Weekly Maths Help 3:30-4:30pm B4
FSPC Meeting – 9-10am

Term Dates 2013
7 October - 20 December

Firstly, we wish all of our Year 12 students every success as they undertake their final exams over the following three weeks. The official exam timetable began yesterday with all students completing their English Exam. I would like to thank our Year 12 students for what was a very calm end to their school year following a fabulous final whole school assembly last Tuesday. I would also like to thank Mr Pethica, Mr White and Ms Kirby for escorting our students to Bendigo on Thursday last week for their final day celebrations. A wonderful day was had by all, and I am delighted at the mature and responsible way our students conducted themselves in all happenings throughout their final week at Daylesford Secondary College.

We look forward to the Annual Valedictory Dinner on Wednesday 20th November as the final celebration and farewell for our Year 12 students.

Congratulations Homegroup 8.3!!

A HUGE congratulations is extended to Ms Abbie Matthews and the entire 8.3 Homegroup, who on Friday evening were announced as the winners of the Youth Community Safety Award at the 2013 City of Ballarat Youth Awards Presentation Night. Our students were granted this award for their work in designing this amazing poster about cyber bullying during their Visual Communications class. Thanks to support from Mrs Elaine Anderson and a small amount of grant funding, the students were able to have the poster printed and distributed across a number of locations. This is yet another example of the outstanding skills and abilities of our very talented students and staff. Thank you Ms Matthews for your efforts in leading your students to achieve this prestigious award. Thank you must also be extended to Ms Anna Deacon who made the initial nomination, and to Sarah Bertocello, Ethan Daly and their families who attended the presentation night at the Regent Theatre.
The College is delighted to now be trialling “tiqbiz” - a new smart phone app to assist us in communicating with parents and the wider community. “tiqbiz” can be installed onto your smart phone for FREE by searching available apps from either apple or other android suppliers. We hope to begin using tiqbiz as a major form of communication in 2014 following the trial of this new app over the following weeks.

**IMPORTANT Information coming to ALL Parents via the mail this week**

Parents are advised they will be receiving in the mail this week TWO very important pieces of information. These include:

1. Your details and your child or children’s enrolment information as currently held by the college. We ask that you check this information carefully, write any changes onto the sheets you have received, and return them to our General Office as soon as possible. These do not need to be returned in the event that the information we have is all correct and up to date. We ask that parents please also check the code related to their current employment status and make any alterations as necessary.

2. A letter containing information about the 2014 KICKSTART program that begins on December 2nd, 2013. On the reverse side of the letter is a detailed description of all activities that occur during the final 4 weeks of 2013. We ask you contact your Learning Community Manager if you have any questions or concerns about the 2014 KICKSTART Program. Students will be provided with more information about this as the 2014 KICKSTART Program approaches.

**Some further things to look forward to in the coming weeks—**

- We wish both our music students (New Orleans Band) and our students studying Italian all the best as they prepare to speak and play at the opening of the Swiss Italian Festa this Saturday morning from 11.00am at the Hepburn Reserve Soundshell following the street parade at 10.15am.

- Our music students will also be playing at the Rotary Club Art Show at the Daylesford Town Hall on Saturday throughout the lunch hour.

- On Sunday 3rd November, our VCE/VET Music students will be performing as various bands and solo performances at the Old Hepburn Hotel from 2.30pm to late in the afternoon.

- All Year 7 students will be visiting the Victoria Market in Melbourne on Thursday 8th November as part of their Italian course and they will also be privileged to be part of a special production here at the college by PETER GRAY, a highly acclaimed and amazing performer, delivering his show titled ‘TRAIN of THOUGHTS’. We are pleased to have also invited our Grade 6 friends from our feeder primary schools to join us in enjoying this fabulous show.

- Our Outdoor Education class will be heading off to Lorne at the end of November for adventures in the sand, surf and forest, and, last but not least,

- Our Junior Learning Community Managers will be out and about over the coming weeks visiting all of our feeder Primary Schools to meet and greet with our new Year 7 students for 2014.

I would also like to take this final opportunity to thank Mr Pickering who last week escorted our VCE Theatre Studies students to the Malthouse Theatre in Melbourne to not only view a show titled “The Shadow King”, but to also experience the complexities of a fully operational theatre and production, and I also congratulate Mr Sayn and his VCE Product Design and Technology students for their incredible display of their amazing final pieces in our College entrance foyer.

Parents are reminded that there is no school on Tuesday 5th November, due to the Melbourne Cup Day public holiday.

**Stanley Hammond Awards**

We are awarding Andy, Dylan and Dane a Stanley Hammond Award for providing assistance willingly.

---

**Student Engagement**

**Special Breakfast**

Daylesford Police are hosting a special Breakfast at Daylesford Secondary College on Tue 12th Nov for students in the Cafeteria area 8-9am.

**Carmen’s Road Safety Message Presentation.**

DSC is pleased to invited John Maher back to the school to present his daughter Carmen’s Road Safety message. John will present to Y10 students. Parents with children at all year levels are encouraged to attend. This powerful presentation
will be held 2pm sharp Tuesday 26th November at the school. This will be followed by a 15 minute presentation from the local Victorian Police regarding the supply of alcohol to people under 18. John Maher and local police will be available after the sessions for informal discussions.

**MIPS & Careers Update**

**Week 4 Term 4 2013**

**Year 10, 11 and 12**

In Year 10, 11 or 12 in 2013 - studying and enjoying agriculture and/or science at school. Are you passionate about agriculture and want to undertake tertiary study in this area? Would you like to experience UNE (University of New England) life and see the opportunities that the UNE School of Environmental and Rural Science can provide you with? 100 passionate agriculture students from around Australia will be chosen to take part in UNE’s inaugural Generation2050: Project Feed the World conference.

**When:** Sun 1 – Wed 4 December 2013;

**Where:** UNE, Armidale, NSW;

**Cost:** Free (residential college, meals, etc);

**Travel:** UNE will subsidise this according to the distance travelled;

**Careers in foods, tourism, hospitality or events**

You might wish to book an appointment with a Future Students representative for a tour of facilities, and to learn about programs and applications at William Angliss. **Contact:** Andrew Plisi on 9606 2480, andrewpl@angliss.edu.au or Alex Lloyd on 9606 2444, alexl@angliss.edu.au.

**Federation University**

Federation University Australia – the new university amalgamates the University of Ballarat and Monash University’s Gippsland campus, and begins operations from 1 January, 2014. VTAC applicants who have included at least one University of Ballarat and/or Monash University Gippsland campus in their preferences are advised that these preferences will be for Federation University Australia, with the VTAC codes and university name automatically updated on their preference list. With the exception of the Graduate Entry Medicine and Surgery degree, Monash University will no longer assess or make offers for Gippsland courses, however, applicants who received an offer this year and deferred for 2013 will be able to enrol as a Monash student at Gippsland (some exceptions). **Info:** ph 5122 6767; see [www.federation.edu.au](http://www.federation.edu.au).

**Swinburne - New Bachelor of Film and Television (Animation)**

The Bachelor of Film and Television (Animation) is a new three-year full-time (or equivalent part-time) course commencing in 2014 at Hawthorn campus*. The program provides a broad understanding of animation through practice of animation techniques, through the study of film, television and animation history and theory, and the development of storytelling structures as applied to animation. The program emphasises creative, analytical and research skills in all aspects and types of animation production.

**Great course at Ballarat - Building Design**

Building Design is a professional qualification which offers similar career pathways to Architecture, but is studied through TAFE. Like Architects, Building Designers work in Architectural or Building Design practices, where they design domestic, commercial and industrial buildings. This extremely successful course, which boasts nearly 100% employment outcomes for its graduates, runs over 2 ½ years (2 years full time and 3rd year part time). This is the only delivery of this course in regional Victoria. Applications are made through VTAC.

**Pharmacy and Pharmaceutical Sciences**

Students who do not meet the entry requirements to enter the Bachelor of Pharmacy direct from Year 12 can enter the program at third year as graduates of science-based degrees. This new entry point means that graduates wanting to become pharmacists will no longer need to commence their studies at first-year level and will qualify for their pharmacy degree in just two years. **Those eligible:** have successfully completed an approved degree with a 70%+ GPA in the following disciplines: pharmaceutical science, pharmacology, biomedical science, biomedicine, chemical engineering and science (conditions apply). A six-week summer bridging program will be required. **Information:** [www.monash.edu/pharm/future/courses/grad-pharmacy/index.html](http://www.monash.edu/pharm/future/courses/grad-pharmacy/index.html)

**New Nuclear Medicine Scholarships**

The Dept of Health (Victoria) is offering scholarships of $10,000 for five nuclear medicine students in RMIT’s B. Applied Science (Medical Radiations) for 2014, 2015, and 2016 intakes. **Info:** evan.read@rmit.edu.au; [www.rmit.edu.au/scholarships](http://www.rmit.edu.au/scholarships)

**Year 10 & 11 students Summer School Reminder!**

If you have any questions and queries please feel free to contact the VCE Summer School office by
email – summerschool@union.unimelb.edu.au or you can call us on 8344 8204. We are usually in the office 10am – 6pm, Monday to Friday.

Charlie Mgee in Daylesford Saturday
November 2nd

Charlie Mgee’s very special “End-of-tour, homecoming show” is a must see.
Mgee has recently returned from an international tour where he performed songs from his album, “Permaculture: a Rhymer’s Manual”, to sell-out shows. We’ve heard about Charlie’s heroics in England. We’ve heard about the many reviews. Now it’s time to see for ourselves this permaculture influenced dance music sensation.

Charismatic Perth-based singer/songwriter Charlie Mgee will be in Daylesford for one show only, to perform his songs based on the 12 principles of permaculture in various musical styles ranging from ‘climate-change reggae’ to ‘peak-oil polka’, so don’t miss it. “Permaculture: a Rhymer’s Manual” focuses on bringing simple concepts of sustainability into the spotlight using the power of music and humour to convey permaculture principles in fresh ways to new audiences. Mgee takes a dynamic, brave new approach to communicating concepts of sustainability through ukulele, rhymes and positive inspiration. But its not just adults that Charlie manages to capture. Bring the kids as they are sure to love it; that is why it is at the Skate Park where we hope there will be some young ukelele enthusiasts who can swing along with Charlie. And we might just do some tree planting to help make the Skate Park shadier and more pleasant in the summer and a fruit or two. Come prepared! Bring any garden plants you have spare; especially edibles, a trowel or a spade

Organised by Hepburn Relocalisation Network, this is an all-ages event. A fun filled afternoon guaranteed. Great family entertainment. A rare act that kids and big people alike can enjoy.

Gold coin donation. More info

Learn About Yourself

As Marcel Proust, a late 19th century novelist wrote: “the real voyage of discovery consists not in seeking new landscapes but in having new eyes”. Volunteer to host an international high school student in February 2014 through Southern Cross Cultural Exchange and prepare to be amazed at the way this unique and rewarding opportunity helps your family to become closer, to understand themselves better and to see the world in a new light.

Carefully selected students will arrive in July for one term, one or two semesters from France, Italy, Germany, Sweden, Norway, Denmark, Finland, and Spain. They will attend a local secondary school, arrive with their own spending money and comprehensive insurance cover – all arranged by Southern Cross Cultural Exchange. Visit us at our website www.scce.com.au, email scceaust@scce.com.au or call us toll free on 1800 500 501, request our international student profiles, and capture the spirit of family and friendship.
