Interviews: 9.00am – 12.00pm
Normal class will not be running
today, students are expected to
attend interviews.
4 April Last day of Term 1
22 April Term 2 Commences
24 April 2nd Hand Book money final
collection date.
30 April to 1 May Concert Band Music Camp
23 – 27 June Year 10 Work Experience
13-15 August Ski Trip 2014

Term 1 has seen a fantastic
start to the 2014 school year
and the term has been an
exceptionally busy one for
students and staff. We have
seen students achieve wonderful results both in
and outside the classroom, some of the term 1
highlights include:
* Celebrating our school swimming and
athletics competitions in a sea of enthusiasm,
participation and house colours. With a
significant number of students progressing to
the next level of competition, particularly in
athletics.

* The large number of Year 7 students
attending the Year 7 Camp participating in a
range of activities including abseiling, flying fox,
canoeing, raft building, archery and low ropes.
* The Year 8 boys Volleyball team bringing
back gold from the state championships held in
Geelong.
* The VCAL students working with Marcus
Swetnam, one of our parents and talented
landscape gardener to design a ‘pop up garden’
to be built at the College.
* Chloe Wrigley and Lotus Hackenberger gave
an inspirational speech at the Hepburn
International Women's Day event.
* Our senior students providing service at the
World's Longest Lunch.
* A significant number of students across the
College who received Values awards and A+
Attendance Awards this week at the school
assembly.
* Our student leaders taking on the role of Tour
Guides at the 2015 Year 7 Transition Evening.

And many, many more activities and
achievements. The list could go on. I would like
to congratulate our students and staff for their
contributions throughout the term in making
Daylesford Secondary College such a vibrant
place of learning!

It is my pleasure to announce that the new
Principal for Daylesford Secondary College is
Mr Graeme Holmes. Graeme will commence at
the College at the beginning of term 2, he is an
experienced Principal and will be coming to us
from Horsham College. We look forward to
having him join our College community.

I would like to take this opportunity to thank
Mr Aaron Bones who will be leaving our
teaching staff at the conclusion of the term to
pursue a business venture in Ballarat. Aaron
has been a valued member of staff and a leader
in the Health & PE key learning area. He will
be greatly missed by students and staff. All the
very best with your new business! Also leaving
DSC at the end of term is Angus McPherson
who has been filling in for Ms Debra Coburn
while she has been on sick leave. Thank you to
Angus for the sterling job he has done in
teaching in the science and maths faculties. We
hope to see you later in the year.
I would also like to take this opportunity to thank the school community for the opportunity of being your Principal this term, it has been an honour and a privilege to have worked with students, staff, parents and the community in this capacity and I have enjoyed it immensely.

I would also like to wish everyone a very safe, enjoyable and fun filled Easter holiday break!!!

Ms Linda Flynn.

College News & Notices

2nd HAND BOOK STALL

2ND HAND BOOK STALL – MONEY TO BE COLLECTED
Any families who put books into the Second Hand Book Sale last year to be sold can now collect their money from the General Office. Books not sold can still be held by the school to continue selling. If you wish to collect books not sold please contact the office beforehand so they can have the books ready for you.

If your child is collecting the money on your behalf please send them with a note signed by the Parent / Carer giving permission for them to do so.

Any monies not collected by the end of the first week in Term 2 – Thursday 24th April will be placed in your family account. Books not able to be sold will be donated to charity if not collected by Thursday 24th April 2014.

If you would like to confirm if you have money or books to collect please call Lisa at the General Office.

DSC SNOW TRIP 2014

Daylesford Secondary College Snow Trip

Wednesday 13th to Friday 15th August 2014

Planning is underway for the 2014 Ski Camp to Mt. Buller. The camp is open to all students in years eight to eleven. To express interest in attending the camp, please make a payment of $200 to the school office by Friday 2nd May. If the camp goes ahead this $200 then becomes a non refundable deposit.

Places on the camp are limited to the first 40 students to pay their deposit. Thereafter students will be placed on a waiting list.

When:  Wednesday 13th to Friday 15th of Aug. 2014.
Where:  Mt Buller
Accommodation: The Alzburg Inn Resort, situated 43km from Mt. Buller. 39 Malcolm St., Mansfield. Ph: 03 5775 2367

The trip includes:

- Two nights midweek share accommodation at the resort
- Linen, pillow and continental quilts
- Coach transport from Daylesford to mountain.
- Transfers daily to Mount Buller x 3 days
- Mountain entrance fees daily x 3 days
- Cooked breakfast x 3 (including arrival day)
- 3 lunches on the mountain
- Set three course dinner x 2
- Dinner on Friday before departure
- Ski or Snowboard lesson for 2 hours per day
- Three days Ski Hire (Skis or Board, boots, helmet and poles or wrist guards)

Use of all Resort Facilities including: Heated pool, sauna & spas, tennis courts, disco & karaoke, internet booth, drying room, games room and ski shop

Base cost (for the above): $725
Hire of clothing is extra.

Mt Buller has a huge variety of terrain and the most modern and high capacity snowmaking systems of any resort in Victoria. There is a great choice of runs to suit all skier standards, and many wide gentle slopes that are ideal for beginner and intermediate snowboarders, as well as plenty of more challenging slopes.

Student Engagement & Wellbeing

Hepburn Shire Council - 2014 Immunisation Schedule - Daylesford Secondary College

Please note the Hepburn Shire Council 2014 Immunisation Schedule for Daylesford Secondary College at the end of the newsletter.

HPV VACCINATION

SCHOOL NEWSLETTER ARTICLE #1

Giving all Students a shot at a Safer Future

Free Human Papillomavirus (HPV) vaccination is being offered to males in Year 7&9, and females in Year 7 as part of the National HPV Vaccination Program.

The school-based program is credited with significantly reducing HPV-related infections and pre-cancerous lesions (which can lead to cervical cancer) among the vaccinated group since it began in 2007.

Other research has shown that HPV vaccination has also dramatically reduced the number of genital warts in females under 21
years and females aged 21-30 years old, and heterosexual males under 21 years old and aged 21-30 years. This is because the partners of vaccinated females receive indirect protection, more commonly known as ‘herd immunity’.

While you may be aware HPV can cause cervical cancer in females, there are benefits for males too. Vaccinating males against HPV will help protect them from a range of HPV-related cancers and disease. About a quarter of all vaccine preventable HPV-related cancers occur in males. Vaccinating males will also help to protect females from cervical cancer and other HPV-related cancers and genital warts by reducing the spread of the virus, which is transmitted by sexual contact.

The vaccine is delivered in three doses over a six month period by qualified immunisation providers. We have scheduled the first dose at school in Term 2 Thursday 1st May. It is important that the full course, all three doses, is completed to make sure students have the best protection.

The vaccine has been tested to ensure it is safe for males and females. Approximately seven million doses of the vaccine have been administered in Australia so far.

What you should do:

- Complete and return the consent forms for males in Year 7&9 and females in Year 7 before Wednesday 3rd April (before the end of term), if not already returned.
- Explain the importance of completing the full three-dose course to your child.
- Read more about the missed doses, safety and effective use of the vaccine and HPV at australia.gov.au/hpv.
- Further information on immunisations – interactive site www.immunehero.health.vic.gov.au

Please note the Hepburn Shire Council 2014 Immunisation Schedule for Daylesford Secondary College at the end of the newsletter.

Senior Learning Community

It has been a very busy start to the year for the Senior Learning Community. Year 11 and 12 students have worked extremely hard over the past 10 weeks and we are getting lots of positive feedback from staff about them all. It is great to see them take their studies seriously whilst at school. It is important for students to also adopt this approach at home. There is always something to complete or revise. It is important that students find a balance between their studies, work and social activities. Students should use the school holidays as an opportunity to catch up on their studies and revise for their upcoming assessments. But, it is equally as important that they take a break, just not too long. We would like to wish you a Happy Easter and we hope you return to school after the break happy, healthy and refreshed, ready for another term of hard work.

Ms Kirby and Mrs Olver
Senior LC Managers

Music

Music Camp for Concert Band Members

All permission forms have been given out to Concert Band members to attend the music camp, to be held Wednesday 30th April – Thursday 1st May. This is a fabulous two days of rehearsals and all students are expected to attend. Please note payment is now due.

Maths

After School Maths Help

Maths teachers are available to help students with their homework or other maths work after school every Tuesday 3:30 to 4:30. Please note the change of day.

Mathematics Challenge for Young Australians

We are looking for some motivated maths students to participate in the Maths Challenge. The Mathematics Challenge for Young Australians takes place over three weeks in term 2. Students receive a problem booklet containing 6 problems. Students are required to present written solutions to as many of these problems as they can. The problems are challenging and require time and persistence, but are based on mathematics which should be known at their level.

See your maths teacher for more details.

School Magazine

Each year Daylesford Secondary College publishes a college magazine that celebrates the fun and achievements of the school year, and is a wonderful item to look back on in coming years. As this year’s magazine is printed in full colour, a payment of $15 is
required to secure your copy. Students will only receive a copy if payment is made to the General office by Term 3.

**Sports**

*Greater Western Zone Swimming 2014*

On Friday 21st March the Greater Western Zone Swimming was held at the Warrnambool Swimming Pool.

Daylesford students who excelled were:

Tyler Olver 13 Age: 
3rd 50m Backstroke and Butterfly and 4th 50m Freestyle.

Sarah Bertoncello 15 Age:
4th 50m Butterfly and Breastroke

Alister Ferrier  15 Age:
4th 50m Backstroke.

All of the students who advanced to this level should be congratulated on their efforts.

Many thanks to Nicole Olver and Tim Ferrier for giving their time and effort to drive the students to Warrnambool on the day.

*Martyn Nettleton – Sports Coordinator.*

**Science**

*Victoria University Chemistry Workshop*

Last Friday we were fortunate to be visited by Victoria University and their mobile chemistry workshop. Our VCE chemistry students had the opportunity to undertake some experimental work using a variety of analytical instruments and a number of middle school science students participated in a range of practical activities from chromatography of pen inks to the production of “Deep Heat” from “Aspirin”. Many thanks to Ray and Dominic who presented these workshops and to Kelly and Jessie who made the delicious snacks for our morning tea.

*Stanley Hammond Awards*

Chloe Leonard, Leigh Lovig and Joel Gervasoni were awarded Stanley Hammond Awards for their kindness towards other students in their year level, especially those who have learning and language difficulties.

(No photos – waiting on photos to arrive)
Peer Support

Peer Support Students at Year 7 Camp

On Thursday 21 March, 11 students from the Peer Support Group travelled to the Year 7 camp to lend their support for the day getting to know the Year 7 students. Thank you to Mr Jones for driving the bus.

Stanley Hammond Awards

Chloe Leonard, Leigh Lovig and Joel Gervasoni were awarded Stanley Hammond Awards for their kindness towards other students in their year level, especially those who have learning and language difficulties.

(No photos – waiting on photos to arrive)

Community Events

In Longest Lunch Friday 14 March 2014

14 students from our College assisted with the Longest Lunch at Hepburn Springs Reserve. The students worked hard, did an awesome job and had an enjoyable day.

Thank you for representing Daylesford Secondary College at this community event.
Year 10 Work Experience 23rd – 27th June
All parents/guardians should have received a letter regarding Year 10 Work Experience and the students have been given their packet of documents. Students and parents are encouraged to make an appointment with us if they have any concerns or questions about finding placements or other issues. Please note that we need all placements to be finalised by the end of week 4 of term 2 (16th May).

Year 12 – University of Melbourne to visit Ballarat
Meet Melbourne – an information session for students and their families.
Wednesday 30th April at Jackson’s & Co, 201 Mair Street 6 – 8 pm
Register:
futurestudents.unimelb.edu.au/meetmelbourne

Year 12 - Explore Deakin University – Parent and student tertiary information nights:
- Warrnambool campus – 6-7.30pm, Wed 2 April

Girls – Years 9 and 10
IBM EXITE Camp – expressions of interest are being called for a four-day program designed for girls in years 9 or 10. This will be held in Ballarat over Tuesday 19th to Friday 22nd August. The program is to give girls an opportunity to experience an adventure in learning and have fun. IBM hosts the program in order to increase girls’ interest in maths, science and technology. These camps are held in various locations over the world. Any interested girls will need to have the ability to travel to and from Ballarat each day (arrangements could be made to share transport if a number of girls are interested). Please register your interest in the Careers office as soon as possible.

2014 Mentor Breakfast
On Wednesday 19th March eighteen of our Year 11 girls attended the annual ‘Women of Note’ Mentor Breakfast at Bellinzona. Thanks again to our local Girl Guide committee who provided the opportunity for these girls to meet with local women who work in a variety of professions of interest to them.
Term 1 Holiday activities
Year 10, 11 & 12
See the last newsletter for details or look at web addresses. In summary:
‘A Day at Melbourne’. When: 10am-3.30pm, Fri 11 April.

Healesville Sanctuary’s Keeper for a Day program on 8, 9, 15 & 16. Who: 13-18yo; Cost: $103; Book: 9285 9406.

LEAP Activities All year 10 -12 should have a look at http://www.leap.vic.edu.au/

University Rankings
The recently released QS World University Rankings by subject, list the top 200 universities around the world in 30 subject areas.

- University of Melbourne – has 11 subjects ranked in the top 20, and 27 subjects in the top 50. Education at the University has been ranked second in the world in the rankings. It has also ranked well across social sciences, engineering and technology, life sciences and medicine and arts and humanities. The education ranking is a strong endorsement of the university’s commitment to ensuring that future teachers receive the highest standards.
- La Trobe University – ranks among the best in the world for a number of subject areas. La Trobe’s history discipline, which in the QS rankings system includes archaeology, ancient history and classics, was ranked 38 in the world and third in Australia. It was ranked in the top 100 in the world for communication and media studies, linguistics and sociology, while agriculture and forestry, psychology and education were ranked in the top 200.
For more information about the QS rankings see: http://www.topuniversities.com/university-rankings

Victorian College of the Arts (VCA) and Southbank Precinct
There is to be a major redevelopment project at Southbank, jointly supported by the University of Melbourne, the Victorian Government, the Myer Foundation and the Ian Potter Foundation. This is good news for the University of Melbourne (VCA is part of the University), and for the cultural vitality of the city of Melbourne. This is the largest redevelopment project in the history of the VCA, extending the campus space with a new visual arts wing. It will also create a new entry point to the university, opening the campus more fully to students, business and residents. The plan involves using the historic Victoria Mounted Police Branch stables in Dodds St as a dedicated space for arts education, exhibition and public access.

Clinical Exercise Physiology
If you wish to study sport, Clinical Exercise Physiology might be the career for you. Where physiotherapists assist people with movement disorders using techniques to assist muscles and joints to move to their full potential, clinical exercise physiologists use exercise to prevent and rehabilitate disease and injury in the community. Accredited Exercise Physiologists are formally recognised by the Dept. of Health and Aging as allied health professionals, which means that they are able to deliver Medicare-compensable services.

Deakin’s Master of Clinical Exercise Physiology aims to produce quality exercise physiologists. This is the first and only accredited exercise physiology course in Victoria to be accredited by Exercise and Sports Science Australia (ESSA). To be eligible for this program, students must be able to demonstrate eligibility for exercise scientist accreditation from ESSA, and provide evidence of 140 hours of exercise service delivery for apparently healthy clientele. This can be achieved by completing Deakin’s Bachelor of Exercise and Sport Science, including the accredited exercise science – ESSA sequence.

RMIT
RMIT is a ‘dual-sector’ institution, offering degrees, diplomas, certificates, pre-apprenticeships and short courses. The main campus is in Swanston Street, Melbourne, with other campuses located at Brunswick and Bundoora.

- Bachelor of Arts (International Studies) – This career-oriented degree prepares students to work in international development, security, diplomacy, political economy, law and global
governance. An international internship and language study is compulsory (Chinese, Japanese, Spanish, French, German, Greek or Italian). Some graduate destinations: Department of PM and Cabinet, Dept. of Premier and Cabinet, AusAID, Dept. of Defence, Dept. of Immigration and Citizenship.

- Bachelor of Applied Science (Property and Valuation) – covers property law, planning, valuation, development, investment funds management, asset/commercial property management, law, construction techniques and project management related to commercial property, not real estate. It involves infrastructure like ports and schools. Why study it? It is financially rewarding, you're not in an office all day, has a mixture of management and hands-on work.

- Bachelor of App. Sci. (Project Management) – A project is an event with a start and a finish time. The course offers students the opportunity to gain structured employment experiences within the industry to enhance academic learning. Graduate destinations: Construction - building and infrastructure projects and property development; Non-construction – client-side project management, event project management, business project management, IT, health.

NOTE: The first year of the above two degrees is the same, along with the B. App. Sci. (Construction Management). This allows for collaborative projects to be undertaken.

- Associate Degree in Aviation (Professional Pilots) – Boeing estimates that 192,000 new pilots will be required by 2032! On graduating, students may find employment in charter/Regional airlines, outback station flying, sightseeing, fire spotting and beach patrols and flight instructing (with Instructor Rating). With enough hours, they may go on to chief pilot, fleet, or flight operations manager. Pilots are trained for the general flying progress test, private pilot licence, commercial pilot licence and air transport licence. The current annual fee is about $60,000 (NOTE: a total of up to $96,000 can be borrowed through FEE-HELP).

- RMIT Science programs are special. RMIT has entry pathways from Diploma and Associate degrees. The courses have a strong hands-on component and field trips. All students complete an independent project in their final year and they all complete a work placement or a project-based team-working component. There are overseas experiences; semester exchanges and International Student volunteer opportunities.

NOTE: RMIT is holding ‘Big Picture Experience’ information sessions about many of their courses in the Term 2 holiday break. See later editions for details, or www.rmit.edu.au/experiencedays now.

Pre-Apprenticeships
Another option for school leavers considering an apprenticeship. There are a wide range of pre-apprenticeships providing Certificate II level courses of up to six months full-time study. They provide skills and experience of an industry before any commitment to a full apprenticeship. Options include bricklaying, carpentry, electro-technology, engineering, horticulture and plumbing.

Indigenous Student Experience Monash Day
The Indigenous Student Experience day is an opportunity for Year 9 - 12 students to get a hands-on experience of Monash University. There will be interactive sessions, opportunities to meet staff and current indigenous students and gain information on the support available for indigenous students.

When: 10am-1.30pm, Fri 2 May; Where: Robert Blackwood Hall, Monash University Clayton Campus; RSVP by 25 April: kristel.keleher@monash.edu, Ph 9905 8699; See: www.monash.edu.au/study/life/indigenous

Community News

The Rex Community Theatre

MOVIES: What’s on the Rex in April? See the flyer at the end of the newsletter.

The Rex Cinema will be operating as normal throughout April. As part of the agreement reached at mediation, we will operate until 30th April, after which, we will be relocating to a temporary venue. Our aim is to continue operating until we find a new permanent home. We will be taking all our assets with us when we move including the seating, the screen and all our electrical equipment. We would like to assure everyone, that we are not closing – simply relocating! It would be wonderful if we could have as many people get to the cinema in April as possible! With over 70 screenings, we hope to see you all at the movies!

Linda Carroll, President – DCT Inc.
Daylesford Junior Football Club

Looking for Players
Daylesford Junior Football club

We are looking for more players both boys and girls to add to our top quality sides. We have a fantastic group of players already but require a few more to ensure sufficient numbers throughout the season. We welcome player of all ages and skill level. If you are under 18 and want to stamp your place in our teams, come down, have a kick, get to know us and you won’t look back!

Ring: Coach- Jeremy 53481761
Team Manager- Gerald 54239316

Easter School Holiday Craft Workshops

Threadneedle Craft will hold craft workshops for school children once again during the school holidays. The workshops will include beading, papercraft and beginners sewing to inspire kids’ creativity. A full program will be available in store or can be downloaded from www.threadneedle.com.au.
Workshops will be held at Threadneedle Craft, 2/52A Vincent Street, Daylesford. Class sizes will be limited to six, so it we recommend that you book in advance.
Please contact Merrilyn Sim on Ph. 5348 4277 for enquiries or for bookings.

Daylesford Basketball

TERM 2

Trentham Neighbourhood Centre

Fungi
An introduction to a curious Kingdom and discoveries of the curiosities and delights of the Fungi.
Presented by ecologist and environmental photographer, **Alison Pouliot**

Alison’s intrigue for the natural environment has grown from years of exploring the bush and is fascinated with the design, diversity and connectedness of living things with a deep concern for the rapidly changing state of our natural environments.

This workshop will take participants deep into the fungi kingdom with a close look at the major characteristics used to identify fungi in the field, it also includes an illustrated seminar a display of local specimens and interactive fungus identification session and a foray into local forests.

Participants are encouraged to bring along specimens for the identification session.

We hope you will join us to share in the discovery and wonder of this amazing kingdom of organisms.

**Sunday 20 April 2014**

**10.30am – 4.30pm**

Trentham Neighbourhood Centre (TNC) Corner of Market & High Street.

Morning tea will be provided but you may like to bring along your lunch, wet weather gear if necessary and a magnifier or fungi field guide if you have one. Participants will also be provided with supplementary notes.

Costs: $75.00. **Bookings:** 5424 1354 or admin@trenthamnc.org.au
