COMING EVENT

Hear ye, Hear ye!
Year 8 Medieval Day
Thursday 26th June

Students from 7.3 discuss their ideas about things going well at Daylesford Secondary.

Over the past few weeks I have been meeting with a range of students to ascertain their views about the successes and changes needed to improve Daylesford Secondary College. I have been involved with Year 9-10 focus groups, met with most of the Year 7 students and met with school captains and vice-captains seeking their views. The emerging student view is that Daylesford Secondary is a happy, productive school which most students are pleased and proud to attend. They, like the teachers, enjoy the extra curricula activities and they like most of the subjects on offer. On the other side of the ledger, homework is not the most favourite past-time and some see the deadlines for handing in work too stringent. Some don’t like double periods and some want more playground space and equipment to relieve the lunch-time boredom. The poor state of some of our buildings came in for some fairly direct comments as well. Overall, however, the general view is that Daylesford Secondary is a good school. We will be working hard over the ensuing months to address some of the pressing concerns.

The past week has been a trying time for many of our senior students. The Year 11s, and some Year 10s studying VCE subjects, have been sitting exams and, on Wednesday, all students sitting for exams later this year, took the General Achievement Test (GAT). The GAT is a
general-knowledge type test which enables examiners to moderate end-of-year results. The Year 11 mid-year exams provide not only experience in sitting for exams, it requires students to recall information they have learnt over the course of the semester. The power of exams is that they hold learners to account for the knowledge they have gained and press them to produce the information showing they have undertaken deep learning of the material. The exams also signal the end of the VCE Units and indicate the change-over of electives in the middle school. New Units commence on Monday 16 June. Congratulations go to Mikayla, Shelbi, Jordy, Marlin, Braden, Ethan and Connor on their selection to participate in the Year 9 leadership school. I am sure they will not only build their leadership skills, they will represent the College brilliantly throughout the 9-week camp.

DSC Students to attend Leadership School at Dinner Plain Campus

Below is a picture of the students who have been selected to attend a term at Leadership School. They are from left to right: Mikayla Kew; Shelbi Picone; Jordy Barnes; Marlin McDonald; Braden Snape; Ethan Brown and Connor Scott (absent). These students will be attending the Dinner Plains Campus, which is located about four kilometres from the Mt Hotham ski resort for nine weeks of term three. Leadership school is available to Year 9 students only and involves a process in which interested students submit a written application that is then followed up with an interview to select the successful applicants.

Student Engagement & Wellbeing

SCHOOL STARTING TIME
Just a reminder that school commences at 9am. It would be appreciated if all students could arrive at school by 10 to 9 so that they can get organised and prepare for the school day. We are arranging for some of the later-arriving buses to arrive at a more appropriate time in the morning and we ask that parents drop their children off by 10 to 9. Thanks for your cooperation.

HPV Vaccination

Last chance for Year 9 boys in Victoria to have breakthrough HPV vaccine for free. This program will end 2014. Please read the letter to parents/guardian from the Cancer Council Victoria at the end of the newsletter.

Reminder Gardasil & Boostrix Vaccination Due July 17

Thursday 17 July 2014:
Year 7 Boys & Girls Gardasil 2nd dose
Year 9 Boys (catch up program) Gardasil 2nd dose ((2months after the 1st dose.)
Year 10 Boostrix Single dose.

Humanities

Year 8 Medieval Day - Thursday 26th June

Hear ye, Hear ye!
As a part of the Humanities program, Year 8 students will be visited by Medieval Educators for a day of themed activities to give students a firsthand appreciation of life in Medieval times. The team of Medieval educators will cover Medieval crime and punishment, fashion and clothing, dance, weapons and warfare, archery practice and the ever popular Tournament, where brave maidens and knaves may test their skills against Knights in shining armour.

Their knowledge, pops, experience with students and especially their sense of humour makes medieval Day a high light on the Humanities calendar. Students are asked to come in medieval style clothing. There will be prizes for best costume.
This is an ‘incursion’ at DSC and there will be a cost of $12 per student. The group size is limited to 64 places, so returning the money on time will help ensure a place for your child. Payment is due by Wednesday 12th June.

SRC News

Student Free Dress Day

SRC has organised a free dress day for last day of term, June 27. Gold coin donation to be given to the Homegroup teacher.

Thank you,
Primo Clutterbok, SRC Representative

Volunteer Help Needed to Set Up Soccer Nets

Students have been calling for improved and permanently set up soccer nets. Nets were purchased but we need someone abled and skilled to attach the nets to the metal frames currently on the oval. We are calling for a parent or community member who can weld and attach the nets to the frame. If you think you have the skills required and the time to give us a hand, please contact myself or Martyn Nettleton at the school to arrange a time.

Your help will be very much appreciated.

Thanking you
Maria Mazzitelli – SRC Coordinator

Sports

Intermediate Football

In the Eureka competition last week the Daylesford Intermediate Football team won 2 out of the 3 games played, defeating Phoenix and Mt. Clear Secondary Colleges.

Best players throughout the day were:
Jake Keogh, Cam Lovig, Joel Dovaston, Will Hughes, Bill Giacometti, Harrison Knight and Trystan Paderno.

DSC PE Uniform at Interschool Events

Students are reminded that PE uniform is to be worn when representing the school at interschool sports events. If students do not have the correct uniform they will not be permitted to attend interschool sports. With the cold weather coming, students are reminded they may wear their school jumper or school jacket over their PE uniform to and from events.

English

Student Reading Support

Every Wednesday students are invited to bring their English novel and lunch to the supervised English reading session in C1 at 12.55pm. This has been organised to assist students with reading their English texts.

Please see the listed 2014 English texts for year levels 7 to 12 at the end of the newsletter.

Science

Spa Meats, Thank You for your Support.

The Science Department would like to thank Spa Meats, Daylesford for their generosity in donating free of charge all the hearts for the Year 8 students to dissect as part of their recent study of body systems. Please think of this support when you shop for meat this weekend!

Science Help Tuesdays in A8

If you are behind with your science homework or if you just need a bit of science help then lunchtime Tuesday in A8 is for you!

Bring your lunch and whatever you need help with of a science nature.

Maths

Australian Mathematics Competition

We are seeking keen and talented maths students to take part in the Australian Mathematics Competition. This is a challenging set of multiple choice questions completed under test conditions. This year it is on
Thursday 7th August. It will cost students only $5 to enter. We will subsidise the rest. There will be a prize for the best student at each level (junior, intermediate and senior) and all entrants will receive a certificate of participation. If you enjoy a challenge and would like to participate, please see your Maths teacher now.

**Mathematics Challenge for Young Australians**

I would like to congratulate the 22 enthusiastic problem solvers who undertook this difficult challenge and who managed to submit some solutions. Correction has begun. Well done everyone.

**After School Maths Help**

Maths teachers are available to help students with their homework or other maths work after school every **Tuesday 3:30 to 4:30 in B4**.

**VCAL**

May was a busy month in VCAL land! Thanks to everyone who supported our sausage sizzle. We raised valuable funds which will go towards some of our projects, both in and out of the school.

As part of the consulting and planning phase for proposed landscaping works behind the squash courts, we visited sculptor and metal worker Dave Dawson at Overwrought Design.

We also visited Daylesford Garden Supply in East Street and via Skype, we touched base with landscape gardener Marcus Swetnam, who is currently on location in China working on another amazing garden.

If anyone has skills or supplies that could be of use in our landscaping project, please contact Ms Ainley via the office.
Reminders

- **Years 10, 11 & 12** students should book for holiday events at various universities and **Year 9** students might consider the computer games 'bootcamp'.

  All session are at Level 14, 501 Swanston St, Melbourne; Bookings: CPTVIC@dfr.com.au. Students in Years 10-12 and their families are welcome to attend.

Local news

Year 10 students should be organising themselves for their Work Experience 23rd – 27th June. As they will not be at school during that week, parents are reminded that they can still access the School Newsletter from the school website.

A number of our Year 12 students attended the Tertiary Information Session (TIS) at Federation University on 6th June. Students and parents are reminded that we will hold an Information session in August for our parents and students on the process of applying for universities and TAFEs. The date of that session will be published in the next newsletter. Please note that while the VTAC application process will open shortly, students are advised to wait for the information session before making applications.

New website Monash University

Monash has created a new website to help you succeed in the final years of secondary school, and to access vital information in one place. For example, it includes important dates, deadlines, registration for Monash events, VCE tips, study options and information about career paths. See: [www.destination.monash](http://www.destination.monash).

Monash on YouTube

The Faculty of Arts has interviewed some new Arts students to ask them about their aspirations, why they chose Arts degrees at Monash, and their hopes for after graduation. Visit YouTube to view their videos: [www.youtube.com/watch?v=XxWbg_J0yvk](http://www.youtube.com/watch?v=XxWbg_J0yvk). For more information about Arts see [www.arts.monash.edu](http://www.arts.monash.edu).

Business and Economics Monash Uni

Problem-based learning or PBL is offered as part of the **Bachelor of Business at the Monash Peninsula** campus. PBL uses a small group approach, and focusses on problems similar to those in the workforce. Working in a small team and with an academic mentor, students create practical solutions to real-life problems, learning the principles of each subject. Site visits/industry placements form an integral part of this approach. Three ‘majors’ are offered at the campus: business strategy, sports management, and marketing and communication. Students may also undertake a different major, including accounting, at another Monash campus.

Dear parent/guardian,

RE: Last chance for Year 9 boys in Victoria to have breakthrough HPV vaccine for free

Cancer Council Victoria is reminding parents of boys in Year 9 to ensure their son completes the three-dose HPV vaccination course, given this is the last opportunity for them to have the vaccine for free.

Genital human papillomavirus (HPV) is a very common sexually transmitted infection which usually causes no symptoms and goes away by itself, but if left undetected, can cause cancer. The HPV vaccine (Gardasil) can significantly decrease your son’s chances of developing HPV-related illnesses including cancer later in life and genital warts.

The vaccine, given at school, prevents 90% of all HPV-related cancers in men, such as cancers of the penis, anus, and oropharynx and 90% of genital warts, and has been hailed as a breakthrough in preventative health.

This year marks five years since the vaccine was introduced in Australia as part of the National Immunisation Program, which recommends girls and boys having the vaccine at 12–13 years of age. However, the vaccine is also being offered to boys aged 14–15 years for free until the end of 2014, as part of a catch up program.

The vaccine course takes six months to complete, so boys need to get the first dose now to fully benefit from the catch-up program, which is only available until the end of 2014. All three doses of the vaccine are needed to ensure maximum protection.

If your child has already missed a dose at school, contact your local council for details of community catch-up sessions in 2014. GPs can also administer all three doses of the vaccine to boys aged 14-15 in 2014. The vaccine is free but the GP may charge a consultation fee. After 2014, missed doses will need to be purchased from a health service provider at a cost of approximately $150 each.

The HPV vaccine is safe, effective and has no serious side effects. If you are unsure if your son is fully immunised, please contact the National HPV Vaccination Program Register on 1800 478 734.

To find out more information about the vaccine visit www.hpvvaccine.org.au or call the Cancer Council Victoria Helpline on 13 11 20.

Regards,

Craig Sinclair
Head, Prevention Division
Cancer Council Victoria

The HPV vaccine can reduce the risk of developing HPV-related cancers and disease. Visit www.hpvvaccine.org.au or call 13 11 20 to find out more.
Mittagundi is an Outdoor Education Centre set on a stunning 40 acre property in the foothills of the Victoria High Country. Every fortnight we hike with twenty odd 14-17 year olds and two Clydesdale horses into the property, camping overnight in the mountains. Once there our new friends learn the ropes of milking the cow, chopping wood, baking the bread and getting the everyday farm chores done. All without electricity. Then we all pack a picnic and raft down the Mitta Mitta river and abseil from a picturesque valley rock face before commencing the 2-day hike back out. All in all it is 10 days that provides a moment in time that can’t quite be forgotten. Anyone can come. They just have to be keen to get away and to meet new people.
