COMING EVENTS

Senior Ball – 11 August, 2016
Curriculum Day, students not required to attend school - 12 August, 2016
2016 Production “Dazzle” – 1, 2, 8, 9 September, 2016
Music – Rotary Concert – 14 September, 2016
ACCELERATION
One of the most powerful motivators for students is to accept the challenge of studying at a higher level than their designated year level – in other words, accelerated learning. Our College is supportive of acceleration, especially advancement for Year 10 students into Year 11 for approved subjects. We want to ensure that students who accelerate into a VCE Unit 1 and 2 subject are able to achieve at a high standard and give themselves every opportunity to maximise their VCE outcomes.

This year we are ensuring that students who wish to accelerate their Year 10 studies by accessing a Year 11 VCE Unit are ready for the challenge. Our 3As program underpins acceleration. Students need to have shown excellent attendance over the past 12 months as it is well known that attendance has a strong positive impact on learning. Secondly, students need to have the right attitude. They need to have a strong work ethic, they need to want to learn, they need to exhibit effort in their studies and they need to show exemplary behaviour. Further, their achievement in current and previous years needs to be at a standard worthy of advancement. The three As’ of attendance, attitude and achievement need to be evident for acceleration to occur. We have many students who meet the criteria; I encourage current Year 9 students to apply for acceleration for 2017.

Senior Ball & School Production

Two long-standing features of the DSC calendar are on the horizon – the senior ball and the annual school production. Our VCAL students have been working hard for quite some time now to organise the senior ball. All of the arrangements are now in place in readiness for the ball which is to be held at the Daylesford Town Hall next Thursday night. The annual school production is also drawing near. Rehearsals commenced very early in term 2 and the many hours of practice are starting to pay off as the matinee looms. Opening night for the show, this year it is a wonderful story called Dazzle, is on Thursday 1st September.

Parent Concerns and Complaints

From time-to-time issues arise at the school which are of concern to parents and students. There may be academic concerns, behaviour issues, relationship concerns or any other matter which may need clarification. If you have concerns, we would like to hear about them so that we can reassure you or address the matter. The process for addressing concerns is laid out clearly in our Parent Concern and Complaints Policy. The policy is on our website and can be accessed through this link:

School Values - respect

Daylesford Secondary College currently has five values: honesty, endeavour, respect, courtesy and cooperation. We are currently re-assessing the number of values and the relevance to our improvement journey. Respect is one value which we need to retain and promote strongly at all times. Respect underpins everything we do in learning and education. If we can build and rebuild a school community based on respect then, in my view, all else – teaching, learning, school administration, student management, responsibility, relationships, and the like – all become aligned in a highly engaging, supportive and effective school.

Principal’s News - Mr Graeme Holmes

ACCELERATION
One of the most powerful motivators for students is to accept the challenge of studying at a higher level than their designated year level – in other words, accelerated learning. Our College is supportive of acceleration, especially advancement for Year 10 students into Year 11 for approved subjects. Welcoming Our New Students

We have two new students starting at Daylesford Secondary College. I caught up with them both this week and here’s a little bit about each one.

Taylah Tauali’i-Williamson (Yr 8)

What is your favourite type of music?
“RnB and rap”

What is your favourite thing to do outside of school?
“Hang out with friends”

What is your favourite subject?
“English”

What do you want to be when you grow up?
“A lawyer”

If you could visit anywhere in the World where would you go?
“Fiji”

Trei Tauali’i-Williamson (Yr 8)

What is your favourite type of music?
“RnB”

What is your favourite thing to do outside of school?
“Hang out with friends”

What is your favourite subject?
“Art”

What do you want to be when you grow up?
“I don’t know yet”

If you could visit anywhere in the World where would you go?
“America”

Focus on Learning: Growth Mindsets For Parents

The way parents talk about ability and learning can have powerful effects on their kids’ beliefs. Below are three ways parents can instil a growth mindset in their kids. And remember, developing a growth mindset in yourself and in your kids is a process that takes time. Have a growth mindset about developing a growth mindset!

• **Recognize your own mindset:** Be mindful of your own thinking and of the messages you send with your words and actions.
• **Praise the process:** Praising kids for being smart suggests that innate talent is the reason for success, while focusing on the process helps them see how their effort leads to success.
• **Model learning from failure:** When parents talk positively about making mistakes, kids start to think of mistakes as a natural part of the learning process.
Year 9 Health & Wellbeing Day - Tuesday 9 August

All students will attend the stage production of The Thin Line around body image and eating disorders, as well as sessions on respectful relationships, alcohol and other drugs and self-defence. The day will conclude with a workshop - Self Esteem, Confidence and Positive Peer Dynamic by REACH.

Student Wellbeing Team

The Thin Line Stage Production will take place for Year 8 and Year 9 students on Tuesday 9 August.

*The Thin Line* is a theatre-based education program about eating disorders. It consists of two parts, a 30 minute play performed by a single actress that illustrates a young woman’s struggle with an eating disorder, followed by a moderated panel discussion of at least 30 minutes. The program aims to increase knowledge and understanding about eating disorders and to give people knowledge about services and support that exist, and what they might do to support a friend, family member or colleague.

*The Thin Line* was written by Cathy Pliourde.

Produced with permission of Cathy Pliourde and Add Verb Productions under license to Deakin University.

Australian Director: Suzanne Chaundy
YOUTHINK Excursion

On Friday 22nd of July, 31 lucky Year 10 students attended the YOUTHINK program at Ballarat Health Services. The program is presented by BHS Emergency Department Doctors, Nurses, Physiotherapists, Ambulance Victoria Paramedics, Victoria Police, Uniting Care and Ballarat Community Health.

YOUTHINK Program Facilitators support students in making safe choices in relation to road safety and driver safety messages, and party safe information. The key focus is on looking after yourself and your friends. The program guided students through the steps involved, in calling the Ambulance for assistance, the recovery position and airway management. Participants attended a tour of the Emergency Department, and developed an understanding of the impact of high risk choices. A hands-on component of the program involved role-play scenarios. Through role-play, and the use of medical bandages, crutches and wheelchairs etc. and wheelchairs etc. students had the opportunity to experience the challenges and wheelchairs etc. students had the opportunity to experience the challenges of living with injuries, whilst trying to complete simple tasks.

The Physiotherapist presented a number of scenarios and proved students with the opportunity to experience what it feels like to use mobility aids. Students then had the opportunity to view a video produced by Victoria Police. The video shares the confronting story of a local Ballarat woman involved in a very serious road traffic accident 10 years ago. The documentary describes the immediate and long term impacts of road trauma on the individual and their family. Students then had the opportunity to meet with a mother and daughter affected by road trauma.

The final and very powerful component of the YOUTHINK Program was the TAC SpinChat presentation—our students learnt about what it’s like to live with a spinal cord injury. The SpinChat presenter, Antonio, shared his experience with the students, and illustrated the challenges of living with a disability due to serious injury.
The YOUTHINK Program was supported by pre and post workshop activities delivered by the School Nurse and teacher in the classroom. Those students that attended had a great time enjoying the emergency room tour, hands on activities and pizza for lunch the most!
Sarah Boadle – School Nurse

English

Year 10 English - ACMI Excursion at Federation Square

Year 10 English students last Tuesday ventured to ACMI at Federation Square to watch a screening of *The Sapphires*, their film text for study this semester. The students also attended a lecture on the themes, characters and film techniques used to convey the story of the four Koori women whose music entertained American and Australian troops in Vietnam in 1968. The students will spend this term understanding the context and broader issues of the film alongside *Stolen*, a play which focuses on the Stolen Generation.

**“Insights & Inspiring” Quotes**

- A life spent in making mistakes is not only more honorable, but more useful than a life spent doing nothing. George Bernard Shaw – 1856 – 1950 - Playwright
- Great opportunities to help others seldom come, but small ones surround us every day. Sally Koch – Author.
- Success is not final, failure is not fatal. It is the courage to continue that counts. Winston Churchill – 1874 – 1965 – Former Prime Minister of the United Kingdom.
- Courage starts with showing up and letting ourselves be seen. Brené Brown – Speaker and Author
Year 11 Physical Education ‘Sport’s Coaching’ Course

As part of the Year 11 Physical Education course, students complete a unit on sport’s coaching. A component of this unit is to undertake the role of a coach.

On Wednesday 27th July we had some enthusiastic students from St Michaels Primary School visit our school to be coached by the Year 11 PE class. They coached various skills from different sports including tennis, soccer, AFL, volleyball and badminton.

All the Year 11’s did a fantastic job and demonstrated the capacity to be excellent coaches. Thanks to Chris and the St Michaels students for coming to our school and being involved.

SRC
‘The Student Representative Council is the Voice for DSC Students’

If you have an idea or an issue that you think will improve or effects our school community, join SRC. **Anyone can come along!** Meetings are held regularly, in C1.

Lola Jackson - SRC Representative.
Daylesford Secondary College Presents -

Produced with the permission of: Limelight Musicals, 9 Cleave Close, East Grinstead, West Sussex, England.

Synopsis – Brief: This inspirational show tells the story of Poppy Pringle who inherits a run-down seaside fun fair. In a show packed with drama and humour, Poppy leads the colourful band of fairground children to save it from the bad guys and the bulldozers, and restore it to its former glory. Murgatroyd Megarich and his side-kicks want to demolish the fun palace and turn it into an office block and shopping centre. But, with exciting thrills and spills on the way, Poppy leads her fairground friends to victory – to save the Fun Palace and win the day.

Dates:
Thursday 1st September and Friday 2nd September
Thursday 8th September and Friday 9th September

Time: 7.30 pm

Venue: Daylesford Secondary College Theatre

Tickets: Available from the General Office
Adults $15.00 Concession $10.00 Family $35.00

SENIOR BALL

Come enjoy, dance and ‘Celebrate’ 2016 College Senior Ball

DAYLESFORD S.C. FIRE RECOVERY FUND

Years 10, 11 & 12 Open Days
Make sure you attend Open Days this year. They are your opportunity to ‘try before you buy’ your university or TAFE course.
Remember to use Open Day planners before attending. For example, La Trobe University has a handy tool for browsing the Open Day activities and lets you build a personalised schedule to follow on the day. You can download the La Trobe Open Day app which you can use to access your timetable as well as maps to help you get around.

Some Open Day Dates for 2016:
- **Sat 6 Aug** Monash (Peninsula)
- **Sun 7 Aug** Deakin University (Warrnambool); La Trobe University (Bundoora); Monash University (Caulfield & Clayton)
- **Sun 14 Aug** Australian Catholic University (Melbourne), La Trobe University (Bendigo); RMIT University; William Angliss Institute
- **Sun 21 Aug** Box Hill (Lilydale campus); Deakin University (Waterfront & Waurn Ponds); University of Melbourne; Monash (Parkville)
- **Sun 28 Aug** ACU (Ballarat): Box Hill Institute (Box Hill); Deakin University (Burwood); Federation University; Victoria University (Footscray campus)

Music

MELBOURNE GUITAR FESTIVAL COMPETITION
Entries are now open for the Melbourne Guitar Festival Competition with several categories catering for all ages and abilities. Substantial cash prizes are on offer with further information and registration via [www.melbourneguitarfoundation.com](http://www.melbourneguitarfoundation.com)
This event is entirely run by volunteers and the Melbourne Guitar Foundation are a social enterprise who reinvest and give back to the local music community by organising concerts, masterclasses, scholarship programs and a large annual international guitar festival. This competition is part of the festival held over September 23-25 at Melbourne University.
