Principal’s News - Mr Graeme Holmes

RECOVERY PROGRAM
More work has taken place over the past fortnight on replacements, renovations and improvements since the loss of A-Block. Work is underway on converting one of the visual communication rooms in D-Block into an information and communications technology (ICT) room. Data is being connected, benches installed and air-conditioners installed into the ICT room. Work continues on re-establishing the science block and a covered pathway is to be built shortly to link the science portable with C-Block. Shelving has been ordered for the temporary library and a wall is to be constructed along the walkway between the library and classrooms.

THE REBUILD PROGRAM
I am sure you are all aware that we had a visit from the Premier, Daniel Andrews last week. Mr Andrews was accompanied by a strong advocate for the College, Mary-Anne Thomas, member for Macedon. While Ms Thomas donated books to the library, Mr Andrews reaffirmed his government’s commitment to rebuilding the College and assured us of his support.

Mr Andrews and Ms Thomas were escorted around the school by our school captains, Zoe and Trent while the whole school assembly where Mr Andrews and Ms Thomas addressed all of the students, was chaired by our school vice-captains, Tash and Blake.

As part of the school tour, Zoe and Trent showed Mr Andrews and Ms Thomas a draft plan of our proposed new buildings and pointed out the features of the proposal.

Following the premier’s visit, a group comprising representatives from staff, school council and the architects, have had a meeting with the Education Department to examine the draft plan and prepare our presentation to senior executives in the Department. Once we get approval of the draft spatial analysis, we will be able to move on to prepare schematic diagrams of the proposed buildings.

SCHOOL COUNCIL ELECTIONS
Following the call for nominations for membership of school council for 2016-2018, six parents nominated for the three vacancies. An election is therefore necessary to determine the successful nominees.

You should have received, or will soon receive, voting papers as well as statements from the candidates, to enable you to vote. Please read the relevant information, complete your voting slip and either post your ballot papers or lodge them at school within the timeframe.

Eureka Swimming Age Champions

Congratulations to Lucinda Lowe 12/13 Age, Tyler Oliver 15 Age, Abbey Cooper Age divisions. More details follow later in the newsletter.
Daylesford Secondary College
School Council Elections
Please read the relevant information when received and complete your voting slip and either post your ballot papers or lodge them at school no later than Thursday 10th March 4 pm.

Daylesford Secondary College Fire Fundraiser

Over the summer DSC lost many resources to a fire on campus. The hardest hit areas are Library, Science, Careers, Italian and Computer Technology. Resupply from the Education Department cannot replace the teaching tools built up over 50 years. Please help us refit the school by supporting the following events.

- Car Boot Sale – DSC oval – Saturday 30th April 10 am – 2 pm. $25 per car. Bookings please call 5348 2367

- Trivia Night – DSC theatre – Friday 20th May 7 pm. $150 per table of 10 people. The night will also involve auctions and raffles. Bookings please call 5348 2367

- A musical gig featuring past students of DSC to be held at the Old Hepburn Hotel. Friday 10th June 7 pm. $10 entry.

Year 7 Camp 9 – 11 March

Students will leave school at 9 am from the bus loop on Wednesday 9th March. They will return on Friday 11th March at 3.15pm. Also a reminder for any parents who haven’t returned permission and medical forms, please do so on Monday 7th March.
COLLEGE NOTICES

REMINDER - DSC NEWSLETTER WILL BE EMAILED OUT ELECTRONICALLY & ALSO AVAILABLE ON XUNO

NEWSLETTERS ARE GOING GREEN from the start of Term 2 we will be emailing out electronic copies of the College newsletter and putting copies onto XUNO as well. As such we will no longer be handing out paper copies of the College newsletter. Going digital is part of our push towards being a more environmentally friendly and sustainable organisation.

We will still provide parents and students with paper copies if they request one.

To request a paper copy please visit the College’s web site (www.daylesfordsc.vic.edu.au) and complete the online form. If you have any questions then please do not hesitate to contact Mr MacPhail on 5348 2367.

WHO’S WHO

We have many new families to the College hence it is timely to provide a snapshot on who does what at Daylesford Secondary College. I will provide you with a summary of people and their roles over the next few newsletters.

STUDENT ID CARD

Until further notice please note that Student ID cards are now issued by request from the general office instead of the library.

THE LEARNING COMMUNITY MANAGERS

We have six Learning Community Managers (LCMs) who work closely with the students in each of the three learning communities. A learning community is a combination of two year levels which forms a distinct block within our college structure. The learning communities and the managers are:

<table>
<thead>
<tr>
<th>Learning Community</th>
<th>Managers</th>
</tr>
</thead>
<tbody>
<tr>
<td>Junior Learning Community – Years 7 &amp; 8</td>
<td>Ms Gemmah Gill &amp; Mr Sean Coleman</td>
</tr>
<tr>
<td>Middle Learning Community – Years 9 &amp; 10</td>
<td>Mr Dean Jones &amp; Mr Nick Pethica</td>
</tr>
<tr>
<td>Senior Learning Community – Years 11 &amp; 12</td>
<td>Mrs Natalie Kirby &amp; Mrs Angela Olver</td>
</tr>
</tbody>
</table>

The LCMs play a key role in student management. They build excellent relationships with the students, provide assistance and support, they advise and at times discipline students. The LCM position is a critical link between home and school as not only do the LCMs provide information, they organise meetings, run information sessions, assist with course selection and provide advice and assurance for parents and carers. It is a complex role and one which all six LCMs undertake effectively. If you have issues or concerns, your first point of contact should be with the Learning Community Managers.

Student Support

ATTENDANCE OLYMPICS

The Attendance Olympics have continued to occur with finals coming up next week. Keep an eye on XUNO for the teams in the finals, and also the students who are still in the running for the tablet!

MENTOR GROUPS

This year we have introduced Mentor Groups across the college. Students have been partaking in a range of activities aiming to improve skills, build relationships and look after student wellbeing. The Year 10 Leadership Group have been working with the Year 7s, Year 8s have focused on positive relationships, Year 9 & 10 have been engaging in learn to learn and Year 11 & 12 focussing on study skills. Next week we have all students focussing on Growth Mindset and Personal Best.

Penelope Ellis – Student Support

Snow Trip 2016

Dates: 2-5th August
Location: Falls Creek
Further information can be collected from the office
Deposit of $100 is due Friday 19th March 2016
Contact Ms Williams for more information.
If your child is enrolled in one of our Food Technology programs for semester 1, 2016, as per our school policy there are additional payments for the supply of materials for these courses.

The year level charges are:
- Year 9: $65 per Unit studied
- Year 10: $65 per Unit studied
- Year 11: $80 per semester
- Year 12: $160 for all year, payable by the end of semester 1

Your charges are listed on the Family Statement issued to all families last week. You can pay the charges in person, by direct deposit or via B-Pay.

The charges specifically for Food Technology must be paid by Tuesday 15th March. If payment for the Food Technology component of the Family Statement is not received by Tuesday 15th March, then Food Technology materials will not be ordered for your child who will then participate in extra theory sessions for that class.

If you have any queries regarding the payments, please contact Allison Clarke (Head of Food Technology) or Lisa Brewer (Business Manager) on 5348 2367.

Thank you

Junior Learning Community

Transition - Open Night:
Daylesford Secondary College invites you to attend 2017 Year 7 Information Night.
17th March, 5.30pm BBQ
School tours 6.00pm.
Information Session 7.00pm

Year 7 BBQ
Thank you to all families that attended our recent Year 7 BBQ and music information night. It was very pleasing to see so many families and have the opportunity to meet parents, guardians and siblings in an informal setting. We look forward to seeing families again at the upcoming Parent Teacher Interviews.
Penny Ellis

SCHOLASTIC BOOK CLUB
Scholastic Book Club Issue 2 is now available from the Library.
Janise Slater, Library

Sports

INTERSCHOOL TENNIS

From left: Alex Hitchman, Tom Henderson, Sam Hitchman and Joel Bertoncello.

Congratulations! to the intermediate boys tennis team, who have made it through to the next round after remaining undefeated last Tuesday. The boys played against Beaufort Secondary College and Mt Clear College at Prince of Wales Park in Ballarat, and won comfortably against both teams. They showed excellent sportsmanship, and managed to win every set for the entire day! Well done!

SENIOR CRICKET
The senior boys battled hard all day in what was hot challenging conditions to finish the day with 1 win and 1 loss. All players made a solid contribution in what was a team orientated performance. Ned Johns and Mitch Steen performed particularly well with the bat, whilst Alister Ferrier and Sam Gardiner weaved their magic with ball in hand.
Congratulations to the following students who excelled in winning their respective events at the Eureka Swimming Carnival yesterday.

Tyler Olver 1st Age 50m Freestyle, Breaststroke, Backstroke and Butterfly. Lucinda Lowe 1st Age 50m Freestyle, Backstroke and Butterfly. Finlay Loft 1st Age 50m Butterfly. Carly Elderfield 1st Age 50m Breaststroke. Abbey Cooper 1st Age 50m Butterfly. Zarli Down 1st Age 50m Backstroke. Tom Henderson, Alex Hitchman, Tyler Bolton and Tyler Olver - 16 Age 4 x 50m Relay.

Tyler Olver, Lucinda Lowe and Abbey Cooper were also named Age Group Champions. A fantastic achievement. We wish all these students the very best at the GWR swimming on 23rd March. All Daylesford students should be proud of their efforts at the carnival. Many thanks to Luke Roberts and Susan Verbyla for their assistance throughout the day.

Martyn Nettleton

Stanley Hammond Award

Jacob Hellings-Suckling for honesty and upholding school values

Senior Learning Community

SENIOR SCHOOL NEWS

We are getting over 20 students to Tuesday night study sessions. Students are saying it's a really valuable time.

Permission To Drive To School
Students who want to drive to and from school must make an appointment to see Mr Holmes and will need all relevant documentation completed and filed at school.

Signing In & Out
Students who have study periods for periods 1 & 2 or 5 & 6 and would like to study from home need to see Mrs Olver or Mrs Kirby and have relevant documents filled out. Please note, students will not be granted an ongoing lunch pass.

Tuesday Afternoon Study Sessions
It has been great to see so many students taking advantage of the Tuesday afternoon sessions. We are currently averaging around 25 students which is wonderful to see. Each Tuesday afternoon the Senior Centre will stay open until 4.30 for students to study. The session will be supervised by staff and all senior students are encouraged to attend.

Careers

MIPS & Careers Update

Week 6 Term 1 2016

Well the year has certainly gained momentum! As we transition to a web based school newsletter, the Careers team are continuing to contribute to this publication BUT we have another careers newsletter on our own website: [www.dsc-careers.com](http://www.dsc-careers.com). You will also find other informative articles such as ‘Researching uni and TAFE courses’.
The extra newsletter covers:

1. Student Exchange Programs
2. UMAT 2016 – all Australian & NZ courses which require it.
3. Tax File Numbers (you really do need one!)
4. Avoid a ‘Work Experience Wreckage’
5. Career in Event Planning
6. QILT Website
7. Work Experience in Surveying

Years 10, 11 & 12 Study tips
Go to https://www.youtube.com/user/monashunivideo and have a look at the study tips.

Years 10, 11 & 12
It is important and very informative to attend a variety of university campuses as part of your future study planning. Many universities hold school holiday events. There are some in the next holiday break.

Find a friend and go together. You will need to register on-line. Year 10 students should particularly take note. If you see only two campuses in Year 10 and perhaps another two in Year 11 you will have seen only a fraction of available campuses. There are nine universities in Victoria and many have more than one campus!

Easter Holiday Events (will be updated if additional activities become available)
Experience La Trobe is a free event - with lunch and entertainment!
Dates:
31 March - Melbourne
1 April - Bendigo
✓ Go to workshops
✓ Attend lectures
✓ Do lab experiments
✓ Chat with academics.

There's also plenty of information about choosing what to study.
REGISTER NOW:
http://www.latrobe.edu.au/experince/events/experience-la-trobe-events

William Angliss will be holding workshops (cost $10) on March 31 in the city.
Topics include Foods, Tourism, Travel & Events and Flight Attending.
Register early to secure a place:
http://www.angliss.edu.au

A Day at Melbourne - Friday 1st April, 2016
This special event is designed for Year 10 to 12 students and their families. Hear from current students and come to tailored sessions to learn more about our entry requirements, course structures and other opportunities available to Melbourne students.
A tour of our Southbank campus will also be included in the program for those who wish to visit the Victorian College of the Arts.
It’s a great opportunity to gather information and talk to University staff about all aspects of studying and life at Melbourne.

Registration is required.
Contact: For more information contact Rod Nelson rodneyn@unimelb.edu.au

Zoo Keeper for a Day
Each school holiday the following zoos conduct ‘Keeper for a Day’ activities. Please check the costs on the organisation’s website.
Werribee -
http://www.zoo.org.au/werribee-whats-on/keeper-for-a-day
Healesville -
http://www.zoo.org.au/healesville-whats-on/keeper-for-a-day

Airline Pilot Workshop.
See: www.flyfaa.com.au
Costs $699 for 3 days.

Note: ACU will hold ‘University Experience Days’ at both Ballarat and Melbourne campuses in the mid-year holidays. These book out quickly, especially those involving Paramedicine.
Watch the following page for early registration.

REGISTER.
Year 12
Anyone considering applying for undergraduate Medicine at Monash University will need to sit the UMAT (Undergraduate Medicine and Health Sciences Admission Test). Please advise Careers staff if you are interested in the UMAT.
Register by: 3 June; Test date: 27 July

Meet Melbourne in Ballarat
University of Melbourne information session for prospective students and their families. 6 – 8.30 pm Wednesday 20th April. at Garden Room, Oscar’s Hotel, 108 Doveton Street, Ballarat.
Register:
futurestudents.unimelb.edu.au/meetballarat

Inside Monash Seminars. A wide range, see dates and titles. Where: Clayton, Caulfield or Peninsula campuses; Book/Info:
www.monash.edu/inside-monash; Other Information: Call 1800 MONASH.
MONASH UNIVERSITY ADMISSIONS NEWS
– Monash offered more than 10,000 places in an undergraduate course for 2016. Of these offers, 5,800 went to students with a Special Entry Access Scheme (SEAS) application. These are applications from students who have suffered disadvantage in their education in some way (eg illness, disability and living in a rural area such as Daylesford). For your interest, and to give some guidance as to ATARs required by Monash, Clearly-In ATARs for all Monash courses can be viewed at: www.monash.edu/change-of-preference/assets/pdf/2016-round-1-clearly-in-atar.pdf

FOCUS ON DEAKIN UNIVERSITY
– Deakin offers real choice about how and when you learn, and it is possible to fast-track your degree by studying additional units in Trimester 3. Deakin is somewhat unusual in offering three semesters (trimesters) per year. This means that it is often possible to complete a three-year degree in two years by studying in January and February. A great new resource for exploring courses and careers at Deakin can be found at: http://explore.deakin.edu.au. Featuring more than 700 courses and careers, this mobile tool will help you discover the myriad of future options available to you. You can scroll, select and save favourite courses and careers for later reference.

OPEN DAYS AT HOLMSEGLN
– Most tertiary institutions hold their Open Days in August (dates will be provided in the next Newsletter so you can get them in your diary). However, Holmesglen has Open Days throughout the year. Holmesglen is mainly a VET provider (some degrees) with campuses in Chadstone, City, Moorabbin and Waverley. Dates of Open Days are: 17 March, 12 May, 16 June, 11 August, 15 September, 27 October and 15 December. On-line bookings are essential at www.holmesglen.edu.au/open.

SWINBURNE UNIVERSITY NEWS
– Swinburne is a provider of higher education and vocational education and training (VET) courses. Its main campus is in Hawthorn, with small campuses in Croydon and Wantirna. 2016 saw the introduction of 11 Professional Degrees in areas such as Arts, Business, Computer Science, Engineering, Games and Interactivity, Health Science, Information and Communication Technology, Media and Communication, and Science. These degrees are for high-achieving students and incorporate a guaranteed, paid, full-time work placement. They feature a mandatory 12-month work placement which is normally undertaken during the third year of study. Students receive academic credit and gain valuable skills that will make graduates job-ready. The university will find appropriate placements for students. UniLink is quite a recent development at Swinburne. UniLink offers one-year courses for students who are unable to reach the required ATAR for Swinburne degrees. Around 80% of UniLink students are able to move into appropriate degrees at Swinburne in the following year.

International Volunteering
– We have brochures available in the Careers office or visit: www.latitude.org.au

Year 10 Work Experience
1. All students wanting to do Work Experience placements and are looking forward to our email regarding Work Experience placements and are looking forward to more!

Mentor Breakfast – Year 11 girls
Invitations will be sent out in the next week for this event (Wednesday 23 March).

A Competition Year 10 & 11 students
Do you have an idea for a business? Victoria University’s annual ‘I Plan A Business’ (iPAB) competition gives emerging student entrepreneurs the chance to apply their creativity and business skills to win amazing prizes. In 2016, the competition will be open to Year 10 and 11 students in secondary schools across Victoria. See: https://www.vu.edu.au/study-with-us/your-study-options/vce-high-school-students/year-10-students/i-plan-a-business-ipab-competition/ipab-2016-competition

VCE and CAREERS EXPO 2016
When: 9am-3pm, Thurs 5 & Fri 6 May; 10am-4pm, Sat 7 & Sun 8 May; Where: Caulfield Racecourse; Cost: $10 per person, $25 for families; Info: www.vceandcareers.com.au.
Year 7 2016 - Information Night.
Thursday March 17, 5:30pm – 7:30pm

Grade 6 primary school students and their parents/guardians are invited to our Year 7, 2017 Information Evening.

Join us for a BBQ @ 5.30pm, followed by guided tours of the College and an information session at 7.00pm. Junior school staff and coordinators will be on hand to discuss the program, and provide information to assist with the transition from Primary to Secondary school.

English, Maths, Humanities, P.E, the Arts, Technology, Science, LOTE and Health faculties will be available to outline what is studied at Year 7 and beyond, and to assist with any questions.

Learn about our extensive extracurricular activities and other opportunities that make Daylesford Secondary College stand out as a provider of quality education in the region.

Contact the school on (03) 5348 2367 for further enquiries.
SCIENCE Help Mondays

If you need a bit of help with any Science homework or classwork come along to a catch up and help session every Monday lunchtime in P2. Bring your lunch and whatever you need help with of a science nature.

After School MATHS Help

Maths teachers are available to help students with their homework or other maths work after school every Tuesday 3:30 to 4:30. Students should bring their maths work and necessary equipment to B4.

Tuesday Night SENIOR STUDY Sessions

Senior students are invited to attend our senior school study nights on Tuesdays after school. Some senior staff will be available to assist students with their study during this time.

Student Engagement & Wellbeing

DSC Uniform

Daylesford Secondary College has a distinctive and smart-looking uniform. The official uniform, as approved by College Council, can be purchased at Daylesford Clothing who is the official supplier of our school uniform.

PLEASE NOTE: DSC Sports tops sizes 14 and upwards are now in stock at Daylesford Clothing. Junior Size 12 Sports tops are still not in stock yet. They have been ordered but will not be in the store until Term 2

“Inspiring” Quote

A journey of a thousand miles begins with a single step.
Begin with the end in mind.
Shoot for the moon, even if you miss, You’ll land among the stars

COMMUNITY NEWS

Council’s Outdoor Pools Open on Labour Day - Long Weekend

Did you know that Council's outdoor pools will be open until 14 March, the Labour Day long weekend? We hope to be enjoying more warm weather into early Autumn, but remember that our Daylesford, Trentham and Clunes pools are solar heated. Water temperatures average 26C, so we hope you enjoy the final few weeks of the season.

Popcorn, fairy floss, sausage sizzle & drinks available at the ground.
FINANCIAL ASSISTANCE
INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government’s commitment to breaking the link between a student’s background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- $125 for primary school students
- $225 for secondary school students.

HOW TO APPLY

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

MORE INFORMATION

For the CSEF application closing dates and more information about the fund visit www.education.vic.gov.au/csef
