley Powell there as a professional local photographer. Thank you also to our Mayor, Kate Redwood, who attended the breakfast.

Top photo left Jamison and at the back right Abbey Bottom photo left Jacinta and Seydonie with their mentors

Year 10 Work Experience
There are still a few students without organised placements. The situation is urgent! Parents and/or students need to contact us immediately.

Year 10 & 11

Victoria University’s Work Experience of a Lifetime program gives Year 10 and 11 students the chance to win an unforgettable work experience placement at one of Australia’s top companies. This exclusive access to an exciting company that matches their study interests could powerfully shape their future career and help them build industry networks. Last year was a huge success, with the winning students gaining hands-on experience with leading companies such as Leo Burnett, The Just Group, Nova, Honda and The Mushroom Group. The companies participating this year will be announced shortly.

TFN – a little more information
In a previous newsletter we provided updated information on obtaining a Tax File Number (TFN). The process involved a visit to a Post Office offering the service (and Daylesford is not one of these). There is an alternative process and we are happy to assist students who cannot travel to complete the application. We will shortly have copies of the TFN application form in our office and can assist students getting certified copies of their identity documents. More details in the next newsletter.

Students need to remember that they will need a TFN and we advise all students to obtain theirs before end of Year 10.

Get in Early ‘ACU Ballarat Experience Day’
Ballarat: Tuesday 30th June. Registrations open in early May and fill very quickly. Set a reminder in your phone. Students interested in Nursing/Paramedicine should not miss this event.

School Uniform

SCHOOL UNIFORM. Now that the weather is cold (as this is being written, the sun is out but wind-chill factor must be at least -2!!) clothing comes to the fore and in particular, school uniform. The approved black school jacket or the Year 12 jacket are the only coats students should be wearing at school. The two-year moratorium on black coats expired at the end of 2014 and now students are expected to wear the approved jacket ($69.95 at Daylesford Clothing). A scarf is acceptable provided it is black. We do not have scarves with the school logo for sale.

Student Absences

STUDENT ABSENCES
Continue to ring the office to let us know if your child is absent so that we can ensure we have accurate and current information.

**MITCH Music in the Central Highlands**

**AUTUMN CONCERT 2.30 pm, 19 APRIL, 2015**

**THE NEXT GENERATION**
A Young Performers concert created by Henry Vyhnal at Braemar College, Mount Macedon

**PERFORMERS**
- **Darcy Sartori – Voice and guitar**
  Darcy began performing as a young child dancing along to the Jersey Boys, singing at festivals, small gigs, busking and in the east of Melbourne at Italian functions and aged care centres. He's a veteran at 12 years old and it shows.
- **Paris Cassar - Voice**
  Paris has a maturity well beyond her 16 years. Her voice is stunningly accurate and her interpretation personal and original.
- **Laura Mansted - Violin**
  Laura has just been confirmed as a new violinist in the Melbourne Symphony Orchestra Project in June.
- **Amelia Eddy – Clarinet**
  Amelia won MITCH’s first Young Musician of the Year in 2013. Her progress since has been astounding.
- **Ella Yeatman – Voice**
  Ella narrowly lost to Ellie Barkla (the featured young artist at the last MITCH concert) at the 2014 Kyneton Idol competition. Ella’s personality and energetic commitment to her performance allow her to shine where others fear to tread.
- **Tom Williams – Piano**
  Thomas Williams is preparing for his VCE Solo Performance exam in October under the tutelage of Bronislaw Sozanski. Last year Thomas gave the premier performance of Hannah Zeikrat’s piano concerto with the Ballarat Symphony Orchestra. He has achieved outstanding success in exams and competitions, winning many awards including first place in the Royal South Street Open Composition Prize for the last two years.

**Admission**
$30 Adults, $25 Pensioners & Students (WITH PENSIONER/STUDENT CARD PLEASE)
No seniors concession, $10 Teenagers 13-18 years.
