Principal’s News - Mr Graeme Holmes

Dwayna Gentic-Hilton with Andrew Kiellerup - Work Experience at Daylesford Primary School.

Term 2 has concluded on a wet, cold but pleasant note. A feature this week has been the Medieval Day. This was a celebration of history and acknowledged the learning and understanding displayed by students of significant historical times. Some of the Year 8 students visited Quantum in Melbourne last Tuesday. It was an excellent excursion summed up emphatically by Ellie Rodgers and Stephy Okely as “awesome” and “fantastic”.

Big Breakfast continues on Tuesday mornings with even bigger breakfasts once per month provided by community groups. Thanks goes to Daylesford Community Church for providing this month’s special breakfast. The hot food was greatly appreciated on one of the coldest and wet mornings of the term.

Work Experience

This week has also been work experience for the Year 10 students. Every year the Year 10 students spend a week in their chosen job experiencing the possibilities of life after schooling. Some of our students have organised to visit occupations such as plumbing, office roles, teaching, pre-schools, builders, mechanics, veterinarians, nurses and many other occupations.

Dwayna Gentic-Hilton took the opportunity to spend a week at Daylesford Primary School. I caught up with her on Wednesday when she was chatting with her mentor teacher, Andrew...
Kiellerup. Dwayna is enjoying her time at the Primary School. She loves working with the students and helping them with the learning activities. She is looking forward to taking a series of learning activities with the class. The only ‘down-side’ was having to do yard duty during the bleak weather on Tuesday.

Some of the highlights this term have included the house cross-country and subsequent zone running, winter sports, a range of excursions and associated curriculum-based activities. Importantly, there has been strong teaching and learning throughout the term. Many students are very keen to learn and apply effort and endeavour to master the content. This solid foundation can be built upon in the second half of the year.

**Every Day Counts**

It was pleasing to note the large number of students who received A+ awards at assembly the other day for exemplary attendance. There were too many to read out at assembly – a good problem to have. Attendance at school is vital for on-going learning as well as for social interaction. If ill, by all means take a day off, otherwise full attendance is expected.

**Holidays**

I wish you all a safe and relaxing holiday and look forward to a strong, positive term 3.

Graeme Holmes, Principal

---

**Humanities**

**Year 8 Medieval Day: Hear ye, Hear ye!**

Year 8 students had lots of fun and found out about the Medieval world when Lorenzo from Medieval Education conducted a day long interactive workshop as a part of their studies in Humanities. Crime and punishment, weapons and armour, dance, archery and a live tournament were highlights of the day, as were the grand costumes of the young maidens and knaves. More news to come about the day in our next DSC Newsletter.

---

**HISTORY - Excursion to the Jewish Holocaust Centre**

Last week, a group of 21 students visited the Jewish Holocaust Centre in Elsternwick as part of their 20th Century History studies. The experience was made particularly memorable for the students as they were able to hear a first-hand account from Holocaust survivor Abe Goldberg. Abe is now in his ninetieth year. He recently celebrated 67 years of marriage with his wife, Cesia, who is also a Holocaust survivor. Abe’s positive outlook, community involvement and longevity, despite his horrific experiences, left a particularly powerful impression on us all.

Jack Simmonds (left) light a remembrance candle with Abe Goldberg and Riley (Xavier College)

Aidan Piper contemplates some of the confronting information presented in the Jewish Holocaust Centre Museum.

Martin Hogan - Humanities KLA Leader
Special Breakfast

Thank you to Daylesford Community Church who did a wonderful job providing a bacon and egg breakfast to students on a very cold morning. We are grateful to community groups who provide our school community with a special breakfast once a month.

Thank you
Student Wellbeing Team

HPV Vaccination

Last chance for Year 9 boys in Victoria to have breakthrough HPV vaccine for free. This program will end 2014. For more information about the vaccine visit www.hpvvaccine.org.au

Reminder Gardasil & Boostrix Vaccination
Due July 17

Thursday 17 July 2014:
Year 7 Boys & Girls Gardasil 2nd dose
Year 9 Boys (catch up program) Gardasil 2nd dose ((2months after the 1st dose.)
Year 10 Boostrix Single dose.

School Starting Time

Just a reminder that school commences at 9am. It would be appreciated if all students could arrive at school by 10 to 9 so that they can get organised and prepare for the school day. We are arranging for some of the later-arriving buses to arrive at a more appropriate time in the morning and we ask that parents drop their children off by 10 to 9.

Thanks for your cooperation.

Sports

Eureka Football

On the 10th June DSC played in the Eureka Football competition at Ballarat High School winning 2 out of the 4 games throughout the day.

Best players were Kyle Yanner, Dominic Daly, Mason Daly, Ned Stephens, Sam Hitchman, Alex Hitchman, Leigh Lovig and Leigh Polendakis

Greater Western Cross Country

Conducted in Hamilton, 2 students represented the College on the 13th June. Eve Stockfeld (14 Girls) finished a fantastic 6th and advances to the State Final next term while Kyle Yanner (13 Boys) was placed in 25th position.

CONGRATULATIONS to both students and we wish Eve all the very best in the final.

Intermediate Netball

Intermediate netball was held on the Tuesday 3rd June at Llanberris Netball Centre. Although only managing one win for the day, the girls showed impressive skills and worked very well as a team. A great day was had by all involved.

Sports for Girls - Self Defence

The Sports for Girls class had the opportunity to attend a self defence class at Vlinder Holistic Fitness as part of their course work. They learnt some basic self defence skills, and were given the opportunity to practice these under the guidance of a black belt instructor. All students involved really enjoyed the class and took home some valuable skills.
Reminder: **DSC PE Uniform at Interschool Events**

Students are reminded that PE uniform is to be worn when representing the school at inter school sports events. If students do not have the correct uniform they will not be permitted to attend inter school sports. With the cold weather, students are reminded they may wear their school jumper or school jacket over their PE uniform to and from events.

---

**English**

**Year 7 Zoo Excursion**

On Tuesday June 17th, the Year 7 students rugged up for an excursion to the zoo. The excursion was organised to provide stimulus for poetry writing, and primary source experience for the work that we have been doing on endangered species. Fortunately the weather was kind, and the animals at the zoo were wonderful to watch.

**Year 7 Excursion to the Melbourne Zoo**  
**By Chiquita Ashley-Barlow**

On the 17th of June, 67 Year 7 students from Daylesford Secondary College made their way to the Melbourne Zoo, accompanied by Ms. Williams, Mr. Gooding, Ms. Champion and Ms. Cattanach, to study and practice their poetry skills (which was a topic they had started in class) and find out more about endangered species.

During our visit to the zoo, each group of students had to complete some poems assigned by the teachers. They were an alphabet poem, a ten line hello goodbye poem, and a five line ‘are’ poem. Each group completed this on their 2 hour troop around the zoo, while admiring the animals and all there was to offer.

Apart from the poems, they also learnt about endangered species. They completed a worksheet about some of the many endangered species at the Melbourne Zoo. The worksheet involved researching the habitat, the reason they’re endangered, and their current status.
This was a task to complete during our wonderful visit to the zoo. The Year 7’s visit was a day to remember. It was the first excursion of the year; they met all their learning goals, while still having fun observing all the beautiful animals the Melbourne Zoo has to offer. A big thanks to Ms. Williams, Mr. Gooding, Ms. Champion and Ms. Cattanach, for supervising us and making this day possible.

**Reminder Student Reading Support continues in Semester 2**

Every Wednesday students are invited to bring their English novel and lunch to the supervised English reading session in C1 at 12.55pm. This has been organised to assist students with reading their English texts. Please see the listed 2014 English texts for Year levels 7 to 12 at the end of the newsletter.

**Science**

**Reminder - Science Help Tuesdays in A8 continues in Semester 2**

If you are behind with your Science homework or if you just need a bit of science help then lunchtime Tuesday in A8 is for you! Bring your lunch and whatever you need help with of a science nature.

**Maths**

**Australian Mathematics Competition**

We are seeking keen and talented maths students to take part in the Australian Mathematics Competition. This is a challenging set of multiple choice questions completed under test conditions. This year it is on Thursday 7th August. It will cost students only $5 to enter. We will subsidise the rest. There will be a prize for the best student at each level (junior, intermediate and senior) and all entrants will receive a certificate of participation. If you enjoy a challenge and would like to participate, please see your Maths teacher no later than first week in term 3.

**Reminder - After School Maths Help continues in Semester 2**

Maths teachers are available to help students with their homework or other maths work after school every **Tuesday 3:30 to 4:30 in B4.**

Ms Arndt

**Theatre Studies**

A reminder for students viewing the performance of “Les Miserables” on Wednesday 23rd July, full payment of $70 or balance of payment $50 if deposit has been paid, is due by 17th July, first week in term 3.

**Junior Learning Community**

**Junior School English Update**

**Important reminder:** Year 7 students should currently be reading Jackie French’s novel *Pharaoh* in preparation for semester two.

**Senior Learning Community**

**Senior School English Update**

**Important reminder:** Year 12 VCE students should be reading Bertolt Brecht’s play *The Life of Galileo* in preparation for the start of Unit 4

**SENIOR BALL**

**Can you assist?? Senior Ball**

We are looking for 2 or 3 parents to assist at the Senior Ball on Thursday 24th July from 6pm. Tasks may include waitressing, some food prep and dishes.

If you are able to assist contact Elaine Anderson at DSC.

**SRC News**

**Volunteer Help Needed to Set Up Soccer Nets**

Students have been calling for improved and permanently set up soccer nets. Nets were purchased but we need someone abled and skilled to attach the nets to the metal frames currently on the oval. We are calling for a parent or community member who can weld and attach the nets to the frame. If you think you have the skills required and the time to give us a hand, please contact myself or Martyn Nettleton at the school to arrange a time.

Your help will be very much appreciated.

**Thanking you**

*Maria Mazzitelli – SRC Coordinator*
Scaffolding a fantastic win for DSC and our VET Building and Construction Course

Michael Sayn, the program teacher for VET B&C applied for a grant to Senator John Madigan for the purchase of scaffolding so he could teach one of the units that requires the students to learn how to set up and dismantle scaffolding. Senator Madigan, generously donates his annual pay rise to schools in need of equipment, and his only requirement is that it is Australian made, this is one of the things that his party stands for, supporting Australian manufacturing. When not used for training, the scaffolding can also be used for maintenance around the school. Cert II in VET Building and construction (carpentry stream) is a 2 year course designed to skill up students who might be interested in gaining an apprenticeship in the building industry.

Regards
Michael Sayn

College Buildings

Daylesford Secondary College has been receiving considerable attention of late in regards to the condition of some of the buildings.

Many of you will recall that Daylesford Secondary is an amalgam of a high school and technical school. This structure provided, many years ago, additional classrooms and facilities which the school has used effectively. However, the school now has more classrooms than we are entitled to which means that there will not be a major stage 2 rebuild of the school. School Council in order to meet the requirements imposed on the school in term 1 this year, has had to specify a number of rooms as being over-entitlement based on current enrolments. Council had to also identify how some of the current facilities could be reconfigured within the main structure. In particular, the Home Economics facilities need to be relocated into one of the main buildings. Now that the School Council has identified excess classrooms, the school is eligible for maintenance and minor works funding to address the deteriorating condition of the buildings we will be retaining. At this point in time, Daylesford Secondary College is not entitled to major facilities upgrade however there is an expectation that we will receive additional maintenance funds and, hopefully, additional funding to relocate the Home Economics facility. You can be assured that your College Council is actively involved in sourcing funds and lobbying for the much needed capital and minor works.

G. Holmes, Executive Officer, Daylesford

MIPS & Careers Update

Week 10 Term 2 2014

Work Experience

We hope that all our Year 10 Work Experience students have enjoyed their placements and come back ready to work towards their career aspirations!

Reminders and more….

Years 10, 11 & 12 students should register for holiday events at various universities. The list is summarized at the end of this article but here are some more:

IT TAFE Taster Day - Federation Business School (was Uni of Ballarat) is running an IT TAFE Taster Day for year 10-12 students with an interest in pursuing a career in IT. It will be held in the School Holidays on Wednesday July 9 from 9.30am to 3.30pm. The day centres around interactive IT activities including multimedia, web design and IT support and will give students insight into what it’s like studying TAFE Info Tech. For further information or to register please email Veronica Boast v.boast@federation.edu.au

Monash Uni Year 10 Independence Day

Want to explore your study options? Come along to Year 10 Independence Day at Monash Clayton. You will have the opportunity to investigate your current passions and discover new interests.

Date: Thursday 3 July 2014
Time: 11am – 3.30pm (light lunch provided)
Monash Uni Year 11 Inspiration Day
Are you looking for a spark of motivation to get you through the last years of school? Year 11 is the time to get inspired. Come to Monash Caulfield, experience a global university campus, and see the amazing things our students do. Get enthused about your future and discover how the course you choose can make a difference to your life – and the lives of others.

Date: Wednesday 9 July 2014
Time: 11am – 3.30pm (light lunch provided)
Location: Building H, Monash Caulfield campus
Register: http://www.monash.edu.au/study/options/undergraduate/year11-day/

Parents, Years 10, 11 & 12 students
For your diary: This year’s Ballarat Careers Expo, to be held at Ballarat Grammar will be on Monday 18th August 7-9 pm. Highly recommended.

Open Days coming up next term – Years 10, 11 & 12 and parents
Universities and other institutions hold Open Days. More details will follow in the first Newsletter in Term 3, however, the dates are provided again here for your diary.

Sat 2 Aug Monash University (Berwick & Peninsula campuses)
Sun 3 Aug Deakin (Warrnambool), Monash (Caulfield, Clayton & Parkville), Swinburne
Sun 10 Aug Australian Catholic Uni (ACU) (Melbourne), Deakin (Geelong), RMIT (Bundoora, Brunswick, City)
Sun 17 Aug La Trobe Uni (Bendigo), University of Melbourne
Sun 24 Aug Box Hill Institute, Deakin (Melbourne), La Trobe (Melbourne), Victoria, William Angliss Institute
Sun 31 Aug ACU (Ballarat), Federation Uni (Ballarat & Gippsland).

Monash Uni News
- New courses at Monash for 2015 – Berwick campus will offer the Bachelor of Nursing, Clayton will offer the Diploma of Higher Education – Science, a new City location will offer the Bachelor of International Business, and Peninsula will offer the Bachelor of Education (Honours) Primary and Secondary Health and Physical Education.
- Monash offered 5,868 scholarships in 2014 – up 37% on 2013.
- From 2015, all 4+ year Monash degrees will give an honours qualification. This can lead on to a one year Masters’ degree, with only one year being full-fee.
- Selection to the medical imaging degree is expected to include an interview for the 2015 intake.

Nursing at Victoria Uni
Health courses at VU give hands-on experience and learning through scenario-based placements and clinical assessment. Students gain the latest knowledge, skills and experience to be work-ready and career-focussed before graduation. The three-year B. Nursing prepares graduates to be qualified registered nurses recognised by the Australian Nursing and Midwifery Council. It is also a pathway into paramedicine through the B. Health Science (Paramedic). See: www.vu.edu.au/courses/bachelor-of-nursing-hbnb.

NOTE: Div 1 Nursing is also offered at ACU, Deakin, Federation, La Trobe, Melbourne, Monash, and RMIT Uni’s.

Environmental & Marine Careers Expo (with costs)
Cost: $20 per person early bird (by 27 June), $25 afterwards
Join the experts for a careers, employment, and training expo at Melbourne Aquarium. The Expo brings together professionals from a variety of industries and tertiary institutions. When: Twilight session 4.30-8pm, Thurs 7 Aug; Where: Sea Life, Melbourne Aquarium;; Bookings: 9923 5911, bookings@melbourneaquarium.com.au; Info: www.melbourneaquarium.com.au/schools.

Deakin Law students best in world?
Deakin University has taken one of the world’s most prestigious law student competitions, winning the team’s award in the Willem C. Vis International Commercial Arbitration Moot in Vienna. The mock court competition, known as the Vis Moot, is a highly prestigious event, with 290 law schools from around the globe competing. The competition requires students to prepare materials for a hypothetical international commercial law dispute and then argue that case against other teams.

IT@DEAKIN – Deakin offers a range IT disciplines, including games design and development, IT security and computer science. The perception of computer games has completely shifted. Games are now fundamental tools used in sales and marketing, business strategy, education, and science – much more than just entertainment products and graduates
are well prepared for careers beyond traditional roles in gaming companies. **IT security** is suited to students interested in tackling cyber-crime and cybersecurity head-on. Graduates with skills in this area are highly sought-after. **Computer science** focuses on the technological aspects of computing and IT, including development of analytical skills and an understanding of programming and software engineering.

Logistics Cadetships – earn while you learn! Logistics is about getting materials/foodstuffs to the right place at the right time. The Victorian Transport Association (VTA) Logistics Cadetship is a two-year program with recipients **employed fulltime** with logistics companies while **studying for a Certificate IV/Diploma in Logistics**. Cadets are released from work to study at Victoria University. Cadets **earn a full time wage** while studying. If you are looking for a career in business, and are highly organised, this could be the career for you. **Info**: Leni Carrion, Ph 9646 8590, cadetship@vta.com.au; See: www.vta.com.au.

Year 12 – secure a place at La Trobe before your ATAR. La Trobe University’s **Aspire Early Admissions Program** opens on Tuesday 1 July. Check out the enrichment program and key dates to **apply now**.

Gaining a Place in Graduate-Entry Medicine At the **University of Melbourne**, medicine is a graduate-entry degree, with applicants first needing to complete a degree including **prerequisite studies** (eg the University of Melbourne’s B. Biomedicine or the B. Science). Selection to this degree is based on the **Graduate Medical School Admissions Test (GAMSAT)**, usually sat in the final year of the undergraduate degree, performance in the **undergraduate degree** (including completion of prerequisite studies) and an **interview**. Students attend an interview if they meet the other two criteria. Each criteria is weighted equally by the selection panel. **Information**: www.medicine.unimelb.edu.au/study-here/md/application_process. As this is a postgraduate qualification, there is no need to sit the Undergraduate Medicine and Health Sciences Admission Test. (The UMAT is now only required in Victoria by applicants for Monash undergraduate medicine). Two other graduate-entry medical degrees are offered in Victoria, at **Deakin University in Geelong** and **Monash in Gippsland** (Monash also offers the only Victorian **undergraduate** medical degree).

From 2017, at least 50 of the 75 domestic places in the Monash Graduate Entry MBBS will be **reserved for students who have completed Monash University’s Bachelor of Biomedical Science**. The others will be for students who have completed the following **Monash degrees**: Bachelor of Biomedical Science (including double degrees), Bachelor of Pharmacy, Bachelor of Physiotherapy and Bachelor of Science (dependent on the completion of designated units). Selection of students for the Graduate-entry MBBS will include a **multiple mini interview**; GAMSAT will not be required. Deakin does not specify any undergraduate degree to be completed first, but applicants will need to be equipped to answer questions in the **GAMSAT** and complete an interview.

**REMINDERS**

**Years 10 – 12: Plan your next holiday experiences**

- **IT TAFE Taster Day** for Year 10-12 students email Veronica Boast v.boast@federation.edu.au
- **Discover Deakin** Held during the term 2 school holidays, this is your chance to be a university student for a day. You can also learn about the courses you are interested in and the great range of facilities available at Deakin. You will be able to attend a range of faculty workshops and course or study area information sessions and experience classes and seminars of your choice. Geelong: Friday 4 July 2014 Burwood: Friday 11 July 2014 Register: http://www.deakin.edu.au/study-at-deakin/why-choose-deakin/prospective-student-events/discover-deakin or just ‘google ‘Discover Deakin’.
  - **Monash Uni Year 10 Independence Day** Register: http://www.monash.edu.au/study/options/undergraduate/year10-day/
  - **Monash Uni Year 11 Inspiration Day** Register: http://www.monash.edu.au/study/options/undergraduate/year11-day/

- **Experience La Trobe events** Try out different study areas, meet staff and get advice from experts at the study expos. Parents are also welcome at special sessions that give in-depth information on courses and support. **Melbourne campus** - 8 July 2014 **Bendigo campus** - 10 July 2014 **Shepparton campus** - 4 June 2014
Albury-Wodonga campus - 20 June 2014

Information and registration: http://www.latrobe.edu.au/experience/events/experience-la-trobe-events

- Science at RMIT – ‘Science in the City’ is a specialised tour of RMIT’s facilities where students and parents can learn more about science programs. Find out about the wide range if single and double degree science programs available at the city campus including biology, biotechnology, chemistry, environmental science, food science, nanotechnology and physics. You will also gain knowledge of career options. When: 11am-1.30pm, Mon 30 June and Mon 22 Sept; Register at: www.rmit.edu.au/appliedsciences/discover.

- RMIT experience days – RMIT has events for Year 10-12 students giving insights into life on campus. See www.rmit.edu.au/experiencedays to find out which events are not fully booked – book September holiday events NOW so you do not miss out!

- RMIT hospital laboratory visits - Covering laboratory medicine and nuclear medicine, the sessions are held at major teaching hospitals from 2-11 July. Register: RMIT Medical Sciences, 9925 7075, medicalsciences@rmit.edu.au.

- ‘University Experience’ at ACU: Ballarat campus – Tues 1 July; Melbourne campus – Tues 8 July; Info/registration: www.acu.edu.au/uni-exp

- Computer Games Boot Camp – This seven-day event is for students in Years 9-12, Sat 5 – Fri 11 July at Monash Clayton; Info/register: https://cgbc.infotech.monash.edu/

Activities with costs

- ART DESIGN AND ARCHITECTURE (MADA) – MADA is hosting a range of three-day workshops for Year 11/12 students interested in studying creative disciplines. Students can build folios and attend foundation workshops in architecture, interior architecture, communication design, industrial design and fine art, and experience life at MADA. Industry professionals and academics will run the workshops and guide students through the lessons and activities. When: 1-3 July & 24-26 Sept; Where: MADA, 900 Dandenong RD, Caulfield East; Enquiries: 9903 1517, mada@monash.edu.

- Law at the University of Melbourne When: Wed 2 July; Cost: $66 (incl morning tea and lunch); Registration and payment: by 25 June at www.jd.law.unimelb.edu.au/schools; Info: Yvonne Au, 8344 8879, y.au@unimelb.edu.au.

- Fashion, Textiles RMIT - Career options in the fashion and textile industries are diverse and multi-faceted. Who: Year 11 & 12; When: 9.30am-4.30pm, 1 – 3 July (3 days); Where: RMIT Brunswick; Cost: $350; Book: 9925 8111; www.shortcourses.rmit.edu.au; Course No. S350337.

CAFS - Kinship Care

Are you caring for someone else’s child?

Kinship Care is when children and young people are cared for by Grandparents, Aunts, Uncles or friends of the family, when the children’s parents are unable to care for them. Parents may be unable to care for their children due to: mental illness, difficulties managing alcohol & drug use, homelessness or domestic violence.

We can assist by:
Chatting about what it’s like to be a kinship Carer.
Talking with you about your child’s care experience, trauma and behaviour

Offering a local monthly Kinship Carer Group morning tea

Information sharing for related topics and local services

**For more information contact:**

Phone Toni Schiltz @ CAFS (03) 53373333 or email toni.schiltz@cafs.org.au

„.the availability of a kinship family provides children with the stability and consistency required for them to reach their full potential.”
Child Welfare League of America (1995a)

---

**Community Bus**

---

**Need a Lift?**

**Connecting Communities**

Starting Tuesday July 1, we will be trialling additional bus trips to Glenlyon and Trentham each week.

We are keen for as many people to benefit from this community service as possible.

**The Daylesford & District Community Bus**

travels between Daylesford and **Trentham on Mondays and Wednesdays** and between **Daylesford and Glenlyon on Tuesdays and Fridays**.

There are two return trips a day. The morning run leaves Daylesford after 9am* and returns at 10.30. The afternoon run leaves Daylesford at 1pm and returns before 2.30pm*.

**The bus will come to you.** Get picked-up or dropped-off ANYWHERE (where possible) along the way. Choose from one of 4 stops in Daylesford.

**The bus is for everybody.** Young people 12 years and over may travel without an adult.

Child seats (for children 0-7 years) and hoist (for people with limited mobility) are available on request.

It is a fun and affordable way to get around - catch up with friends, do your shopping, visit the library or a cafe. The bus is driven by volunteers and a gold coin donation is requested.

**Bookings are ESSENTIAL** – call Jordon on **1300 44 35 34** before 12pm NOON the day before travelling.

---

**Threadneedle Craft School Holidays Workshops**

**Craft Workshops for Kids**

**Winter School Holidays**

2 July to 11 July 2014

**Threadneedle Craft** will hold craft workshops for kids during the Winter school holidays. The workshops will be held at our shop located at **Shop 2, 52A Vincent St, Daylesford**.

Please contact **Merrilyn Sim** on **P. 5348 4277** for enquiries or to book a workshop.

Details are available on our website at [www.threadneedle.com.au](http://www.threadneedle.com.au)

---

**The Rex Community Theatre**

**MOVIES:** What’s on the Rex in April? See the flyer at the end of the newsletter.
St Vincent de Paul Society operates over 100 Vinnies Shops throughout Victoria. Our shops raise funds for the Society to provide those we assist with recycled clothing, furniture and other essential items.

We are welcoming volunteers to help with our good works at Vinnies Daylesford located at 28 Howe street, Daylesford.

This is a fantastic opportunity to gain personal satisfaction from making a positive contribution to St Vincent de Paul Society and your local community.

No retail experience necessary – training provided.

If you can help, please contact:
Volunteer Hotline on 1300 736 933 or
Email: volunteer@svdp-vic.org.au

Dare to Debutante Your Way – An all inclusive Prom.Deb Thingy welcomes 15 – 25 year olds to a safe and open minded ball. Let your hair down to tunes by The Resignators, The Vibe Master and DJ Casio.

Let’s celebrate our differences at MASQUERADE BALL at The ARC, 29 Smith St. Daylesford. 8.00pm – 11.30pm. Tickets $10 per person available from The ARC, ZAQUE and libraries at Clunes, Creswick, Daylesford & Trentham

For further information contact Sally Walsh at Hepburn Shire Council 5321 6118

WINTER FEST Program 28 June - 13 July

“Your What’s On Guide to holiday fun for teens and up”. For full Program Guide see the poster at the end of the newsletter.

INSIDE OUT DANCE, East St. Daylesford

TERM 3: BALLET. Inside Out Dance Theatre is now offering Ballet classes in a range of class levels. Our Ballet teachers are fully trained professionals with extensive experience in their field. For expression of interests, timetable, venue and enrolments please contact Joanne on details below:

| Wed 2 Jul | 3 - 5pm       | Zines Workshops
Got something to say? A story to tell? Some art to share? Maybe it’s time you published your own magazine. Get into the Zine scene where anyone can be a self-published author. |
| Wed 2 Jul | 10.30am-3.00pm | Magic the Gathering - Booster Pack Tournament An exciting Collectable Card game for those interested in fantasy and role-play. BYO lunch. Venue: Daylesford Neighbourhood Centre 13 Camp St, Daylesford |
| Fri 4 Jul | 10am-12pm     | Indoor Soccer
Thought about joining the Daylesford and Hepburn United Soccer club? Not sure if it’s your thing? Come to the ARC and try it out for an hour or so. |
| Wed 9 Jul | 2pm-4pm       | Mark your metal
Learn Silver-smithing skills, such as stamping and pressing. Use a range of materials such as brass and copper. Venue: Daylesford Neighbourhood Centre 13 Camp St, Daylesford |
| Thur 10 Jul | 10am -12 noon | Rock Climbing/Bouldering
Daylesford’s very own rock climbing wall is at The ARC. This is a great winter activity run by experience climber, Eric Jarlaud. Wear comfy clothes and sneakers. Places limited. |
| Sat 12 Jul | 8.00pm -11.30pm | Masked Prom Deb Thingy
15-25 year olds are welcomed to a safe and open minded ball without discrimination. Leave your prejudice at the door and let your hair down to tunes by The Resignators, The Vibe Master and DJ Casio. Dare to debutante your way. Dress: Masquerade Shambolic Formal. This is a fully supervised, drug and alcohol free, FreeZA event. |
