COMING EVENTS

INFORMATION NIGHTS for 2015

For Further Information please read page 3 of the newsletter.

Principal’s News - Mr Graeme Holmes

Student Reports

Everyone should have received their mid-year reports by now. It has been pleasing to look through achievement levels of students across the year levels and note the large number of students who have achieved very good grades. The results reflect the commitment and effort of these high achievers. However, a number of students across all year levels struggled to reach satisfactory standards. This is of the utmost concern to us and, hopefully, to you as well.

Whether your child has excelled or struggled, please take the time to read through the report with them and congratulate and encourage. Increased effort, concentration and focus during semester two will bring even greater achievement by year’s end.

Parent Survey

The annual parent survey will be posted home this week. A random sample of 70 parents will be asked to respond to the survey questions. The parent survey provides important feedback to our College and to our College Council on a broad range of areas. Next year is our year of review, a time when we analyse the achievements and issues impacting student achievement. The parent survey results provide essential information to feed into this review process.

If you receive a parent survey form, I ask that you take a little time and complete the questions. It is completely anonymous and
provides important information for us to enable our school to continue to improve.

**SCHOOL COUNCIL**

Council held its monthly meeting last week. After concluding business, councillors participated in professional learning activities. The focus was on extending knowledge and understanding of the roles and responsibilities of school councils in Victoria as well as identifying key actions for our local council.

**SCHOOL COUNCILLORS**

Working under the umbrella of Government and Department of Education and Early Childhood Development policies and procedures, School Council is the policy-making body for Daylesford Secondary College. The Council has responsibility for areas such as financial management, fund raising, maintenance of buildings, grounds development, the policy on school uniform, canteen and some aspects of employment.

Daylesford Secondary College Council has 15 members: six parent representatives, four staff representatives, four co-opted members and the College principal.

At present, Council has fourteen members:

**STAFFING CHANGES**

Last week we welcomed Melissa Krause to the College. Mrs Krause is replacing Mrs Coburn who is on long service leave for all of term three. Mrs Krause comes to us from Nossal College in Melbourne and she will be working 0.8 for term 3.

Ms Linda Flynn will be continuing in her Regional role throughout term 3 as a Senior Advisor in the Ballarat area. Mr Dunn will continue in his role as Acting Assistant Principal.

**COMMITMENT TO REBUILD**

There was considerable excitement at Daylesford Secondary last week when Daniel Andrews, leader of the opposition and Macedon candidate Mary-Anne Thomas visited the school to make an announcement. Mr Andrews committed $10m to building phase 2 of the College rebuild if his party is voted in at the next elections. The announcement is welcomed by College Council and we are now seeking an equal commitment from other political parties.

**EVERY DAY COUNTS**

Attendance at school makes all the difference. We want all students at school every day working to the very best of their ability to excel in all areas of schooling. Missing school can have a major impact on a student’s future. If ill, by all means stay home but absences for trivial reasons can jeopardise otherwise promising achievement.

**College News & Notices**

As a matter of policy, the school, with the approval of Public Transport Victoria, allows students to travel on an alternative bus when they have need to do so. Such travel must always be approved at least a day in advance. However, the Hepburn/Yandoit bus is heavily loaded. **There is no room on this bus for “ad hoc” travellers.** Please do not ask for such travel approval, or instruct your children to use this service if they are not enrolled for this service. If the current trend toward such use on this service continues I will be obliged to check eligibility of students boarding. This will be both time consuming and distressful for those students denied access. Your cooperation in this matter will be much appreciated.

Peter Geddes, Bus Coordinator.
Daylesford Secondary College is running a number of information nights this term for students and parents/guardians to look at course options for next year. At all the information nights, Learning Community Managers and Teachers from all the subject areas will be present to answer questions.

It is important that students and parents/guardians attend these nights.

Senior information night

**Current Year 10 students for choosing Senior courses**-Monday 28th July, 6:30pm in C1

Current Year 11 students and parents/guardians are also welcomed if they think it is necessary to attend

- Options-The differences between the VCE, VCAL and VET
- Pathways-Where different courses lead
- Support-Support resources available to senior students
- Subject-What subjects are on offer and how to select them

For additional information contact the Senior Learning Community managers

-Natalie Kirby or Angela Olver

Middle information nights

**Current Year 9’s choosing a year 10 Course**-Tuesday 12th August, 6:30 pm in C1

- Options-What Year 10 and Unit 1 VCE subjects are available
- Pathways-Where different subjects lead
- Support-Support resources available to middle years students
- Subjects-How to select subjects for 2015

**Current Year 8’s choosing a year 9 course**-Monday 11th August, 6:30pm in C1

- Structure-How middle school works
- Support-Support resources available to middle years students
- Subject-What subjects are on offer and how to select them

For additional information contact the Middle Learning Community managers

-Nick Pethica and Dean Jones
School Magazine

School Magazine Payments - Have you paid for your copy of the school magazine yet? The college magazine is a wonderful piece of your schooling history and is great to look back on in years to come! The highlights of 2014 will be published in a full-colour glossy edition. Payment of this is needed by the 22nd of August in order to finalise numbers for the printers. Payment can be made at the general office. Thank you – Ms Low and Ms Rowbotham.

Student Engagement & Wellbeing

Reminder regarding - School Starting Time

Just a reminder that school commences at 9am. It would be appreciated if all students could arrive at school by 10 to 9 so that they can get organised and prepare for the school day. We are arranging for some of the later-arriving buses to arrive at a more appropriate time in the morning and we ask that parents drop their children off by 10 to 9. Thanks for your cooperation.

Commitment to Rebuild

Students with Daniel Andrews, leader of the opposition and Macedon candidate Mary-Anne Thomas visited the school

Stanley Hammond Awards

Lexey and Saville for volunteering to assist staff in the school corridor.

Humanities

Year 8 Medieval Day: *Hear ye, Hear ye!*

Medieval day held in the last week of last term was a fun and informative day of variety and interaction. Medieval History is a major focus of the Year 8 Humanities curriculum. We are currently exploring the structure of medieval society and the Feudal system. With the collapse of the Roman Empire and the ever-present threat of 'Barbarians', it was a system that provided for a harsh, basic survival of the majority and profit for the few. Would we like to see a return to a society like this? Students say no! By knowing the past, we can appreciate the present and be wary of the future.
Summer in Italy started one month ago. School is finally over and kids look forward to go on holidays, either with their parents or with their friends. Parents do not usually go on holidays before August. As a consequence, they get very stressed out by this time of the year. The weather gets hotter and hotter in the cities and working days are even harder to stand. During this period people in the city have been planning where to spend their holidays and most of the time they choose the country, somewhere they can feel relaxed and refreshed.

As far as my family and me, we have never gone on a holiday in August, as we live in the country in a very little and cozy village, located on a 800 metres tall hill, not far away from the seaside. The name of my village is Torrebruna. It is calm and cold most of the time. May, June and August are the best months to spend there. In August, Torrebruna is full of people from the cities, who are not tourists, they are just relatives of people actually living in the village. It is a lovely period of the year, days are very long and warm and the council organizes food and art festivals all the time to entertain every single person, no matter their age.

The most famous food festival is the Truffle Festival, which takes place between the 5th and the 10th of August. It is well known all around our area, because of the good quality and quantity of truffles located in the wilderness. People coming on holidays from the cities look forward to spending their holidays in Torrebruna, as they appreciate the quietness and the relaxing atmosphere which surrounds the town.

After the summer period however, the town faces again the calm and cool season. As a consequence, people shelter back in their warm houses waiting for the next season to come.

By Angela Lella, DSC Language assistant

Maths

Reminder: Australian Mathematics Competition

We are seeking keen and talented maths students to take part in the Australian Mathematics Competition. This is a challenging set of multiple choice questions completed under test conditions. This year it is on Thursday 7th August. It will cost students only $5 to enter. We will subsidise the rest. There will be a prize for the best student at each level (junior, intermediate and senior) and all entrants will receive a certificate of participation. If you enjoy a challenge and would like to participate, please see your Maths teacher as soon as possible.

Reminder - After School Maths Help continues in Semester 2

Maths teachers are available to help students with their homework or other maths work after school every Tuesday 3:30 to 4:30 in B4.

Ms Arndt
Daylesford Secondary College joins the Scouts

Daylesford Secondary College has signed up for the Our School Raffle – a program that brings together Scouting and schools to run a large-scale State-wide raffle with more than 128 prizes. 1st Prize is a Toyota Prius Hybrid. Our School Raffle is now in its third year and momentum is growing. Already, hundreds of schools have registered to be part of the 2014 effort. Last year Our School Raffle raised $255,000 for Victorian schools and this year we’re hoping for even more success! Participating schools keep $1.50 of every $2 ticket they sell. The remaining 50 cents covers prizes and administration. In recent years the phenomenally successful Monster Scout Raffle has raised millions of dollars for local Scout Groups. And now Scouting is sharing its raffle concept with the schools it’s members come from. Using its years of experience running the Monster Scout Raffle, Scouts Victoria does the work of organising permits, printing, prizes, and ticket collection and so on. A book of raffle tickets were sent to families early this week and tickets will be on sale throughout Term 3. All money raised and ticket stubs must be returned to the General Office by Monday 8th September 2014. The raffle is drawn at 12:45pm 19 September 2014 at the Victorian Scout Centre, Mt Waverley. Draw result will be published on the website at www.ourschoolralffe.com.au.

Reminder Student Reading Support continues in Semester 2

Every Wednesday students are invited to bring their English novel and lunch to the supervised English reading session in C1 at 12.55pm. This has been organised to assist students with reading their English texts.

Daylesford Secondary College World Challenge Trivia Night

Are you looking for a fun night out that supports a great cause! We have the answer....

Friday 8th August @ 7pm
DSC Theatre
Tables of 10

$15 per person
BYO snacks and non-alcoholic drinks
Trivia, auctions, lucky straws, games and more!

Contact the college to book a table or individual tickets 5348 2367

All proceeds go to students travelling to Malaysia to work in an orphanage

Art display at Community Health Centre & win $100 - read on!

We have recently mounted a display of student work at the Daylesford Community Health Centre situated on the corner of Hospital and Jamieson Streets.

* Have a look, it's beautifully warm in there too.

Thanks to Primo’s mum Trudy for initiating contact with us last year and to Ally Parnaby for continuing this support. Also to Erin Low and Greg Thomas for using part of their recent holidays to organise the collection, mounting and hanging of these works. Most of the pieces on display are images of ‘Trees’ that students developed as part of their art studies last year, and earlier in 2014.
Unfortunately there were a few that currently remain nameless and hopefully this can be sorted out, but thank you to the following students whose work has already received positive comment from staff at the facility – Jackie Lipplegoes, Zoe Rose, Clare Hartigan, Lachlan Hobson, Annachie Feron, Emily Boyd, Ruby Warden-Hommel, Annie Sargeson, Nathan Schembri and Chloe Dridan.

AND another thing - Students are invited to submit an artwork that deals specifically with the theme of HEALTHY FOOD.

- The most successful works will become part of The ABSOLUTELY FABULOUS FRESH FOOD FESTIVAL (beginning mid-October) and will be displayed in The Town Hall and at various participating locations within the community.
- Any student can enter, regardless of whether you do art at school or not.
- You could work as a pair or part of a larger group if you wish.

* There will be a $100 cash prize to the winning entry ($50 from Festival/$50 from art department)

* The work can be in any form - sculpture, painting, photography, ceramics, drawing, print making, mixed media etc. and can be of any size.

See an art teacher if you have any further questions.

- Finished works should be delivered to Mr Cimera, Ms Low or Mrs Taylor during the last week of term 3, or at the very latest, week 1 term 4.

Remember, it’s all about HEALTHY FOOD and a great idea. Mr. Cimera

Sports/Physical Education

Year 9 Health/Physical Education

Sports Education in Physical Education Program (SEPEP)

During Term 3, Year 9 students will be participating in a Speedball SEPEP Unit in Health/PE classes. This interactive program gives students the chance to participate in roles in organising sports typically seen in society.

These roles include coaching, umpiring, sports training, taking statistics and administrating. Students will conduct this program playing Speedball, which is a combined sport from netball, soccer and basketball. Classes will be split into three teams, in which two will play Speedball and the other will be the duty team. They will then swap roles. Stay posted for results, photos and reports of the students participation.

Year 8 Volleyball

The Year 8 boys won the silver medal in the recent Moonee Valley Championships. The boys won 3 games in the round robin to get into the Grand Final against Maribyrnong Academy of Sport.

In the first set with great spiking from the Hitchman twins, Alex and Sam, they had the favourites under great pressure but lost the set 23 points to 25.

The 2nd and deciding set saw the power of Maribyrnong emerge, despite the great play of Dominic Daly and Tom May. Luca Brisbane and new players Darcy Grant and Eugene Cayasa all contributed to a great team effort over the course of the day.

Well done boys.

Reminder: DSC PE Uniform at Interschool Events

Students are reminded that PE uniform is to be worn when representing the school at interschool sports events. If students do not have the correct uniform they will not be permitted to attend inter school sports. With the cold weather, students are reminded they may wear their school jumper or school jacket over their PE uniform to and from events.

English

DEBATING

We wish our fourteen debating teams well as they battle it out at the Royal South Street Debating Challenge on July 30th and 31st and August 1st. We know they will present our school well and we thank them in advance.

At the Junior level our topics are:

That there is too much violence in entertainment.

That the age for gaining a driving licence should be lowered.

That electronic games are more likely to cause harm than good.
That people who work at weekends or at night should be paid more.

**Middle years topics are:**
That betting on sport causes more harm than good.
That Australian farmers should be allowed to grow genetically modified crops.
That sport should not be sponsored by alcohol companies.
That fast food has been given an undeservedly poor reputation.
That our parents had it better than we do.

**And the Seniors are debating these topics:**
That Australia has become a “nanny state”.
That the three levels of government in Australia are necessary.
That economic well being is more important than human rights.
That the standard of spoken English is in decline.

Helen Robinson

---

**Science**

**Quantum Victoria Excursion**

At the end of last term some of our Year 8 science students were selected to attend a workshop at Quantum Victoria in Melbourne. The students learnt the basic operation of our 3D printer, designed their own headphone holders on a simple design program then sent their designs to be printed for them to keep. They then went on to use another design program and made some very weird looking snails! It is hoped that students will now be more confident and inspired to use our own 3D printer to make objects of their own design.

If you are interested too then have a look at [www.thingyverse.com](http://www.thingyverse.com) for ideas. The staff at Quantum commented on how well behaved and engaged our students were during the workshop and we would like to add our own thank you for the good conduct of the students making it a relaxed and very enjoyable day for all.

---

**MIPS & Careers Update**

**Week 2 Term 3 2014**

**Work Experience 2014!**

**Important information – Years 10 & 12**
Term 3 is an important term especially for students in Year 12 and 10.
**Year 12:** We will conduct an information session for Year 12 students intending to apply for university or TAFE or private colleges on Monday August 18 at 6.30. We urge all students and parents involved to attend (including those who want a ‘gap’ year). The application process for university and vocational education places is done through an organisation called the Victorian Tertiary Admissions Centre (VTAC). Applications are completed on line at [www.vtac.edu.au](http://www.vtac.edu.au). Applications will open in early August although we would prefer that students wait until after our information session on 18 Aug. Applications (timely) close on 30 September and will cost $28.00 if done by 30 Sept. More information to follow. The session will cover applications, scholarships and accommodation options.

**Year 10:** The school will hold a session on VCE and VCAL options for current year 10 students next Monday at 6.30. It is important that students make decisions about subjects wisely as some university courses have pre-requisites.

**Years 10, 11 & 12:** University and TAFE OPEN DAYS are coming up fast. Families are welcome at these events. Any student who is even just considering doing Higher Ed should be attending. Go to [http://www.vtac.edu.au/opendays.html](http://www.vtac.edu.au/opendays.html) for a complete list but note that Federation Uni (and SMB TAFE) and ACU Ballarat are on Sunday 31 August and Bendigo La Trobe is on Sunday 17 Aug. Also Pharmacy and pharmaceutical science – Monash Parkville campus will hold an ‘Open House’, 10am-3pm, Sun 17 Aug (same day as Melbourne’s Open Day). Pharmacy will also be represented at Monash Clayton’s Open Day, Sun 3 Aug. Info: [www.monash.edu/pharm/openhouse](http://www.monash.edu/pharm/openhouse). Also note that Longerenong College has an OPEN DAY on Sunday August 10th -

**How to get the most out of open day visits**

Don’t wander aimlessly:

- Allow sufficient time for your visit; two hours or more would be advisable
- Speak to staff about courses which interest you - note your questions beforehand
- Get a student perspective - speak to students studying courses which interest you
- Collect information/brochures

- Ask about industry based-learning (IBL) opportunities; these can assist with gaining employment
- Ask about international study opportunities – a popular option
- Consider transport issues; is the campus accessible from where you live?
- Check the environment where you will study; will you be happy there for three/four years?
- Consider the facilities/clubs offered at your preferred institution
- Consider visiting a rural campus, especially if you think you won’t obtain a high enough ATAR for a metropolitan campus. ATAR’s are often lower and they often offer more personal assistance, accommodation, and a lifestyle which will suit some students.

**NOTE:** If you plan to apply for a course involving an interview/folio presentation/audition as part of the selection process, attendance at OPEN DAY is A MUST! You might be asked what you learned at Open Day.

**More Year 12 news**

La Trobe - Aspire Early Admissions Program: Our new Aspire is an exciting initiative for domestic undergraduate school leavers for entry into La Trobe from Semester 1, 2015. The Aspire Program recognises the positive impact that a student has had on their local community. Community engagement and objective school achievement forms a significant part of the assessment criteria of the Aspire program, not ATAR scores. Assessment criteria includes:

- A recommendation from a school Principal (or their nominee) endorsing a student’s academic capability for their selected course.
- A written statement about their community involvement - through school, sport or cultural organisations, or by volunteering. Closes 31 August 2014.

**University course updates**

**Monash**

- Physiotherapy – as previously stated, the UMAT and ISAT are not required for 2015 entry. An interview is still required and will be offered based on applicant’s academic record.
- Radiography and Medical Imaging – an interview has been introduced as an extra requirement for entry to this degree. Applicants will be invited to attend an interview based on their academic performance. The interview will involve 4 MMI (Multiple Mini Interview) stations.
there is increasing demand for planners to manage change. This new Deakin degree brings together disciplines of planning, design, urban studies and society in one degree. Where: Geelong (Waterfront); 4 years; Prerequisite: English.

**Nursing and midwifery information** – Deakin has sessions about their courses. When/Where: 
- **Burwood** – 2.30-4.30 pm, Sat 26 July, Bld Y, room 1.11 A and B; **Geelong Waterfront** – 6-8pm, Wed 23 July & 2.30-4.30pm, Sat 26 July, Bld AD, room 2.217; **Warrnambool** – 7.30pm, Fri 25 July, Warrnambool City Centre Campus; Info: 9244 6032 or see [www.deakin.edu.au/nursing](http://www.deakin.edu.au/nursing).

Register: nursinfo@deakin.edu.au, indicating the session you will attend.

**Generation 2050** – Year 10, 11 & 12 students Interested in agriculture? UNE (University of New England – Armidale NSW) is conducting a conference called Generation2050:Project Feed the World.

**Young Women in Public Affairs Awards** – Zonta Application forms available from [www.zontaballarat.com](http://www.zontaballarat.com)
Young women of age 16-19 on 1st April eligible. Applications close 1st August and must be posted.

**Journalism**
Career Practitioners at a conference at Monash University, heard about opportunities in journalism. Journalism is not in decline; it is newspapers that are in decline; newspapers and journalism are not the same thing. The digital era that is destroying the old business model is opening up opportunities. We are entering an age where we can combine all media to tell our stories. Skills needed include enterprise, independence and resourcefulness. Jobs in media are fragmenting with online opportunities proliferating. Journalists need to: think critically, understand the concepts of evidence and impartial argument, find stories, research, interview, write, edit, know the difference between good/bad writing, and digital skills in content creation and distribution. With the skills of journalism, you are a good fit for jobs in many areas such as PR, communications, speechwriting and producing. NOTE: Journalism can be studied at most universities.

**Surveying**
Lots of variety, time on computers and time outside – surveying!
An average of 90% of surveying graduates in full-time employment earn a median starting salary of $52,000. Surveying offers opportunities for those looking for a diverse and varied career. The national demand for surveyors means graduates are more likely to secure jobs in surveying compared with many other professions. Surveyors get to work indoors and outdoors, taking precise measurements using specialised technology, then analysing and interpreting the results. Students interested in maths, geography, physics and science could be suited to this career.

Another careers expo – The Melbourne Careers Expo is a careers and education event with 180+ exhibitors from many occupations, information from universities, VET, private providers, ‘try a trade’, seminars, GAP year, and government student services. When: 15-17 August; Where: Melbourne Exhibition Centre; Info: info@careerexpo.com.au, www.careerexpo.com.au (NOTE: Free tickets available from this website).

University of Melbourne - New online resource for parents
We’ve put together some important online resources especially for parents and guardians, to help them understand the further study options facing their child and be better informed about how they can support them in the transition to university study. Information includes:
- How parents can help in the decision-making process, and the transition to uni
- Entry requirements and alternative entry pathways
- University costs and scholarships
- Accommodation options
- What Melbourne Uni can offer
- Glossary of common terms
- Additional information for parents based overseas

www.futurestudents.unimelb.edu.au/info/parents

University of Melbourne - Cultural Treasures Festival 2014
The University of Melbourne will unlock the doors to our extraordinary collection of treasures for two days only for the biennial Cultural Treasures Festival on Saturday 26 and Sunday 27 July. The festival includes guided tours of our unique and fascinating art, botanical, literary, medical, musical, scientific and zoological collections, special exhibitions, and talks conducted by some of the country’s most passionate experts in their field. Stories, places, people and collections will come to life as these experts offer rich and surprising insights into life stories for today’s generations to enjoy. Festival program, and all tour and talk bookings, go to: www.unimelb.edu.au/culturalcollections/treasuresfestival

Community News

Daylesford Volleyball
Daylesford Volleyball’s new season kicks off on Monday 21st July with a fun night for all old and new players, several students and parents from the school play in the social division - starts at 6.30pm every Monday. So come along and have some fun while making new friends. Contact Colin Priest, School and State Junior coach on 53487674 or 044748774.

The Rex Community Theatre
MOVIES: What’s on the Rex in April? See the flyer at the end of the newsletter.

Please find attached a copy of our upcoming program for July at the end of the newsletter. We have loads of interesting movies coming up, along with a special screening of the Rocky Horror Picture show TONIGHT!

"Rocky Horror Show Friday 25th July" and "Daylesford Swing Band" Saturday 26th July at Daylesford Town Hall

We are also having a major fundraising event at the Daylesford Town Hall and our very own Daylesford Swing Band have offered their services for the night, so everyone can come along and dance the night away to the sounds of Glen Miller, Duke Ellington, Benny Goodman and their ilk! This event is being held on Sat 26th July, so we hope you might be able to put this date in your diary and come along for a fun night out. Tickets will be available at the door on the night. Doors open at 6pm! There will be a write-up in The Advocate and The Local about this event shortly. Tickets will be available from our website at www.therex.org.au

Kind regards,
Linda Carroll
