“Alice – The Musical”

“Originally” written for 11 to 18 year olds, this musical has been performed all over the world by all age groups. Beautiful, lyrical songs abound, enhancing the script, based in the main, on Alice's Adventures In Wonderland.

Brings Lewis Carroll's world to life. One of the most popular shows ever …

It is a past winner of the Barclay's Theatre Award, has been performed on TV and Radio, and has been featured several times at the Edinburgh Festival.

"Stand forth then from the shadowy past, Alice, the child of my dreams."

Rehearsals for this year’s school production are well underway. The students are learning their lines, practicing the songs and the dance steps and are keen to do their best to entertain you.

Principal’s News - Mr Graeme Holmes

Our debating teams continue to excel in the Royal South Street competition. Four teams have progressed towards the finals and some of these students have now debated their way into the next level of competition. A detailed report will be provided by Debating Coordinator, Helen Robinson, in our next newsletter.

The skiers had great weather last week for their trip to Mt Buller. Our students made the most of the good conditions. They participated in skiing lessons as well as taking on the challenges of the slopes. Thanks go to Ms Gill and the band of teachers and University students who accompanied the group.

An activity introduced this term for the middle school students is the Learning to Learn program. This program, run by Mr Pethica, provides guidance and information on strategies for learning and studying. The sessions use video, powerpoint and discussion to provide details on learning. Learning is hard work. It doesn’t come easy to many of us and we need to develop and use proven learning strategies. Paying attention, eliminating distractions and putting in effort are three simple yet effective ways to improve learning. The Year 9 and 10 students will be continuing with these sessions for a few more weeks under the guidance of our Middle School Learning Community Managers.

Over the past few weeks we have been holding information sessions on curriculum offerings for 2015. The Learning Community Managers have been detailing the choices available to students as well as indicating how to enter their preferences online. The College offers a wide range of curriculum options at the middle and senior school levels. Where there is insufficient numbers, some courses may not run, however it is our intention to provide the broadest range possible within staffing and budgeting constraints. We are striving to uphold our “One school, endless opportunities” motto.

The school production is rapidly approaching. The matinee performance is under two weeks away followed by four performances. Mr Pickering and his team are doing a great job in producing and directing the performance.

We are all looking forward to the opening night on Thursday 4 September.

Every Day Counts
Going to school every day is the single most important part of a child’s education. Students learn new things at school every day – missing school puts them behind.
From Every Day Counts, Department of Education and Early Childhood Development.

COMING EVENTS

‘College Production’
Wombat Forestcare Benefit Gig

31st August from 4pm

The Hallway Jam Band from Daylesford Secondary College will feature in the upcoming Wombat Forestcare benefit gig.

The band includes Alex Savvinos on keys, Holly McNamara on trombone, Ruby Scott on percussion, Jesma Peri on clarinet, Antoinette Portelli on violin and River Smith on bass, with still more students making up the complete band. The diverse and talented line up have a unique sound. It's smooth, cool and fresh, skipping lightly through and facross genres. They were deserving winners of the 2014 Old Hepburn Hotel talent quest and will open the show.

The Safari Suits, who began in the 1980s musical heyday of the Royal Hotel in Daylesford will reunite to celebrate their 30 Big Years in the industry.

Closing out the gig is 'Scurvy'. Consisting entirely of ex Daylesford Secondary College students, George Rowland, Pat Murray, Paddy McGrath-Lester and Alec Cimera, Scurvy have built up a very good following in Melbourne playing their own brand of original, 'alt-country' compositions.

It all takes place:

at the Old Hepburn Hotel
on Sunday afternoon, 31st of August, from 4.00 to 6.30.
Entry is $10.
Students by donation.

Activities around RUOK day will include a pancake breakfast, wear something yellow in addition to uniform, and a guest speaker at assembly. Poster designed by Enna Eguchi and Miranda Swetnam.

Doxa Cadetship Program

The Doxa Cadetship Program is now accepting applications for 2015. The program was created in 1993 to support talented young people from disadvantaged backgrounds to progress through university and into a professional role. The benefits include; a corporate sponsor, 8 weeks of work placement annually, living and book allowance, and professional development.

Applications close Friday 31 October. Please see Careers or Ms Bosch for application and more information or go to www.doxa.org.au

Special Breakfast

The Commonwealth Bank provided a bacon and egg breakfast to the school community on Tuesday morning 19 August from 8.30 am in the Cafeteria area. We appreciate the support of community agencies in providing special breakfasts at our college once a month. Thank you to the Commonwealth Bank staff from Daylesford.
Below DSC students enjoying bacon and egg breakfast kindly provided by Commonwealth Bank staff from Daylesford

Year 7 Excursion to ECO Link

Year 7 excursion to ECO Link – all Year 7 students have been provided with a permission form. The excursion will take place on October 27th from 9.00am to 3.13pm. There are only 50 places, the first 50 students to return their permission forms will gain a place.

Year 7 Science Teachers

‘The Art Spot’

Reminder - School Magazine Payments

Have you paid for your copy of the school magazine yet? The College magazine is a wonderful piece of your schooling history and is great to look back on in years to come! The highlights of 2014 will be published in a full-colour glossy edition. Payment of $15 is needed by the 25th of August in order to finalise numbers for the printers. Payment can be made at the general office.

Magazine Cover Design

The magazine team are looking for students to design the front and back cover for the College magazine. Designs should be created A4 size (A4 for the front and A4 for the back) and can be created digitally or hand drawn. The winning entry is awarded a $30 JB HiFi voucher.

Give your cover designs to Ms Low or Ms Rowbotham.

Thank you – Ms Low and Ms Rowbotham.
To Angela, thank you for volunteering to clean the Senior Centre.

**LOTE - Italian**

**The Italian Ferragosto**

The fourteenth and the fifteenth of August are the main holidays in the Italian summer time. We call this period Ferragosto, and that is when nobody works in Italy, thus people decide whether to spend those days at home with their families or somewhere else with their friends.

For myself, I try as much as I can to spend it with my family but this is the second time in a row that I have not been in Italy at this time of the year. Therefore, I feel even more nostalgic this year for not being there to enjoy the two most beautiful days of summer time.

These days are beautiful because my grandparents gather the whole family by inviting us to their place to spend some time together and to have some traditional Italian food, such as homemade lasagna, pizza and roast lamb with potatoes. My favorite meal is my aunt Gabriella's homemade little pizzas, that she bakes every fourteenth of August for dinner. She knows that we all love them, therefore she always bakes a lot of them and with many different toppings; and we always have plenty of leftovers for the next days.

As it is now Ferragosto and my family has been enjoying their time together, I had the chance to receive some nice pictures from them. I would like to share two of them with you, together with my aunt’s homemade pizza recipe, below:

**Homemade little pizzas (for 5 people):**

**Ingredients:**

- Pizza Dough -
  (1kg Flour + brewer’s yeast + salt)
- 600g Shredded Mozzarella
- Extra-Virgin olive oil

**Toppings of your choice:**

- Basil leaves
- Anchovies in oil
- Onions
- Potatoes
- Red capsicum
- Salami
- Rocket
- Italian Parmesan
- Oregano
- Fresh Tomato Sauce or chopped canned tomatoes
- Fresh sliced/chopped tomatoes
- Eggplants
- Zucchini
- Olives

**Cooking process:**

Roll out the dough until you get a thickness of 4 mm, form plenty of little rounds out of the entire dough with an upside down big glass. Spread the tomato sauce on each little round, sprinkle with the mozzarella, drizzle with a few drops olive oil and salt, and add the toppings of your choice and bake. I would suggest not combining more than three/four different toppings. Cook for about 20 minutes in a preheated oven until the edges of the little pizzas go golden brown.

Angela Lella. Italian Language Assistant
Science Week - “Food for our future: Science feeding the world”

This week has been Science Week and we celebrated with a trivia quiz handed out in Home Groups. The winner(s) were announced today and need to collect their prize. Staff also celebrated at a morning tea hosted by the Science department on the theme “Food for our future: Science feeding the world.” The food offerings indicated their chemical composition and we all consumed at least a cupful of dihydrogen oxide to celebrate!

VCE Biology students with North Central Catchment Management Authority visit Cornish Hill - study & monitor quality of the creek.

Last Friday afternoon in some beautiful sunshine, the Unit 2 Biology VCE class visited Cornish Hill. Under expert instruction from Nicole Howie of the North Central Catchment Management Authority the students used equipment and learnt techniques to help monitor the quality of the creek running through the area. The students will use these techniques to investigate and monitor the quality of the water in our DSC Wetland as part of their assessment this term. Later this semester, this group will also be involved in setting up a bird habitat at Cornish Hill.

DSC Awarded Victorian School Garden Grant

DSC has just been notified that they have been awarded a Victorian School Garden Grant to help set up a Sustainable Garden in the old horticulture area. When more details become available we will be asking for input from our parent and friends community. Many of our junior students have come from primary schools that were involved in kitchen garden enterprises and we wish to be able to maintain their interest and enthusiasm for gardening, horticulture and sustainable appreciation throughout their school life and beyond. This facility will be offered to all students at the school as part of our commitment to sustainable education across all areas of the curriculum.

Sports/Physical Education

STATE CROSS COUNTRY

Last month Eve Stockfeld competed in the State Cross Country Championships held at Bundoora Park in Melbourne.

In a race of 90 (14-Age) competitors, Eve finished in 50th place. A fantastic effort! Just to reach State level is a wonderful achievement and we congratulate Eve on her efforts in Cross Country running this year.

Reminder: DSC PE Uniform at Interschool Events

Students are reminded that PE uniform is to be worn when representing the school at interschool sports events. If students do not have the correct uniform they will not be permitted to attend interschool sports. With the cold weather, students are reminded they may wear their school jumper or school jacket over their PE uniform to and from events.

Student Support at Lunch Time

Reminder - Science Help Tuesdays

If you are behind with your Science homework or if you just need a bit of science help then lunchtime Tuesday in A8 is for you!

Bring your lunch and whatever you need help with of a science nature.

Reminder Student Reading Support

Every Wednesday students are invited to bring their English novel and lunch to the supervised English reading session in C1 at 12.55pm. This has been organised to assist students with reading their English texts.

Maths Support After School

Reminder - After School Maths Help continues in Semester 2

Maths teachers are available to help students with their homework or other maths work after school every Tuesday 3:30 to 4:30 in B4.

Ms Arndt
Daylesford Secondary College joins the Scouts

Daylesford Secondary College has signed up for the Our School Raffle – a program that brings together Scouting and schools to run a large-scale State-wide raffle with more than 128 prizes. 1st Prize is a Toyota Prius Hybrid.

Our School Raffle is in its third year and momentum is growing. Already, hundreds of schools have registered to be part of the 2014 effort. Last year Our School Raffle raised $255,000 for Victorian schools and this year we’re hoping for even more success!

Participating schools keep $1.50 of every $2 ticket they sell. The remaining 50 cents covers prizes and administration. In recent years the phenomenally successful Monster Scout Raffle has raised millions of dollars for local Scout Groups. And now Scouting is sharing its raffle concept with the schools it’s members come from. Using its years of experience running the Monster Scout Raffle, Scouts Victoria does the work of organising permits, printing, prizes, and ticket collection and so on.

A book of raffle tickets were sent to families early this week and tickets will be on sale throughout Term 3. All money raised and ticket stubs must be returned to the General Office by Monday 8th September 2014. The raffle is drawn at 12:45pm 19 September 2014 at the Victorian Scout Centre, Mt Waverley.

Draw result will be published on the website at www.ourschoolaraffle.com.au.

MIPS & Careers

Week 6 Term 3 2014

Reminders - Open Days Years 10, 11 & 12
Open Day - Sun 24 Aug - Box Hill, Deakin (Melb), La Trobe (Melb), Victoria, William Angliss
Open Day - Sun 31 Aug - ACU (Ballarat), Federation Uni (Ballarat & Gippsland)

• RMIT Flight Training Open Day – Sun 31 August; RMIT Flight Training, Point Cook site, Building 202, Williams Rd, RAAF Base, Point Cook.

• Occupational Therapy Evening – Thurs 4 Sept (Note changed date); Education Precinct. Level 4 Austin Tower, Austin Hospital, Studley Rd, Heidelberg; Book: renee.bartlett2@austin.org.au

Year 12 news

Applying for courses – Hopefully Year 12’s have been researching the VTAC website for courses. Remember that once you have applied, you can change your application at no extra cost. Application fees rise from $28 to $93 after 5pm on 30 September. Remember to consider the ACU Early Achievers and the La Trobe Aspire Programs; See: www.acu.edu.au/study_at_acu/alternate_entry/early_entry and www.latrobe.edu.au/aspire.

These schemes look at contributions made (in addition to your ATAR) when making offers for their courses. Also remember your SEAS (Special Entry Access Scheme) application. If you have been disadvantaged in some way, you may be able to access your desired course on a lower ATAR. All applicants are advised to apply for SEAS Category 1 – ‘Personal Information and Location’. SEAS applications close on 7 October.

‘WHERE GRADUATES GO’ – Decisions about higher education are some of the biggest you will make. Where Grads Go is dedicated to helping you make informed choices by providing the latest information. Figures here are from the 2013 Australian Graduate Survey, conducted by Graduate Careers Australia. In 2013, the average bachelor graduate earned a full-time salary of $55,000. Examples: engineering - $65,000; medicine - $60,000; education - $57,000; nursing - $52,000; social work and welfare - $55,000; visual and performing arts - $40,000. Getting a job after graduation can be a different matter. In 2013, full time employment of graduates was as follows (four months after graduating): in engineering: 82.6%; medicine: 96.9%; education: 70.8%; banking/finance: 75.4%; psychology/behavioural sciences: 56%; law/justice: 75.4%; visual/performing arts: 48.3%. In some fields (eg engineering, nursing), most graduates work in the field in which they trained. Graduates of other fields often find work in a wide variety of jobs. Postgraduate study can lead to a higher salary and more likely employment. See: www.graduatecareers.com.au, www.graduateopportunities.com.

Deakin University - New Medical Imaging degree

Deakin is offering Medical Imaging from 2015 at its Geelong (Waurn Ponds) campus. Medical imaging (sometimes known as Medical Diagnostic
Radiography) is the production of high quality images of the structure and function of the body to assist medical diagnosis and decision making. Radiographers play a pivotal role in medicine and health care, contributing to improving patient outcomes. They work with doctors and allied health professionals. The university is seeking accreditation with the Australian Health Practitioner Agency (AHPRA), with statutory direction provided by the Medical Radiation Practice Board of Australia (MRPBA). Salaries range from $41,000 to $115,000 plus, depending on your position, experience, chosen work area and possible future study. Pre-requisites: 3/4 English; biology, physics or chemistry; maths methods or spec maths. Info: ph 03 9251 7777; health-enquire@deakin.edu.au.

Deakin Scholarships
See [www.deakin.edu.au/scholarships](http://www.deakin.edu.au/scholarships) to find out current scholarships and award schemes now available for 2015 study.

Bachelor of Computer Science Deakin
Offered from 2015. Acquire skills to design and develop advanced software systems integrating new technologies that enhance business operation. Develop work-ready skills by participating in internships and industry placements during the course, learning skills in critical thinking, problem solving, teamwork and communication. Graduates are highly sought-after in areas like software development, system analytics, business analytics, database development, research, project management, solutions architecture and programming.

Year 11 & 12 - ENVIRONMENTAL SUSTAINABILITY
Year 11/12's are invited to this ‘Making a Difference’ event. It will celebrate 30 years of environmental science courses at Deakin, with speaker the former leader of the Australian Greens, Dr Bob Brown. When: 6-8pm, Mon 25 Aug; Where: Deakin Burwood, 221 Burwood Highway, Lecture Theatre 1, (Building I, 2.02); Parking: Car park 6 (multi-level); Info/bookings: sebe-events@deakin.edu.au.

RMIT Nuclear Medicine Lab visits
This program is for students interested in finding out more about nuclear medicine and the role of nuclear medicine technologists in the investigation, diagnosis, treatment and monitoring of disease. In this full day tour, students will visit nuclear medicine departments that support the Bachelor of Applied Science (Medical Radiations) programs. When: 25 and 26 Sept; Info/registration: 9925 7075, medicalsciences@rmit.edu.au.

Department of Health Scholarships
The Department of Health (Victoria) is offering five scholarships of $10,000 for nuclear medicine students commencing the RMIT Bachelor of Applied Health (Medical Radiations) in 2015 and 2016. Info: [www.rmit.edu.au/scholarships/nuclear](http://www.rmit.edu.au/scholarships/nuclear).

MONASH UNIVERSITY NEWS
Monash guarantee - Students who are financially disadvantaged, Indigenous Australians or completing Year 12 at a Monash listed under-represented school could be eligible for a guaranteed place at Monash. See: [www.monash.edu/guaranteed-entry](http://www.monash.edu/guaranteed-entry).

Monash Scholarships – Many scholarships are on offer.
- MERIT - Students who list Monash as a course preference via VTAC will automatically be considered for most merit scholarships. See: [www.monash.edu/scholarships/merit](http://www.monash.edu/scholarships/merit).
- EQUITY AND MERIT & EQUITY – All Year 12 students should apply for these via VTAC. Applications close on 17 October. See: [www.vtac.edu.au/applying/process.html](http://www.vtac.edu.au/applying/process.html).
- SIR JOHN MONASH SCHOLARSHIP PROGRAM – For students who have excelled – a comprehensive and generous scholarship program. See: [www.monash.edu/scholarships/sir-john](http://www.monash.edu/scholarships/sir-john).
- EXCEPTIONAL ACHIEVEMENT – ATAR eligibility: 99.95, value to $70,000, offered to all eligible students
- OUTSTANDING ACHIEVEMENT – ATAR eligibility: 99.00, value to $40,000, offered to all eligible students
- EXCELLENCE – ATAR eligibility: 98.00; value to $30,000; 40 available
- INTERNATIONAL SCHOLARSHIP FOR EXCELLENCE – ATAR eligibility: 98.00, value to $50,000; 10 available
- EXCELLENCE AND EQUITY – ATAR eligibility: 95, up to $30,000; 130 available
- COMMUNITY LEADERS SCHOLARSHIPS – ATAR eligibility: 90; value to $4000; 220 available.

See: [www.monash.edu/scholarships](http://www.monash.edu/scholarships) for more details.

DEFENCE FORCE INFORMATION SESSIONS
To find out more about defence force jobs, attend one of these sessions: 1 Sept – ADF Technical Trades; 2 Sept – Engineering Information Session; 3 Sept – Army 1 Year Roles; 10 Sept – ADFA Information Session; 17 Sept – Royal Military College; 23 Sept – Army Reserve; 24 Sept – Women in Defence. All 6-7pm. Where: Defence
Girls considering a trade career

‘Skill Women Trade Workshops’ – SALT stands for ‘Supporting and Linking Tradeswomen’. Even if you are just a little bit interested in learning about becoming a tradie, you will be interested in attending a free workshop on 4 Sept at the Industry Skill centre, Federation University Ballarat (10 am – 2 pm). See Marg Cattanach early next week for more information. You will need to provide your own transport to this event.

Outreach

On Tuesday Aug 5th our year 10 and 11 students attended a series of activities presented by University Outreach. The purpose was to inform them about post school options and support their decision-making and pathway planning.
